

SUBJECT LINE: CONTINUE ON YOUR PATH – Dr. Bambara’s weekly message

Dear Students:

Staying home to stay safe – it’s changing how you learn and achieve your dreams. Whether you’re thriving in this online environment or finding yourself overwhelmed by it all, this is not the situation we expected.

I want you to stay strong and continue on your path.

Focus on what you can do today. Don’t stop, and don’t give up on your academic future.

When you can, look to us for help. Connect to available resources by visiting <http://www.allegany.edu/coronavirus> or by emailing me or one of your favorite faculty or staff contacts.

I have only two updates this week to share with you.

SUMMER COURSES

Registration for Summer session is open. Summer session courses begin on Monday, May 18 with a second five-week session starting on Tuesday, June 23. All summer courses will be offered online until at least Friday, June 19. This includes all Summer 2020 A-term classes and the first half of full-term summer classes.

You may preview the [schedules](#) for credit courses and set up an email or virtual advising session by contacting jengelbach@allegany.edu.

CAMPUS BOOKSTORE

The Bookstore will begin selling summer books on Friday, May 1. You may place book and supply orders online 24/7 at <https://bookstore.allegany.edu>. Your order will be shipped directly to your home for as long as Stay-At-Home directives are in place. Please reach out to the Campus Bookstore with your questions by emailing acmbookstore@allegany.edu.

In closing, I want to bring ACM to you. I hope this [video](#) of the new ACM Thomas Welcome Center brings you a moment of Trojan Pride. I look forward to the time when I can personally welcome you back to campus and share in your success.

Wishing you strength and continued safety,

Dr. Cynthia Bambara
