STUDENTS BENEFIT *from your Generosity*

Scholarships, tuition assistance, and emergency book funding allow many students to realize their postsecondary education dreams. Due to your generous support, the Bedford County Regional Education Foundation has provided more than \$3.6 million since 1993 to local residents attending the Bedford County Campus of Allegany College of Maryland. Your educational investments provided nearly \$525,000 to local students during the 2023-2024 academic year. The thank you comments featured in this newsletter are from students receiving scholarships for the 2024-2025 academic year. They are grateful for your generous contributions and the educational opportunities provided by your support.

“Your generosity serves as a reminder that there are kind-hearted individuals like yourself who believe in the potential of students like me and are willing to invest in our futures. Your act of kindness has inspired me to be more involved in charitable activities that our community or ACM will hold so that I can make a positive impact on the lives of others.

Thank you for your incredible support. Your belief in my potential has given me the confidence to pursue my dreams and make a difference in the world. I am truly grateful for the opportunities this scholarship has provided me.”
