Students transferring into the Criminology program at West Virginia University must have a C- or better in SOC 200 (WVU SOCA 101).

Students completing degrees from the WVU Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Allegany College of Maryland students may begin completion of certain minors at ACM by utilizing elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Students are encouraged to utilize the general education electives at ACM to take courses that will simultaneously complete WVU's GEF requirements. The specific GEF requirements not completed by listed equivalents above are GEF 2A/2B, 5, and 6. Any GEF requirements not completed at ACM will need to be met by utilizing General Elective hours in the final two year at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Allegany College of Maryland, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
