Law legalizing cannabis went into effect!

**NO SMOKING
NO VAPING
NO E-CIGARETTES
NO MARIJUANA**

Smoking is NOT allowed anywhere on campus. No one can be impaired by any substance while on ACM's campuses or teaching sites.

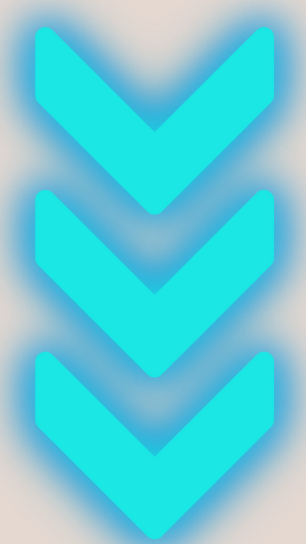

Allegany College of Maryland prohibits the unlawful possession, use, and distribution of illicit drugs and/or alcohol, which includes cannabis (aka weed or marijuana) and includes medical cannabis.

WHY?

ACM receives federal funds, such as financial aid and federal grants. If ACM doesn't comply with federal laws and regulations, it risks losing federal funds, including student loans.
