Dear Colleagues,

As we approach the second half of the fall 2020 semester, I want to personally thank you for setting an example on the importance of wearing a mask and social distancing. We want our faculty, staff, and students to finish the semester strong and healthy, so please continue to set an example for students when it comes to correctly wearing face masks, practicing hand hygiene, and maintaining your social distance. This is critical to everyone’s continued health and safety, and for our institution to continue its current operations.

I’m grateful to be part of a college community that genuinely cares about one another and the success of our students. If I can help in any way or if you have any questions, please reach out to my office or your vice-president.

We are all in this together.

With gratitude,

Dr. B
