

Dear Trojans,

We can do this! We're committed to keeping you safe, in class, and on your way to achieving your goals. But we need your help.

MASK UP

Everyone on campus is required to mask up indoors (and correctly) in the presence of others at all ACM locations.

MONITOR FOR SYMPTOMS

Remember to [check for symptoms](#) before coming to any ACM location and report any personal COVID-19 exposure. Please social distance, wash your hands, wipe down surfaces, and follow other [COVID-19 guidance](#).

Who do you email or call to report symptoms or exposure?

Allied Health Students: [Cheryl Nelson](#), 301-784-5671

Student Athletes: [Tommie Reams](#), 301-784-5264

All Other Students: [Renee Conner](#), 301-784-5206

ACM Bedford County Campus Students: [Leah Pepple](#), 814-652-9528, ext. 1-6223

PROTECT YOURSELF/WIN \$500

Unvaccinated individuals have a greater risk of contracting and spreading COVID-19. Talk with your medical provider about what may be holding you back. For many, it's how the vaccines were created; this [video](#) from Johns Hopkins Bloomberg School of Public Health explains that process.

Find a [vaccination clinic](#) near you to protect yourself. Once you're vaccinated (or if you already are), claim your \$100 Campus Bookstore gift card and [register to win \\$500](#) through our **Fall Vaccination Lottery**. The lottery deadline is 9/30.

Please **reach out** to a trusted instructor or staff member if you have questions or need assistance or [email us](#). Let us know how *we can help you succeed*.

Wishing you well,

Dr. Cynthia Bambara

President, Allegany College of Maryland
