

## *A&P (Anatomy and Physiology) Science Placement Assessment*

The Science Placement or Anatomy and Physiology Placement Assessment is a Blackboard-based test and is not a part of Accuplacer. Students wishing to take Anatomy and Physiology based courses such as Biological Science 121, 201, or 207, but who have not taken Biological Science 100, 101, or 109 must pass the Anatomy and Physiology Placement Assessment. The science placement assessment is not required for students planning to take introductory biology courses such as Biological Science 100, 101, 103 or 109.

Students must:

1. Have applied and been accepted to ACM.
2. Schedule an appointment at least three business days in advance.
3. Have an active Blackboard account.
4. Must have placed out of, or successfully completed with a grade of "C" or better Reading 93 and Math 90.
5. Come prepared having studied basic college Biology and Chemistry.

Students must bring photo identification and their Blackboard login information and student id number with them when reporting to take the assessment. (This information is found on their acceptance letter.)

### About the Assessment

- The assessment consists of 49 questions
  - Students scoring between 27-31 will be given an additional attempt at the test
- The assessment is timed and has a time limit of 40 minutes
- Student's results will be reviewed, and he/she will be advised accordingly after testing

### A&P Study Guide Information

- Cellular Biology
- Cellular Respiration
- General Chemistry
- Introductory Material
- Metabolism and Energy
- Mitosis and Meiosis
- Organic Chemistry

<http://www.mhhe.com/biosci/genbio/rjbiology/chapttools.html> provides Chapter Tools for the current BIO 101. Click on a chapter (only 1-15 are covered in 101). We recommend to study Chapters 1-8, 10-11 and 15.

The assessment is administered at the listed below campuses. To schedule please contact the following:

**Cumberland Campus**  
Roger Vogel  
301-784-5551
