

Dear Students:

Today the countdown to the end of the semester begins in earnest. In less than one month, the majority of our students will have completed their finals, and our instructors will be submitting final grades.

I know this hasn't been an easy semester. I know your life is far from normal. Whether you're taking a part or full load of online classes, you're dealing with challenges I can't fully understand. But I can believe in you and your ability to keep going.

We care about you, we value your determination, and we're here to support you. **This [short video](#) from us to you says it all.**

Whether it's your last or first semester at ACM, reach out to us – especially now. Please ask questions and get help if you need it by contacting me or one of our ACM faculty or staff.

I have only a few new updates to share with you this week.

#### SUMMER COURSES

Registration for Summer semester opens next Monday, April 20. Summer semester courses begin on Monday, May 18 with a second five-week session starting on Monday, June 23. **We've decided that the majority of our Summer A-Term courses will be offered online.** You can preview the [schedules](#) for credit courses and email [jengelbach@allegany.edu](mailto:jengelbach@allegany.edu) to set up an email or virtual advising session.

#### WEBADVISOR HELP

We've added this [Self-Service WebAdvisor User Guide](#) to our website. Please email ACM's IT Helpdesk at [ithelpdesk@allegany.edu](mailto:ithelpdesk@allegany.edu) for help logging into WebAdvisor or other ACM platforms.

#### CONNECT A FUTURE TROJAN

Do you know someone who's interested in attending ACM this summer or fall? Our Recruitment Team is hosting daily Virtual Info Sessions through Sunday, April 26. Connect them with ACM by sharing this [Facebook event](#).

As we struggle to be together as a College while we're apart, please know that we're thinking of you and wishing you well.

With gratitude for you,  
Dr. Cynthia Bambara  
ACM President
