

**BUSINESS ECONOMICS
AREA OF CONCENTRATION
PREPARATION FOR TRANSFER**

This transfer pattern is designed for students planning to transfer to a four-year college or university with a major in economics. The courses included in this program closely parallel the first two years of an economics major at many four-year institutions.

Check with your advisor and Advising Center staff as soon as possible to ensure specific course transferability.

Successful completion of this program qualifies a student to apply for an Associate of Science degree in Arts and Sciences – Area of Concentration in Business Economics.
