OS X/MacOS

Wireless Network Connection Instructions

Connecting an Apple Device to the ACM Wireless Network

Menu options and network settings may differ based on device and version.

Before you start:

▶ **You must be aware of and abide by [ACM Technology Policies](#)**

▶ **You will need to contact the helpdesk at 301-784-5444 for credentials for logging**

  into wifi.

*If you are not a student or ACM Faculty/Staff member, you may connect to the [ACM Guest Network](#)

▶ **Click the Wi-Fi icon in the upper right corner of the menu bar**

▶ **Contact the helpdesk at 301-784-5444 for credentials for logging into wifi**

▶ **Click OK**

▶
  * You may see a Verify Certificate screen – if so, click Continue (it may say Trust or Accept depending on device/version)

▶ **ACM** should now show as **Connected**
  (the connection may take a short time to initialize, during which the wi-fi icon may flash, then will display as a solid color when the connection is successful.)

If you need further assistance, you may find it here:
