Well into their 31st year together as professional musicians, Greg and Terry have recorded 11 albums to date and were honored to have three selections on the 1994 album "Freedom in a Constant Struggle" which contained songs of the Civil Rights movement to commemorate the 30th anniversary of the Mississippi Freedom Summer Project. They also have performed with the SNCC Freedom Singers in concert and have recorded Civil Rights songs on the CD's "The Long Walk to Freedom" and "Songs of Dissent Live".

Greg and Terry are master artists with the Wolf Trap Institute for Early Learning Through the Arts, and are intentionally known for their musical work in the environment movement. Their musical work has supported such notable groups as National Audubon Society, National Wildlife Federation, the National Wildlife Refuge System, the National Park Service, and Hudson River Sloop Clearwater and the Smithsonian Environmental Research Center.
