

Dear Colleagues:

Whether you celebrated Easter over Facetime or Passover over Zoom, or simply enjoyed extra time for a social-distance strolls around your neighborhood, I hope that you enjoyed time to recharge over the Spring Holiday break.

A month ago today, we extended spring break an extra week. It was the first of many difficult decisions we've made over the last five weeks. Decisions that have impacted your lives and the lives of our students. Thank you for continuing to put the needs of our students and community first.

At this time, I have no new updates regarding College operations. I do, however, have student-focused information to share that's especially pertinent for those who work directly with students.

- Registration for Summer semester opens next Monday, April 20. Summer semester courses begin on Monday, May 18 with a second five-week session starting on Monday, June 23. The majority of our Summer A-Term courses will be offered online. Students may preview semester schedules for credit courses at selfservice.allegany.edu/Student/Courses.
- Some students may not be familiar with WebAdvisor, so we've included this [WebAdvisor User Guide](#) on our website. Please feel free to share this new resource.
- Our Recruitment Team is hosting daily Virtual Info Sessions through Sunday, April 26. Sessions will be held from 11 a.m. to 12 p.m. Monday through Saturday, 3 p.m. to 4 p.m. on Sunday, and 7 p.m. to 8 p.m. on Wednesdays. Please share this [Facebook event](#) with anyone who may be interested in attending ACM in the Summer or Fall.

It's important that we keep finding new ways to reach and support our students during this difficult time. Later this week, we'll be sharing a video message of hope with our students. Many thanks to faculty and staff who participated in its creation. The video will be shared in my weekly email to students, on our website, and through ACM social media.

As we struggle to be together as a College while we're apart, thank you for remaining supportive, compassionate, and flexible.

With heartfelt gratitude,

Dr. B
