EARN a MARYLAND HIGH SCHOOL DIPLOMA

ADULT BASIC EDUCATION
Move Ahead with Adult Ed

The Adult Education Program at Allegany College of Maryland is a grant-funded program through the Maryland Department of Labor and the U. S. Department of Education. The program provides educational services to Maryland residents who would like to earn the credential of a Maryland high school diploma by taking the GED test or by completing the National External Diploma Program, or who may need a skills refresher for their jobs or continuing education.

Students must be at least 18 years of age and not enrolled in public school.

• Assessment of academic skill levels using TABE and CASAS
• Classes at all levels, from basic skills through high school diploma
• Earn a MARYLAND HIGH SCHOOL DIPLOMA
• English as a Second Language Instruction (ESL)
• Work readiness using the ACT Workkeys® Curriculum
• ACT WorkKeys National Career Readiness Certificate®
• College and career pathways programs
• Childcare available*

* Childcare provided by the YMCA Family Support Center

Adult Basic Education (ABE) is currently offering remote courses to allow adult learners a flexible way to engage in learning while maintaining safety and flexibility. Our courses will still provide the opportunity for contact with the instructor and classmates in virtual face-to-face formats coupled with digital and remote learning.

Adult Basic Education (ABE)
These basic skills courses are designed to develop the reading, writing, and math abilities for individuals to perform day-to-day tasks and build skills necessary for securing a non-traditional high school diploma and employment. No Fee

Family Literacy
This course provides parents real world reading, writing, math, and technology skills along with opportunities for career exploration to provide a strong literacy foundation for families. No Fee

Diploma Prep: General Education Development (GED) or National External Diploma Program (NEDP)
This course prepares students to take the official GED Test or to complete the National External Diploma Program.
GED Testing Fee $45 NEDP Fee $60

ABE Program Support Instruction
Adult Basic Education offers instruction for eligible students to support transition into the college experience through the identification of career and education goals, developing post-secondary education learning skills and strategies, and building content knowledge. No Fee

English as a Second Language (ESL)
This course provides instruction for English language learners in the basics of reading, writing, speaking and listening in English. No Fee

Workplace and Career Readiness Skills
This course is designed to enable the student to learn the skills necessary to enter the workforce, to improve employability, and basic skills using the ACT Workforce Solutions Curriculum.
ACT WorkKeys® National Career Readiness Certificate (NCRC) Testing Fee $36
