A. Full-time Covered Employees’ Sick and Safe Leave Accrual

All full-time administrators, faculty and staff earn sick and safe leave at the rate of up to six (6) hours per pay period, up to 144 hours per fiscal year. The amount of accrual during each fiscal year equates to the following based on full-time contract length:

Contract Length	Sick and Safe Leave days accrued per Fiscal Year	Sick and Safe Leave hours accrued per Fiscal Year
12	18	144
11	16.5	132
10*	15	120
9	13.5	108

**10-month faculty who opt for extended pay: accrual rate will vary; the accrual rate will be based on total annual accrual above divided by number of pays received.*

Unused, earned sick and safe leave will carryover from year to year. Upon retirement, members of the Maryland State Retirement and Pension system (MSRPS) will receive additional creditable service for accumulated unused sick and safe leave as determined by MSRPS, which can increase the amount of the monthly pension allowance at retirement. For more information on sick leave with MSRPS, please visit <https://sra.maryland.gov/>.

Work hours will be calculated by credit hour and/or classroom hour of instruction, clock hours for labs, clinical work, studio hours and other related instruction.
