

Dear ACM Students,

The safety and well-being of our students, faculty, staff, and visitors is Allegany College of Maryland's highest priority. In keeping with public health guidance regarding the coronavirus disease 2019 (COVID-19) outbreak, ACM will extend Spring Break through Tuesday, March 17.

- Credit program classes will resume on campus on Wednesday, March 18.
- Willowbrook Woods residents may return from Spring Break at noon on Tuesday, March 17.
- Non-credit classes through the ACM Center for Continuing Education and Workforce Development will continue as scheduled at this time.
- Early College classes held in the high schools will follow regular class schedule.
- Please monitor ACM's website and your student email for continued updates. ACM's COVID-19 webpage (www.allegany.edu/coronavirus) will have the most current information.
- We ask that students, faculty, staff, and campus visitors who exhibit symptoms (fever, cough, and shortness of breath) **refrain** from visiting ACM's six locations.

The State Department and the Centers for Disease Control and Prevention strongly discourages travel to those areas impacted by the current coronavirus outbreak. Self-quarantine may be necessary for individuals who have recently traveled to China, Italy, South Korea or Iran. Additional information is available on our [website](#) or by calling the Allegany County Health Department at 301-759-5000.

Additional information about the coronavirus disease 2019 is available through the Centers for Disease Control and Prevention at www.cdc.gov/coronavirus. As the coronavirus disease 2019 spreads nationally, there are currently no diagnosed cases reported at ACM or in Western Maryland.

Questions may be directed to the ACM Information Center at 301-784-5005.

Stay well,
Dr. Cynthia Bambara
