MARYLAND DIGITAL LIBRARY

TOPIC: _____

Go to the *Maryland Digital Library* at the Allegany College of Maryland Library web page. Locate a journal article using the database *Academic Search Premier* and complete the summary section below.

1. **JOURNAL ARTICLE:** Using the database selected, search to locate an article about your topic. Look for an article in **FULL TEXT** or **PDF**. Attach a photocopy or printout of the article to this worksheet.

(subject--descriptors)

(title of article)

(author, if any—last name first)

(FROM – source full title of journal) (date) (vol)(issue) (page number)

(Accession number) (Database Name)

Summarize the article in about 100 words. What are the main ideas of the article? What did you learn from the article?
