Welcome to the FY22 Benefits Open Enrollment

The Allegany College of Maryland annual insurance open enrollment period is about to begin.

We recognize the importance of benefits within the overall compensation package provided to all of our eligible employees. This year when we reviewed our employee benefits options, we focused not only on providing quality medical plans but also on controlling the cost and financial risk for our employees. We offer multiple options to meet the individual needs of our employees and their dependents.

Open enrollment runs

May 3rd — May 24, 2021

Enroll online at HTTPS://JETEB.COM/ALLEGANYEDU

NOT SURE HOW TO GET STARTED? DON’T WORRY!

Prior to open enrollment, you will receive enrollment instructions from the HR office.

Until then, now is the perfect time to prepare by doing the following:

- Review the benefits in which you are currently enrolled.
- Review current benefits on Self-Service: https://selfservice.allegany.edu/Student/
- Review changes for FY2022
- Review the plans being offered for the coming year

In this booklet, you’ll find easy-to-understand instructions to help you make your benefit decisions.

As always, we value you as a member of the Allegany College of Maryland family and look forward to a healthy and safe 2021-2022.

REMEMBER:
Open enrollment is the one time of year you can make any adjustments you’d like for the upcoming plan year.

MEDICAL INSURANCE

HOW TO GET STARTED

SELECT YOUR MEDICAL PLAN

☐ OPTION 1: Gold
☐ OPTION 2: Silver
☐ OPTION 3: Bronze/HSA

TIP: Get the most out of your insurance by using in-network providers.

FREQUENTLY ASKED QUESTIONS

1. How many hours do I need to work to be eligible for insurance benefits?
   You must be a full-time employee working a minimum of 30 hours per week on a regular basis.

2. Will I receive a new Medical ID card?
   If you make a change to level of coverage you will receive a new card.

3. Does the deductible run on a calendar year or policy year basis?
   A fiscal-year basis: July 1 - June 30.

4. How long can I cover my dependent children?
   Dependent children are eligible until the end of the month in which they turn age 26.

5. I just got hired. When will my benefits become effective?
   Your medical insurance benefit will begin on the 1st day of the month following date of hire or date of hire if hired on the first of the month.

YOUR HEALTH PLAN OPTIONS

As a full-time employee of Allegany College of Maryland, you have the choice between three medical plan options: Gold, Silver and Bronze. The Bronze plan has a health savings account (QHDP/HSA).

For each, your deductible will run from July 1 – June 30.

While all three plans give you the option of using out-of-network providers, you can save money by using in-network providers because CFA has negotiated significant discounts with them. If you choose to go out-of-network, you’ll be responsible for the difference between the actual charge and CFA’s UCR (Usual, Customary and Reasonable) charge, plus your out-of-network deductible and coinsurance.

These plans cover a broad range of healthcare services and supplies, including prescriptions, office visits, telehealth and hospitalizations. Please refer to the following pages for specific details on the medical plans available to you and your family.
CARE OPTIONS AND WHEN TO USE THEM

While we recommend that you seek routine medical care from your primary care physician whenever possible, there are alternatives available to you. Services may vary, so it’s a good idea to visit the care provider’s website. Be sure to check that the facility is in the CareFirst network by calling the toll-free number on the back of your medical ID card, or by visiting cfablue.com

PRIMARY CARE
For routine, primary/ preventive care or non-urgent treatment, we recommend going to your doctor’s office. Your doctor knows you and your health history and has access to your medical records. You may also pay the least amount out of pocket.

TELEHEALTH
Retail Telehealth, or a “virtual visit”, lets you see and talk to a doctor from your mobile device or computer without an appointment, anytime and anywhere! CFA partners with MDLIVE to bring you care from the comfort and convenience of your home or wherever you are.

CONVENIENCE CARE
These providers are a good alternative when you are not able to get to your doctor’s office and your condition is not urgent or an emergency.
They are often located in malls or retail stores (such as CVS Caremark, Walgreens, Wal-Mart and Target), and generally serve patients 18 months of age or older without an appointment. Services may be provided at a lower out-of-pocket cost than an urgent care center.

URGENT CARE
Sometimes you need medical care fast, but a trip to the emergency room may not be necessary.
During office hours, you may be able to go to your doctor’s office. Outside regular office hours—or if you can’t be seen by your doctor immediately—you may consider going to an Urgent Care Center where you can generally be treated for many minor medical problems faster than at an emergency room.

EMERGENCY ROOM
An emergency medical condition is any condition (including severe pain) which you believe that, without immediate medical care, may result in serious injury or is life threatening.
Emergency services are always considered in-network. If you receive treatment for an emergency in a non-network facility, you may be transferred to an in-network facility once your condition has been stabilized.

If you believe you are experiencing a medical emergency, go to the nearest emergency room or call 911, even if your symptoms are not described here.
**Medical Premiums**

We encourage you to review this information carefully to ensure you are taking full advantage of the benefits our plans have to offer. Choosing the right plan for you and your family will help you take control of your health and well-being.

The portion of the premium you are responsible for is deducted on a pre-tax basis, and varies based on plan choice and covered dependents. You may choose from the current plan offerings outlined in this section, or opt to waive ACM health insurance.

Two ways you can put money into your HSA: (1) Regular payroll deductions on a pre-tax basis and (2) lump-sum contributions of any amount, anytime, up to the maximum limit.

ACM contributes $400.00 to participants in the Bronze Plan.

WHAT IS AN HSA?
A savings account where you can either direct pre-tax payroll deductions or deposit money to be used to pay for current or future qualified medical expenses for you and/or your dependents. Once money goes into the account, it’s yours to keep—the HSA is owned by you, just like a personal checking or savings account.

THE HSA CAN ALSO BE AN INVESTMENT OPPORTUNITY.
Depending upon your HSA account balance, your account can grow tax-free in an investment of your choice (like an interest-bearing savings account, a money market account, a wide variety of mutual funds—or all three). Of course, your funds are always available if you need them for qualified health care expenses.

YOUR FUNDS CAN CARRY OVER AND EVEN GROW OVER TIME.
The money always belongs to you, even if you leave the company, and unused funds carry over from year to year. You never have to worry about losing your money. That means if you don’t use a lot of health care services now, your HSA funds will be there if you need them in the future—even after retirement.

HSA FUNDS CAN BE USED FOR YOUR FAMILY.
You can use your HSA for your spouse and tax dependents for their eligible expenses—even if they’re not covered by your medical plan.

WHAT ARE THE RULES?
- You must be covered under a Qualified High Deductible Health plan (QHDP) in order to establish an HSA.
- You cannot establish an HSA if you or your spouse also have a medical FSA, unless it is a Limited Purpose FSA.
- You cannot be enrolled in Medicare or Tricare due to age or disability.
- You cannot set up an HSA if you have insurance coverage under another plan, for example your spouse’s employer, unless that secondary coverage is also a qualified high deductible health plan.
- You cannot be claimed as a dependent under someone else’s tax return.

WHAT ELSE SHOULD I KNOW?
- You can invest up to the IRS’s annual contribution limit. Contributions are based on a calendar year. The contribution limits for 2021 are $3,600 for Single and $7,200 for Family coverage. If you’re age 55 or older, you are allowed to make extra contributions each year.
- The contributions grow tax-free and come out tax-free as long as you utilize the funds for approved services based on the IRS Publication 502, (medical, dental, vision expenses and over-the-counter medications with a physician’s prescription).
- Your unused contributions roll over from year to year and can be taken with you if you leave your current job.
- If you use the money for non-qualified expenses, then the money becomes taxable and subject to a 20% excise tax penalty (like in an IRA account).
- There is no penalty for distributions following death, disability (as defined in IRC 72), or attainment of Medicare eligibility age, but taxes would apply for non-qualified distributions.
- If your healthcare expenses are more than your HSA balance, you need to pay the remaining cost another way, such as a credit card or personal check. But save your receipts in case you are ever audited! You can request reimbursement later, after you have accumulated more money in your account.

What is a Health Savings Account?

YOU CAN USE HSA FUNDS FOR IRS-APPROVED ITEMS SUCH AS:

- Doctor's office visits
- Dental services
- Eye exams, eyeglasses, laser surgery, contact lenses and solution
- Hearing aids
- Orthodontia, dental cleanings, and filings
- Prescription drugs and some over-the-counter medications (with a physician’s prescription)
- Physical therapy, speech therapy, and chiropractic expenses

More information about approved items, plus additional details about the HSA, is available at [irs.gov](http://irs.gov).

Every time you use your HSA, save your receipt in case the IRS asks you to prove your claim was for a qualified expense. If you use HSA funds for a non-qualified expense, you will pay tax and a penalty on those funds.

The HSA is your personal account and contains your personal funds. It can be considered an asset by a creditor and garnished as applicable.

As an HSA account holder, you will be required to file a Form 8889 with the IRS each year. This form identifies any contributions, distributions, or earned interest associated with your account.

This may be the best plan option for you if any of the following is true:

- You do not incur a lot of medical and prescription medication expenses.
- You would like money in a savings account to pay for Qualified Expenses permitted under Federal Law.
- You would like the opportunity to contribute pre-tax income to a Health Savings Account.

FREQUENTLY ASKED QUESTIONS

What will I pay at the pharmacy with the HSA qualified plan options?

You will pay the actual discounted cost of the drug until you satisfy your calendar year deductible in full.

What will I pay at the physician’s office with the HSA qualified plan?

You’ll provide your ID card at the time of the visit and the physician’s office will submit the claim to CFA. You will not owe anything at the time of the visit. Later you’ll receive an Explanation of Benefits (EOB) from CFA that shows the charges discounted based on their contract with the physician. When you receive a bill from the physician’s office, you pay the portion of the discounted cost you are responsible for as shown on the EOB.

Where can I get a copy of an EOB?

You can access all of your EOB information, as well as obtain other important information, by logging on to [cfablue.com](http://cfablue.com).

HEALTH CARE FLEXIBLE SPENDING ACCOUNT

This account enables you to pay medical, dental, vision, and prescription drug expenses that may or may not be covered under your insurance program (or your spouse’s) with pre-tax dollars. The total amount of your annual election is available to you up front, reducing the chance of having a large out-of-pocket expense early in the plan year. Be aware—any unused portion of the account at the end of the year that exceeds $550 will be forfeited. Amounts not used up to $550 will be rolled over for use in the next plan year.

What is a Flexible Spending Account?

How the Health Care Flexible Spending Account Works

When you have out-of-pocket expenses (such as copayments and deductibles), you can either use your FSA debit card to pay for these expenses at qualified providers or submit an FSA claim reimbursement to ConnectYourCare at www.connectyourcare.com. An itemized receipt of services may be required. Reimbursement is issued to you through direct deposit into your bank account, or if you prefer, a check can be issued to you.

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT

This account gives you the opportunity to redirect a portion of your annual pay on a pre-tax basis to pay for dependent care expenses. An eligible dependent is any member of your household for whom you can claim expenses on your Federal Income Tax Form 2441, “Credit for Child and Dependent Care Expenses.” Children must be under age 13. Care centers which qualify include dependent care centers, preschool educational institutions, and qualified individuals (as long as the caregiver is not a family member and reports income for tax purposes). Before deciding to use the Dependent Care Expense Account, it would be wise to compare its tax benefit to that of claiming a child care tax credit when filing your tax return. You may want to check with your tax advisor to determine which method is best for you and your family. Any unused portion of your account balance at the end of the plan year is forfeited.

DELTA DENTAL IS THE DENTAL CARRIER FOR 2021.

The dental plan is a PPO that offers coverage in and out-of-network. It is to your advantage to utilize a network dentist in order to achieve the greatest cost savings. If you choose to go out-of-network, you will be responsible for any cost exceeding Delta Dental’s negotiated fees, plus any deductible and coinsurance associated with your procedure.

Dependent children are eligible until the end of the month in which they turn age 26.

VISION INSURANCE

REVIEW YOUR VISION PLAN

DID YOU KNOW?
There are discounts available for Lasik surgery.

NVA IS THE VISION CARRIER FOR 2021.

The vision plan offers coverage both in-network and out-of-network. It is to your advantage to utilize a network provider in order to achieve the greatest cost savings. If you go out-of-network, your benefit is based on a reimbursement schedule.

LIFE AND DISABILITY

REVIEW YOUR LIFE AND DISABILITY POLICIES

- Basic Life and AD&D
- Supplemental Benefits
- Long-Term Disability

BASIC LIFE AND AD&D

All full-time position control/budgeted employees may elect to purchase Basic Term Life Insurance and AD&D in an amount that equals either one times the amount of base salary or one-half the amount of base salary, with maximum coverage up to $100,000. This coverage is provided by Guardian.

Employees may receive life and AD&D insurance coverage for themselves noted above without going through the underwriting process if elected at time of hire. The insurance becomes effective on the first day of the month following your initial hire date. Life insurance elected after initial employment will require a physician statement and must be approved by Guardian. Coverage and deductions in payroll for coverage will not be effective until coverage approval by Guardian.

SUPPLEMENTAL BENEFITS FROM GUARDIAN

Allegany College of Maryland realizes you make benefit choices based on what is important to you and the needs of your changing lifestyle. That’s why we make voluntary benefits available as a part of our benefit package to help you supplement your existing benefits plan. You can now customize your own benefits package to protect your family.

Guardian will be administering group Accident and Critical Illness with Cancer policies. You will have the opportunity to talk with an enrollment counselor and understand how these benefits will integrate with the core benefit offering. It is important to know that all of these products are individually owned and portable. If you change careers or retire from the company, you may continue the programs at no additional cost.

www.guardianlife.com

LONG-TERM DISABILITY

Long-Term Disability insurance offered through Guardian and is provided at no cost to you. The plan benefit is 60% of basic monthly earnings up to a maximum of $8,000 per month. Basic earnings is the average of your gross monthly income for the year immediately prior to the onset of disability and excludes commissions, bonuses, overtime pay, shift differential pay, or any other earnings.

The benefits begin after a 120-day waiting period. This coverage is offered through Guardian.
As an educational institution of the State of Maryland, Allegany College of Maryland has access to state-funded retirement programs which are offered to employees.

Employees classified as faculty, administrators and professional staff whose position requires a baccalaureate degree or higher may choose to participate in either the Maryland State Pension System or Optional Retirement Plan (ORP). Employees classified as support staff must participate in the Maryland State Pension System.

**Maryland State Pension System**

Includes both the Teachers' and Employees' Pension Systems; vested after 10 years of service; mandatory 7-percent employee contribution.

[https://sra.maryland.gov/](https://sra.maryland.gov/)

**Optional Retirement Plan**

A defined contribution plan with immediate vesting with one of two carriers: TIAA or Fidelity; the state contributes 7.25 percent of your base salary to your account.

**Tax Deferred Annuity Plans (Supplemental Retirement Plans)**

As an educational institution, it is possible for ACM employees to shelter a portion of their salary. There are several companies from which to choose: TIAA-CREF and Fidelity. Tax laws govern enrollment and administration of the plans.
Allegany College of Maryland wants to cultivate growth and enhance the life of its staff and their families. Knowing that no one gets through adult life without problems, Allegany College of Maryland provides an Employee Assistance Program through the UPMC Western Maryland Behavioral Health Services or the on-site counseling services offered at ACM.

The Employee Assistance Program is intended to help employees deal with personal problems that might adversely impact their job performance, health, and well-being. Allegany College of Maryland’s goal is to provide avenues of support and assistance to their employees and their families in coping with personal and work-related problems.

The Employee Assistance Program addresses issues, such as life changes, life challenges, job stress and burnout, and coping with difficult situations or difficult people.

All Allegany College of Maryland full-time employees and their families are eligible for this program. There is no charge for the first five counseling sessions. If extended counseling is needed, the charges will become the responsibility of the employee and employee benefit plan.

If anyone would like to find out more information about what the Employee Assistance Program is and what it offers, you can contact Allegany College of Maryland’s Human Resource Department at 301-784-5230 or 301-784-5159.

**EAP Includes:**

You can talk to your EAP counselor confidentially about:

- Five (5) face-to-face counseling sessions per issue, per year
- Your entire household is eligible to use the program
- Single point of contact for all life management needs
- Always confidential and free of charge

You can talk to your EAP counselor confidentially about:

- Anxiety and depression
- Emotional/personal conflicts
- Grief and loss
- Managing stress and change
- Marital conflicts
- Parenting
- Questions about alcohol/drug use/gambling addictions

Questions? Contact HR Team Member at (301) 784-5159
**Workers Compensation**

*All Employees*

Workers’ compensation covers documented on-the-job injuries for all individuals on the College’s payroll. The benefit covers all approved medical costs and also provides compensation while the employee is absent from work (provided the claim is approved). No reimbursement is received for the first three days after the injury unless the employee is out of work for more than 14 days. An employee who is involved in an accident while on college premises must contact his/her supervisor and the Office of Human Resources immediately. Any reports of an accident/illness need to be processed through the Office of Human Resources within three days of the incident.

**Unemployment Insurance**

*All Employees*

Unemployment compensation may be available upon termination of employment with the college as determined by the rules and regulations set forth by the State of Maryland, Office of Unemployment Insurance.

**Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA)**

Employees and their family members may be eligible to continue existing health coverage for a limited period of time under certain circumstances through a program known as COBRA. This program allows healthy/dental benefits to be continued without interruption and requires that the individual pays the cost of the premium in full, plus a 2% administrative charge. Full details are available at the employee’s exit interview and in the initial COBRA Notification letter sent to new employees and their covered dependents (if they elect health insurance).

**Retiree Health Benefits**

Certain full-time employees may be eligible to continue coverage with the college after retirement by paying the cost of the premium if they were enrolled in health, dental and vision immediately preceding retirement. For more details, see [www.allegany.edu/hrmanual](http://www.allegany.edu/hrmanual) Policy 03.05.007
Continuing Your Coverage
Under certain circumstances, you may continue your health coverage when they would otherwise end. This is called COBRA coverage. COBRA stands for the Consolidated Omnibus Budget Reconciliation Act of 1985. COBRA applies to these plans:

- Medical Insurance
- Dental Insurance

When Can I Continue Under COBRA?
You and/or your dependents are eligible to continue health care coverage under COBRA if:

- You leave Allegany College of Maryland for any reason other than gross misconduct;
- Your work hours are reduced, and you are no longer eligible for benefits;
- You die;
- You become entitled to and enroll in Medicare prior to losing coverage;
- You divorce or legally separate from your spouse;
- Your dependent loses dependent status.

The following chart shows how long you can continue your COBRA coverage.

When COBRA Ends
COBRA coverage will end before the end of the continuation period (see chart above) if:

- You become covered under another group health plan after your coverage with Allegany College of Maryland ends (unless the plan had Pre-Existing Condition limitations that affect you or your dependents);
- You become eligible for Medicare after your COBRA election begins;
- You do not make premium payments on time;
- Allegany College of Maryland’s group benefit plans are discontinued.

OTHER BENEFITS

ALLEGANY COLLEGE OF MARYLAND WELLBEING
Wellness programs are offered to employees to foster wellbeing in our lives. Exercise and education classes are offered at no cost to employees at varying times of the workday throughout the year. Flex time for Wellness and Education is also provided to employees for participation during the normal workday. Employees may extend their lunch time to attend classes for education or wellness. The Flextime for Wellness and Education Form must be completed by the employee and supervisor prior to enrollment. Restrictions and procedures can be found in Policy 03.05.012. Additionally, employees may enjoy a reduced membership rate at the Cumberland YMCA and have the membership fees payroll deducted.

ALLEGANY COLLEGE TEACHERS FEDERAL CREDIT UNION
Employees of ACM are eligible to join the Allegany County teachers federal credit union. The credit union can be reached at 301-729-8015.

ANNUAL LEAVE
ACM provides many types of leave for employees. They are designed to provide income for days away from work due to illness, to provide days for leisure and enjoyment, and to provide time to take care of personal business during the year. Different classes of employees are eligible for different types of leave and, for this reason, each type of leave description will specify who is eligible. For more detailed information about the requirements regarding these leaves, call the Human Resources Office or see the procedures online.

VACATION TIME
Full-time administrators and professional staff earn annual leave up to 160 hours per year, or 13.33 hours per month. Support Staff earn up to 80 hours in their first year of employment, 120 hours in their 2nd, 3rd, 4th, and 5th year employment, and 160 hours after 5 years of employment. Hours are pro-rated for contracts less than 12 months per fiscal year.

OTHER BENEFITS

SICK AND SAFE LEAVE
In the event that an employee becomes ill and is unable to work, sick leave is provided for full-time and eligible part-time employees. Since it may be accumulated indefinitely for full-time employees, it can become a substantial benefit in the event of extended disability or illness. Part-time employees may accrue up to 64 hours of sick and safe leave in a fiscal year.

Full-time employees accrue sick leave at a rate of up to 18 days per year or one and one-half days per month. Days are pro-rated for contracts less than 12 months per fiscal year.

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

Part-time eligible employees can earn up to 40 hours per year, carry-over a balance of 40 hours per fiscal year, and have up to 64 hours per accrued sick and safe leave.

Employees have no vested ownership in sick and safe leave; the leave may be used only for stated purposes in Policy 03.06.001. Sick and safe leave is not payable to employees upon retirement, resignation or termination, except that sick and safe leave is credited to service time at time of retirement from Allegany College of Maryland through eligible retirement with Maryland State Retirement and Pension System.

SICK LEAVE BANK
A full-time employee can elect to join the sick leave bank upon hire, or open enrollment. The sick leave bank allows members 60 additional sick leave days after they have exhausted all sick and vacation leave. Must meet the qualifications of the Sick Leave Bank Policy, 03.03.001.

FAMILY & MEDICAL LEAVE ACT

FAMILY AND MEDICAL LEAVE ACT OF 1993
FMLA entitles eligible employees to take up to 12 weeks of unpaid, job-protected leave in a rolling 12-month period measured backward from the date an employee uses any FMLA leave for specified family and medical reasons.

Employer Coverage – FMLA applies to all private-sector employers who employed 50 or more employees in 20 or more workweeks in the current or preceding calendar year and who engaged in commerce or in any industry or activity affecting commerce – including joint employers and successors of covered employers.

Employee Eligibility – To be eligible for FMLA benefits an employee must:

1. Work for a covered employer;
2. Have worked for the employer for a total of at least 12 months;
3. Have worked at least 1,250 hours over the 12 months preceding the leave; and,
4. Work at a location where at least 50 employees are employed by the employer within 75 miles or take work direction from corporate headquarters.

Leave Entitlement

1. For the birth or placement of a child for adoption, or foster care
2. To care for an immediate family member (spouse, child, or biological parent) with a serious health condition or
3. To take medical leave when the employee is unable to work because of a serious health condition
4. Caregiver Leave—up to 26 weeks of unpaid leave to care for a parent, child, spouse or next of kin (nearest blood relative) who has incurred a serious injury or illness while on active military duty.

FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Employees must use all accrued paid leave (such as sick leave, vacation, and compensatory time) before a leave will be classified as unpaid.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves:

- Any period of incapacity or treatment connected with inpatient care (i.e. an overnight stay) in a hospital, hospice, or residential medical-care facility;
- Any period of incapacity requiring absence of more than three calendar days from work, school, or other regular daily activities that also involves continuing treatment by, or under the supervision of, a health care provider, or
- Continuing treatment by, or under supervision of, a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days, and for prenatal care.

“Health care provider” means:

1. Doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctor practices, or
2. Podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by x-ray to exist) authorized to practice, and performing within the scope of their practice, under state law, or
3. Nurse practitioners and nurse-midwives authorized to practice, and performing within the scope of their practice, as defined under state law, or
4. Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts.
Maintenance of Health Benefits – A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee has continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave.

In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

Job Restoration – Upon return from FMLA leave, an employee must be restored to his or her original job, or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

In addition, an employee’s use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave.

Under specified and limited circumstances where restoration to employment will cause substantial and grievous economic injury to its operations, an employer may refuse to reinstate certain highly paid “key” employees after using FMLA leave during which health coverage was maintained. In order to do so, the employer must:

- Notify the employee of his/her status as a “key” employee in response to the employee’s notice of intent to take FMLA leave;
- Notify the employee as soon as the employer decides it will deny job restoration and explain the reasons for this decision;
- Offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice, and
- Make a final determination as to whether reinstatement will be denied at the end of the leave period of the employee that requests restoration.
- A “key” employee is a salaried “eligible” employee who is among the highest paid ten percent of employees within 75 miles of the worksite.

Notice and Certification – employees seeking to use FMLA leave may be required to provide:

- Thirty days advance notice of the need to take FMLA leave when the need is foreseeable;
- Medical certifications supporting the need to leave due to a serious health condition affecting the employee or an immediate family member;
- Second or third medical opinions and periodic recertification (at the employer’s expense); and
- employee’s status intent to return to work

When leave is needed to care for an immediate family member or the employee’s own illness, and is for planned medical treatment, the employee must try to schedule treatment so as not to unduly disrupt the employer’s operation.

Unlawful Acts – It is unlawful for any employer to interfere with, refrain, or deny the exercise of any right provided by FMLA. It is also unlawful for an employer to discharge or discriminate against any individual for opposing any practice, or because of involvement in any proceeding, related to FMLA.

Enforcement – FMLA is enforced, including investigation of complaints, by the U.S. Labor Department’s Employment Standards Administration, Wage and Hour Division. If violations cannot be satisfactorily resolved, the Department may bring action in court to compel compliance. An eligible employee may also bring a private civil action against an employer for violations.

Check your employee handbook for additional information on FMLA. California state CFRA, PDA may also apply. Please contact the Human Resource Department for more information.
IMPORTANT NOTICES

MEDICARE PART D CREDITABLE COVERAGE

Important Notice from CareFirst About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Allegany College of Maryland and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

CareFirst has determined that the prescription drug coverage offered by the Allegany College of Maryland health plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current CareFirst coverage may be affected. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop the CareFirst medical plan, you and your dependents may not be able to get this coverage back.
IMPORTANT NOTICES

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Allegany College of Maryland and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage…

Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through CareFirst changes. You also may request a copy of this notice at any time.

**WOMEN’S HEALTH AND CANCER RIGHTS ACT OF 1998**

If you have had, or are going to have, a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications at all stages of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: [insert deductibles and coinsurance applicable to these benefits]. If you would like more information on WHCRA benefits, call Human Resources 301-784-5230.

**THE NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT OF 1996**

The Newborns’ and Mothers’ Health Protection Act of 1996 prohibits group and individual health insurance policies from restricting benefits for any hospital length of stay for the mother or newborn child in connection with childbirth; (1) following a normal vaginal delivery, to less than 48 hours, and (2) following a cesarean section, to less than 96 hours. Health insurance policies may not require that a provider obtain authorization from the health insurance plan or the issuer for prescribing any such length of stay. Regardless of these standards an attending health care provider may, in consultation with the mother, discharge the mother or newborn child prior to the expiration of such minimum length of stay.

Further, a health insurer or health maintenance organization may not:

- Deny to the mother or newborn child eligibility or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely to avoid providing such length of stay coverage;
- Provide monetary incentives to an attending medical provider to induce such provider to provide care inconsistent with such length of stay coverage;
- Require a mother to give birth in a hospital, or
- Restrict benefits for any portion of a period within a hospital length of stay described in this notice.

These benefits are subject to the plan’s regular deductible and co-pay. For further details, refer to your SPD. Keep this notice for your records and call the Human Resource Department for more information.

**NOTICE REGARDING WELLNESS PROGRAM**

ACM Wellbeing Program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a nicotine attestation. You are not required to complete the HRA or to complete the nicotine attestation.

However, employees who choose to participate in the wellness program will receive a credit of $10.00 per month for their ACM medical insurance premiums.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program. You also are encouraged to share your results or concerns with your own doctor.
PROTECTIONS FROM DISCLOSURE OF MEDICAL INFORMATION

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Allegany College of Maryland may use aggregate information it collects to design a program based on identified health risks in the workplace, ACM Wellbeing Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Melinda Duckworth, Director of Human Resources at 301-784-5230.
SPECIAL ENROLLMENT NOTICE

During the open enrollment period, eligible employees are given the opportunity to enroll themselves and dependents into our group health plans.

If you elect to decline coverage because you are covered under an individual health plan or a group health plan through your parent’s or spouse’s employer, you may be able to enroll yourself and your dependents in this plan if you and/or your dependents lose eligibility for that other coverage. You must request enrollment within 30 days after the other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may enroll any new dependent within 30 days of the event.

If you or your dependents become ineligible for Medicaid or CHIP, you may be able to enroll yourself and your dependents in the plan. You must request enrollment within 60 days.

If you or your dependents become eligible for premium assistance from Medicaid or CHIP, you may be able to enroll yourself and your dependents in the plan. You must request enrollment within 60 days.

To request special enrollment or obtain more information, contact Human Resources.

YOUR RIGHT TO RECEIVE A NOTICE OF PRIVACY PRACTICES

Allegany College of Maryland is subject to the HIPAA privacy rules. In compliance with these rules, it maintains a Notice of Privacy Practices. You have the right to request a copy of the Notice of Privacy Practices by contacting Human Resources.

The notice may be viewed and obtained electronically at https://empallegany.sharepoint.com/sites/port/humanresources
MEDICAID CHIP NOTICE

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877- KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2021. Contact your State for more information on eligibility –

MARKETPLACE COVERAGE OPTIONS

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

WHAT IS THE HEALTH INSURANCE MARKETPLACE?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

CAN I SAVE MONEY ON MY HEALTH INSURANCE PREMIUMS IN THE MARKETPLACE?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

DOES EMPLOYER HEALTH COVERAGE AFFECT ELIGIBILITY FOR PREMIUM SAVINGS THROUGH THE MARKETPLACE?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. 

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

HOW CAN I GET MORE INFORMATION?

For more information about your coverage offered by your employer, please check your summary plan description or contact Allegany College of Maryland HR department. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
  - All employees. Eligible employees are:
    - Full time employees, working a minimum 30 hours per week on a regular basis. Employees will be effective the first day of the month following date of hire or date of hire if hired on the first of the month.
    - Some employees. Eligible employees are:

- With respect to dependents:
  - We do offer coverage. Eligible dependents are: Spouse and children to age 26, regardless of student status
  - We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here’s the employer information you’ll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

GLOSSARY OF MEDICAL TERMS

**Coinsurance**—The plan’s share of the cost of covered services which is calculated as a percentage of the allowed amount. This percentage is applied after the deductible has been met. You pay any remaining percentage of the cost until the out-of-pocket maximum is met. Coinsurance percentages will be different between in-network and non-network services.

**Copays**—A fixed amount you pay for a covered health care service. Copays can apply to office visits, urgent care or emergency room services. Copays will not satisfy any part of the deductible. Copays should not apply to any preventive services.

**Deductible**—The amount of money you pay before services are covered. Services subject to the deductible will not be covered until it has been fully met. It does not apply to any preventive services, as required under the Affordable Care Act.

**Emergency Room**—Services you receive from a hospital for any serious condition requiring immediate care.

**Lifetime Benefit Maximum**—All plans are required to have an unlimited lifetime maximum.

**Medically Necessary**—Health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms, which meet accepted standards of medicine.

**Network Provider**—A provider who has a contract with your health insurer or plan to provide services at set fees. These contracted fees are usually lower than the provider’s normal fees for services.

**Out-of-pocket Maximum**—The most you will pay during a set period of time before your health insurance begins to pay 100% of the allowed amount. The deductible, coinsurance and copays are included in the out-of-pocket maximum.

**Preauthorization**—A process by your health insurer or plan to determine if any service, treatment plan, prescription drug or durable medical equipment is medically necessary. This is sometimes called prior authorization, prior approval or precertification.

**Prescription Drugs**—Each plan offers its own unique prescription drug program. Specific copays apply to each tier and a medical plan can have one to five separate tiers. The retail pharmacy benefit offers a 30-day supply. Mail order prescriptions provide up to a 90-day supply. Sometimes the deductible must be satisfied before copays are applied.

**Preventive Services**—All services coded as Preventive must be covered 100% without a deductible, coinsurance or copayments.

**UCR (Usual, Customary and Reasonable)**—The amount paid for medical services in a geographic area based on what providers in the area usually charge for the same or similar service.

**Urgent Care**—Care for an illness, injury or condition serious enough that a reasonable person would seek immediate care, but not so severe to require emergency room care.

**Telehealth**—A generic term for remote delivery of healthcare by a range of options, including by landline or mobile phones and the internet. Telehealth can improve patients’ experience by reducing the need to travel to hospitals when remote monitoring (e.g., ECG) and videoconferencing is equally effective and cheaper.
The purpose of this booklet is to describe the highlights of your benefit program. Your specific rights to benefits under the Plans are governed solely, and in every respect, by the official plan documents and insurance contracts, and not by this booklet. If there is any discrepancy between the description of the plans as described in this material and official plan documents, the language of the documents shall govern.
