Students need to select an Area of Emphasis (12-credit hours) from the following:

- Arboriculture & Urban Forestry
- Forest Ecosystem Science and Sustainability
- Forest Management

Allegheny College of Maryland FOR 227 and FOR 228 can be utilized as AOE courses for the Forest Management Area of Emphasis at West Virginia University.

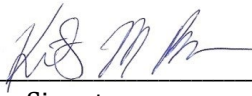

Students transferring to West Virginia University with a completed Associate of Arts or Associate of Science degree, will have satisfied the General Education Foundation requirements at WVU. However, this is an Associate of Applied Science (A.A.S), students will need to work with their faculty advisor to schedule all outstanding GEF courses prior to graduation.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University Allegheny College of Maryland, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
