Dear Friends,

In order to have our area advance, an educated citizenry and a skilled workforce are absolutely necessary. Therefore, one of the primary objectives of the Allegany College of Maryland Foundation is to provide scholarships that will enable the College to attract high-quality students and greatly increase the accessibility of a college education to students from our area. The Foundation is continually working to develop additional scholarships to provide assistance to individuals so that they and our community may reach maximum potential.

If an individual or organization would like to learn more about establishing a scholarship or would like to learn more about the Foundation, please contact the Allegany College of Maryland Foundation Office at 301-784-5200.

Sincerely,

David R. Jones

Allegany College of Maryland is accredited by the Commission on Higher Education, Middle States Association of Colleges and Schools, 3624 Market Street, Philadelphia, PA 19104-2680; 215-662-5606. The Middle States Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation. The College is also accredited and approved for operation by the Maryland Higher Education Commission, 839 Bestgate Road, Suite 400, Annapolis, MD 21401; 410-260-4500. The Pennsylvania Department of Education has granted certification to the Allegany College of Maryland campus in Bedford county and to the academic programs offered.

SCHOLARSHIP POLICY

IN ITS EFFORT TO ASSIST MORE STUDENTS, the Allegany College of Maryland Foundation will limit the number of Foundation scholarships awarded to a student in an academic year to three or a total value of \$2,500. However, this does not mean that the most a student can receive is \$2,500. See examples below. Federal financial aid such as Pell Grants and Maryland State Scholarships are additional ways to obtain financial assistance and **will not** be used to limit a student from receiving Foundation awards. Scholastic Excellence Scholarships and Presidential Scholarships, however, **will** count toward the three scholarship limit.

Examples are as follows:

1. If a student receives one scholarship for \$2,000 and another for \$750, the student's total award is \$2,750. The student, therefore, is ineligible to receive any more scholarships for the academic year as the student reached the dollar limit.
2. If a student receives one scholarship for \$1,000 and one for \$750 and another for \$500, the student's total award is \$2,250. The student is ineligible to receive another scholarship for the academic year as the three scholarship limit has been reached.

Note: Additional exceptions may apply as approved by the ACM Foundation Board of Directors.

Allegany College of Maryland does not discriminate on the basis of age, ancestry/national origin, color, disability, gender identity/expression, marital status, race, religion, sex, or sexual orientation in matters affecting employment or in providing access to programs and activities.

For inquiries related to this policy, Title IX, and ADA/504, please contact: Dr. Renee Conner, Dean of Student and Legal Affairs, Title IX Coordinator, ADA/504 Coordinator, 301-784-5206 / rconner@allegany.edu

Allegany College of Maryland is required to inform prospective and current students of important College policies including Non-Discrimination, Title IX, Child Abuse Mandated Reports, Clery Act, Heroin & Opioid, Drug and Alcohol Use, Academic Disabilities, FERPA, Accreditation, and Medical Disclosure Procedure. (as amended by Executive Order 11375).

The Equal Pay Act of 1963.

The Age Discrimination in Employment Act of 1967.

Title VI of the Civil Rights Act of 1964.

Title IX, Education Amendments Act of 1972.

Section 504 of the Rehabilitation Act of 1973.

RELEASE OF INFORMATION REGARDING STUDENTS

(In compliance with the Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act of 1974 is a federal law which states (a) that a written institutional policy must be established; and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

DESIGNATED INSTITUTIONAL CONTACTS

FERPA questions should be directed to the Executive Director of Enrollment and Advising Services. If he/she is unavailable, the Registrar should be the contact. In Pennsylvania, the Director of the Bedford County Campus and Student Services is the contact. If necessary, the Dean of Student & Legal Affairs may be consulted for responses to legal questions.

The Student Services Appeals Committee will hear student complaints and petitions to amend educational records.

A GUIDE THROUGH THE SCHOLARSHIP APPLICATION PROCESS

IMPORTANT: PLEASE READ BEFORE APPLYING FOR SCHOLARSHIPS

PLEASE NOTE:

SCHOLARSHIPS OFFERED THROUGH THIS CATALOG WILL BE AWARDED DURING THE 2023-2024 ACADEMIC YEAR BUT WILL BE APPLIED TO TUITION/FEES FOR THE 2024-2025 ACADEMIC YEAR; IN OTHER WORDS, STUDENTS BEGIN APPLYING FOR SCHOLARSHIPS ONE YEAR IN ADVANCE.

HOW CAN I FIND THE INFORMATION I NEED ABOUT A PARTICULAR SCHOLARSHIP?

An alphabetical listing of scholarships and the page numbers of scholarships are provided on page 9.

WHERE CAN I FIND SCHOLARSHIPS BY THE PROGRAM OF INTEREST?

A listing of scholarships by program of interest (curriculum) is provided on pages 6 and 7.

HOW WILL I KNOW IF I AM ELIGIBLE TO APPLY FOR A SCHOLARSHIP?

Each scholarship will have specific requirements listed in the description which must be reviewed by the applicant to determine if he/she is eligible to apply. Therefore, you will need to turn to the page that lists the scholarship description to find this information. For example, some scholarships may require that you live in a particular geographical location; i.e., the tri-state area. Other scholarships may require that you show financial need; i.e., you have applied for federal financial aid through the Financial Aid Office. Still other scholarships may require that you be enrolled in a certain curriculum; i.e., nursing.

PLEASE NOTE: It is the policy of the Foundation that all scholarship applicants and recipients must have a minimum grade point average of 2.0 at the time of application in order to be eligible for any of the Foundation scholarships, although some scholarships may require a higher grade point average. The following letter grades and numerical grades may be used interchangeably in scholarship descriptions:

4.0	=	A
3.0-3.9	=	B
2.0-2.9	=	C

Also, applicants that have been out of high school or college for at least five consecutive years are exempt from the grade point average requirement for scholarship purposes.

WHEN THE RESIDENCY REQUIREMENT STATES THE APPLICANT MUST RESIDE IN THE TRI-STATE AREA OR THE FOUR-STATE AREA, HOW DO YOU DEFINE THESE AREAS?

The Tri-State area includes Maryland, Pennsylvania, and West Virginia.

The Four-State area includes Maryland, Pennsylvania, Virginia, and West Virginia.

HOW IS FULL-TIME COURSE LOAD DEFINED FOR SCHOLARSHIP ELIGIBILITY?

Non-Allied Health program students taking 12 or more credit hours per semester are considered full-time students. Allied Health program students enrolled in the clinical phase taking 8 or more credit hours per semester are considered full-time students.

HOW DO I APPLY FOR SCHOLARSHIPS?

Any student applying for a scholarship must first apply for admission to the College. An admission's application can be obtained by contacting the Admissions Office at 301-784-5199 or you can apply online at www.allegany.edu/admissionsapplication. (There is no application fee.) Once a student has applied for admission to the College, the student must apply for scholarships online by following the instructions provided on the next page.

WHEN SHOULD I APPLY FOR SCHOLARSHIPS?

All of the scholarships listed in this catalog (except Special Scholarships, see page 21) are arranged by application deadline date, with the first deadline being January 31, 2024 (see page A1). Scholarship applications must be submitted by the deadline date.

HOW ARE SCHOLARSHIP RECIPIENTS SELECTED?

Most scholarship recipients are selected by faculty/staff who are members of the Scholarship Committee. In some cases, the donor of the scholarship will assist in the selection.

**PLEASE NOTE:
SCHOLARSHIP SELECTION COMMITTEE MEMBERS RESERVE THE RIGHT TO SELECT OR REJECT ANY AND/OR ALL APPLICATIONS RECEIVED FOR A PARTICULAR SCHOLARSHIP.***

HOW MANY SCHOLARSHIPS CAN I ACTUALLY RECEIVE?

It is the policy of the Allegany College of Maryland Foundation to award no more than three (3) Allegany College of Maryland Foundation scholarships or \$2,500, to one individual. This, however, **does not mean** that the most you may ever receive is \$2,500. For a more detailed explanation with examples, please refer to our policy on page ii.

IF I AM AWARDED A SCHOLARSHIP, DO I AUTOMATICALLY RECEIVE THE AWARD FOR THE SECOND SEMESTER? DO I AUTOMATICALLY RECEIVE THE SAME SCHOLARSHIP THE NEXT YEAR?

No. In order for a scholarship recipient to have an award continued into the second semester (ordinarily initial awards are given during the Fall), the recipient must remain eligible under the particular requirements of the scholarship. For those scholarships which state in their descriptions that continuation into the second year is possible, students must reapply.

* Officers and Directors of the Allegany College of Maryland Foundation Board, full-time faculty and staff of Allegany College of Maryland and their immediate family members are not eligible for Allegany College of Maryland Foundation Scholarships.

These funds are designed for use only toward tuition costs while attending the Bedford County Campus. No money is available for funding students who receive financial aid that is equal to or greater than the cost of tuition. BCREF funding is only available for tuition expenses. In order to qualify for BCREF Tuition Assistance, the student must comply with the following criteria and procedures:

- Be a resident of one of the following school districts: Bedford Area, Chestnut Ridge, Claysburg Kimmel, Everett Area, Northern Bedford, or Tussey Mountain; and must have resided within this area for at least one year.
- Complete and submit the Free Application for Federal Student Aid (FAFSA). The Student Aid Report (SAR) will be used to determine eligibility for Bedford County Regional Education Foundation Tuition Assistance. Please note: it takes 6-8 weeks for the FAFSA to be processed. Please allow sufficient time for tuition assistance application. Attach your Student Aid Report (SAR) with your Tuition Assistance application.
- Complete the application and registration process of Allegany College of Maryland.
- Complete and sign the Tuition Assistance Application. Applications must be returned by September 15 for fall semester and by January 31 for spring semester. You must apply EACH SEMESTER to be considered for tuition assistance.
- Return the Tuition Assistance Application along with the essay to Bedford County Regional Education Foundation Office, 18 North River Lane, Everett, PA 15537.

THE P.E.O. SISTERHOOD: Women helping women reach for the stars

Website: peointernational.org

P.E.O. stands for Philanthropic Educational Organization.

P.E.O. was founded on January 21, 1869, by seven students at Iowa Wesleyan College in Mount Pleasant, Iowa. This circle of kindred spirits – bonded by their enthusiasm for women’s opportunities – eventually expanded to include women off campus, as well. Today, P.E.O. has grown from that tiny membership of seven to nearly a quarter of a million members in chapters throughout the U.S. and Canada, with headquarters in Des Moines, Iowa.

Friendship is the cornerstone of P.E.O. – it is the legacy left by our Founders and it thrives in our unique Sisterhood. P.E.O. exists to be a source of encouragement and support for women to realize their potential in whatever worthwhile endeavor they choose.

True to the mission of promoting educational opportunities for women, education continues to be the primary philanthropy of the P.E.O. Sisterhood. In fact, the P.E.O. Sisterhood proudly sponsors no less than six international philanthropies, or projects, designed to assist women with their educational goals.

As a result, P.E.O. is clearly making a difference in the lives of women all over the world. More than 90,000 women have benefited from our organization’s educational grants, loans, awards, special projects and stewardship of Cottey College. To date, P.E.O. has awarded Educational Loan Fund dollars totaling more than \$143.6 million, International

Peace Scholarships are more than \$29 million, Program for Continuing Education grants are more than \$43 million, Scholar Awards are more than \$16 million and P.E.O. STAR Scholarships are more than \$2.6 million. In addition, 8,500 women have graduated from Cottey College.

Grant, loan, and award recipients – as well as Cottey College students – need not be members of P.E.O. With the exception of international students who receive International Peace Scholarships, each recipient is sponsored by a P.E.O. chapter. FEDERALLY-FUNDED FINANCIAL AID PROGRAMS

NOTE: Information regarding federal and state financial aid programs is provided in this catalog as a service to the student. The following federal financial aid programs are administered by the Allegany College of Maryland Student Financial Aid Office. They may be contacted regarding any of these programs at 301-784-5213.

The Allegany College of Maryland Student Financial Aid Office participates in most federally-funded programs. More than 90 percent of all enrolled students at ACM receive some form of financial aid. Last year, Allegany College of Maryland disbursed more than \$15 million in funds from local, state, and federal programs.

Students applying for financial aid are considered for all programs for which they are eligible. The amount of the award is based on the financial need of the student. Need is determined by subtracting the resources of the student and his/her family's contribution from the total student expenses. The family's contribution is calculated on the basis of the amount of their income and assets as well as consideration of taxes, medical expenses, and other liabilities. A federal formula is used to determine the family contribution. All financial aid awards to students are determined by the Director of Student Financial Aid.

Applications for financial aid should be made as early as possible. The Free Application for Federal Student Aid (FAFSA) is available by October 1, 2023 for the 2024-2025 award year.

The FAFSA is available on the web. Submitting the FAFSA on the web provides a faster and easier way to receive FAFSA results. The web address is <https://studentaid.gov>. If you prefer to complete and mail your FAFSA, see the Student Financial Aid Office or your high school guidance office for the form.
