This permission form must accompany your written, photographic, or artwork submission at the time your work is submitted for it to be considered. Please make sure the title of your work is included and your name is written in exactly the format you wish it to appear in the magazine. If your work is chosen for publication, your signature on this form serves as your permission to publish. If you are submitting photography that includes images of real people, we will assume that you have obtained permission from those individuals to photograph them and to publish the photographs. Those artists, photographers, and authors whose works are chosen to be included in Expressions will receive an email from the editor in mid-to-late February. Please note that, to ensure that grammar is correct and format is standard, the editor reserves the right to make minor changes in any text you might submit. Thank you.
