

## Subject: COVID-19 Command Team Weekly Update

The COVID-19 Command Team, consisting of faculty and staff, has developed our response plan to mitigate the spread of the novel coronavirus (COVID-19) on our campuses and locations. The [COVID-19 Exposure Procedures](#) (viewable by clicking here), an outline of our anticipated actions when the College is aware of a confirmed or possible COVID-19 case from a student, faculty/staff, or member of the community who visited the campus and whose presence compromises the public health of the College.

The COVID-19 Command Team is committed to being transparent in sharing the number of individuals within the ACM community who have self-reported that they may have been exposed to or tested positive for COVID-19.

For the period of **August 17 to September 4**, the COVID-19 Command Team reports:

- **21 Received Reports** (Close Contact or Exposure) which have been reviewed by the Command Team
- **0 Confirmed Positive Cases**

**\*Note:** All Willowbrook Woods residents were tested for the novel coronavirus as part of our move-in process with zero positive test results reported.

The College is notifying anyone who may have been in contact with a potential exposure or positive case during their time on campus.

If you or a student in your class has been exposed, becomes symptomatic, or receives a positive test result for COVID-19, please contact the appropriate ACM Official (primary contacts below):
