TRANSFER ADMISSION
McDaniel College considers any student who has attended another postsecondary institution to be a transfer student. Students must be in good academic (minimum cumulative grade point average of 2.0, but a 2.5 or higher is more competitive) and social standing to be considered for admission. All students must submit college transcripts; students with fewer than 30 transferable college credits will be required to provide high school transcripts and ACT or SAT test scores.

The maximum number of credits transferable from a community college is 64. Normally, only courses in which the student has earned a C or better will transfer.

To determine the transferability of Allegany College of Maryland courses or to find lists of recommended courses for transfer to McDaniel, access the internet-based transfer website, ARTSYS.

Contact your advisor, the Student Success Center at (301) 784-5551, or a Pennsylvania Student Services Office for additional information.

April 1st is the application deadline for students transferring in the fall and December 15th is the deadline for spring transfers. The application online is available online through the Common Application. McDaniel does not require a supplement, but a $50 nonrefundable fee is required (unless you visited the campus before filing this application). If you file your application electronically, you must send the $50 fee to the Admissions Office by mail. The application cannot be processed until McDaniel receives your payment.

TRANSFER SCHOLARSHIPS
McDaniel offers merit scholarships to academically talented transfers who have a minimum cumulative college 3.2 GPA and a minimum of 30 transferable credit hours. Unlimited awards range from $5,000 to $18,000 per year.

Members of Phi Theta Kappa who have a minimum cumulative college 3.5 GPA and at least 36 transferable credit hours automatically qualify for a $10,000 scholarship. Part-time students and students with previous bachelor's degrees are not eligible.

NOTE: McDaniel College was previously known as Western Maryland College.
