We are proud of our accomplishments during the 60 years since we began to serve our community's needs. What began as a modest community college in the former Carver School building on Frederick Street now encompasses modern, state-of-the-art facilities.

Allegany College of Maryland is making headway on many fronts, ranging from increased opportunity and strengthened service to students to farsighted and far-reaching initiatives to spur economic and community development. The College is committed to lifelong learning through excellence in education and responsiveness to the changing needs of the communities it serves and the well-being of its residents.

As we reflect on our progress, we are ever cognizant of your vital role in our success. Our institution could not exist as it does today without your help. Since the inception of the College Foundation in 1982, we have invested your dollars to provide scholarships totaling \$17,686,062 and have accumulated \$22,724,590 in net assets. The endowment guarantees that your gifts will provide opportunities for future generations.

We are most proud of the success of our students, both those who have completed degrees and those whose lives have been enriched by their association with us. In their varied stories, you would find numerous individuals who have been transformed through the opportunities afforded them by higher education.

Brighter futures built on solid foundations - the mission of this Foundation is fulfilled when your financial contributions translate into improved lives. But our needs continue to increase daily. Tuition increases, necessary as they are, make our students even more dependent on your support.

The certified report of our activities for the fiscal year ending June 30, 2021, is included in this publication. Thank you for entrusting us to be stewards of your financial resources and, most importantly, for helping our students achieve their goals.

Sincerely,

I have had nothing but a positive reaction with my experiences with Allegany College of Maryland and in the amount of donations that

I have given. My money has been well spent in my lifetime and I know that it will be spent well after my death.

Through the years, I've been fortunate to work with many of ACM's quality staff or strong leaders and have seen up close exactly what

they've been able to do for our community and the tristate area.

Elaine K. Solomon

The Allegany College of Maryland Foundation is instrumental to my life. Its guidance and reinforcement in developing and maintaining the

special collections that bear my late wife Janet's name remain central in my heart.

Leaving a LEGACY

An Investment in our Community

Your support now and in the future will help to continue the College's mission and dedication to our community. The following represents sample language that is commonly used to make a gift by will:

- A fixed amount of money or a designated property: Individuals often include a provision in their wills for the Allegany College of Maryland Foundation to receive stated sums of money. One example of such a specific bequest would be, "I hereby give and bequeath the sum of \$ _____ to the Allegany College of Maryland Foundation, Inc., Cumberland, Maryland, for its general uses and purposes."
- A percentage of the estate: Individuals often include a provision in their wills for the Allegany College of Maryland Foundation to receive a stated percentage of their estate. One example of such a bequest would be, "I hereby give and bequeath ___ percent of my total estate to the Allegany College of Maryland Foundation, Inc., Cumberland, Maryland."
- A residual bequest: "I give all the residue of my estate, including real and personal property, to the Allegany College of Maryland Foundation, Inc., Cumberland, Maryland."

The Foundation generally advises donors to describe the purposes of their gifts as broadly as possible and to avoid detailed limitations and restrictions. We encourage you to work closely with your legal, tax, and financial advisors when creating a will or estate plan. For additional information or to further discuss planned giving options, please contact the ACM Foundation at 301-784-5200.
