A Welcome Guide for New Employees of Allegany College of Maryland
Allegany College of Maryland welcomes you as a member of our team. We are an institution committed to achieving excellence. We believe strongly that the achievement of the institution’s goals is dependent upon maintaining the excellence of our employees and the supportive environment that ACM provides for them.

Beginning a new job can be an overwhelming experience, new responsibilities, new people, new policies and procedures. This booklet serves as an overview of the items to which you will need to attend during your first days on the job. Use this booklet as a “checklist” to ensure that you pay adequate attention to these areas. Some jobs may require more in-depth training or orientation in specific areas. Your individual supervisor and/or welcome host can provide additional guidance tailored to your specific setting. This booklet is simply meant to provide a generalized overview of college procedures and services that may seem new and overwhelming at first.

More complete information is available about each topic, and you will be directed to the location of that information in the narrative of this booklet. In addition, this publication outlines some of the services and amenities available to you as an employee of ACM. Learning to access those services and take advantage of our many benefits will help you make a successful and productive adjustment to ACM. Welcome!

Our Many Locations . . . We’re Much More than One Campus!
ACM was founded in 1961 to provide low-cost, high quality higher education for the residents of the area. Beginning in modest facilities in the former Carver School on Frederick Street in Cumberland, we now stretch over campus locations in Maryland and Pennsylvania and serve over 3,000 credit students and 14,000 continuing education registrations each year.

In addition to our two primary locations – the Cumberland and Bedford County (Everett) campuses — the College also operates the Culinaire Café and offers hospitality programs at the Gateway Center in downtown Cumberland. The Nursing Program is also offered in Oakland, Maryland in cooperation with the Garrett County Memorial Hospital.

Moreover, there are credit and continuing education programs at the Bedford County Technical Center and continuing education programs at the Somerset County Technology Center. CE programs through the Workforce Development and Training unit of our Center for Continuing Education and Workforce Development.

See pages 18-20 for maps of the ACM campuses.

Our Overall Organization . . . the Who’s Who of ACM
Approximately 500 full and part-time employees work at ACM. Employees fall into one of the following employee groups: Administrator, Faculty, Professional and Administrative Support Staff, and Associate Support Staff. Administrators compose the President’s Staff while the other three groups have organized associations that advance the general welfare of employees within that category. Staff may join these associations to learn how College policy and developments affect them. Members are elected on an annual basis to represent the employee groups.

The College is governed by a seven-member Board of Trustees. The President of the College is the chief executive officer of the institution.

All other employees fall under one of the following divisions, President, Instructional Affairs, Finance/Administration, or Advancement/Community Relations.

An organizational chart of the College can be obtained by contacting the HR Generalists at ext. 5158. In addition, a comprehensive listing of college committees and task forces is published each year and is posted in SharePoint/Old Public Folders (under All College Folder/Committees-Task Forces/Committee-Taskforce List).

Access to and use of the College’s email systems are privileges granted solely to Allegany College of Maryland faculty, staff, and those with special accounts. These privileges can be modified, limited, extended, or revoked at the discretion of the college with or without prior warning or consent.

College email systems are designated as official business communications tools. Alternate uses may be restricted or prohibited at the discretion of the College, especially when these uses conflict with or interfere with academic and administrative functions.

Both policies are available in the All-College Manual which can be found at www.allegany.edu/hr/collegehrmanual.

Accreditation: Our Assurance of Quality
Allegany College of Maryland is accredited by the Commission on Higher Education, Middle States Association of Colleges and Secondary Schools and approved by the Maryland Higher Education Commission (MHEC).

The Pennsylvania Department of Education (PDE) has granted authorization to Allegany College of Maryland campuses in Bedford county and to the academic programs they offer.

Every ten years, the College undergoes a Self-Study as part of its reaccrediting process and a Periodic Review Report at the five-year mark between each accreditation.

Also, many academic programs—particularly our allied health programs—undergo third party accreditations.

Accreditation is both a status and a process. As a status, accreditation provides public notification that an institution or program meets standards of quality set forth by an accrediting agency. As a process, accreditation reflects the fact that the institution or program is committed to self-study and external review by one’s peers in seeking not only to meet standards but to continuously seek ways in which to enhance the quality of education and training provided.

Family Educational Rights and Privacy Act (FERPA)
What to Say or Not To Say
Within the College community, only those members individually or collectively acting in a student’s educational interest are allowed access to student education records. The law provides that the institution will maintain the confidentiality of student education records.

No one outside the institution shall have access to, nor will the institution disclose, any information from students’ education records without the written consent of the student except to personnel within the institution, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, or to persons in an emergency in order to protect the health or safety of students or other persons.

Complete information about FERPA guidelines can be accessed in the college catalog or the online catalog at www.allegany.edu/creditcatalog (type in keyword “FERPA”).

New staff are also encouraged to contact the Director of Admissions and Registration at ext. 5199 who coordinates the inspection and review procedures for student education records.

Freedom Of Information Act (FOIA)
Coordinating the Release of Information
While FERPA laws prevent the release of student records, there are times when it is appropriate for the College to release other types of information. The release of information must be carefully coordinated.

Allegany College of Maryland welcomes inquiries for information from any person, group, organization, business, or entity.

This Act identifies what constitutes public records, who has access to them, under what circumstances a public entity must provide access to the records, and under what circumstances a public entity may deny access to the records.

Allegany College of Maryland will provide the requested information (or means of access to the requested information) where such disclosure is mandated by law, does not violate other laws, is properly made, and is capable of being disclosed.

Any College employee who receives a request shall promptly forward the request to the FOIA officer. Applicants are encouraged to use Allegany College of Maryland’s FOIA request form whenever possible; if the request is submitted in another written format, the FOIA officer shall complete the FOIA request form and attach the original submission to the FOIA form.

New staff are encouraged to contact the College’s Freedom of Information Act Office at ext. 5206 for additional information.

Security, eSAFE, & Emergency Procedures

Allegany College of Maryland is committed to ensuring a safe environment for students, faculty, staff, and visitors. The College’s Security Department located at the Cumberland Campus has primary responsibility for serving the safety and security needs of the college community. Campus buildings and facilities are patrolled and inspected regularly to ensure a safe and comfortable academic environment. The Security Department realizes that security is also an individual responsibility and strives to educate the college community about personal and public safety.

In order to maintain a safe environment for students to learn, for faculty to teach and for administration and staff to work, the Security Department or security representative is available twenty-four hours a day, seven days a week at the Cumberland Campus by calling 555-5555 from on campus or 301-784-5555 from off campus or by cell phone. This number can be called for emergencies or assistance on the Cumberland Campus at any time. Clearly marked EMERGENCY telephones are located in each classroom building at the Cumberland Campus, the College Center, Gymnasium, Dr. Donald L. Alexander Library and on the track at the rear entrance to the Gymnasium. The EMERGENCY telephones provide direct access to the Security Department (5555) or Emergency Services (911). Emergency Services (police, fire, ambulance, etc.) is always available at any college location by calling 911. The Director of Security is located on the Cumberland Campus in the College Center.

In addition, employees and students may register for eSAFE (electronically sending announcements for emergencies) which automatically sends notification of emergencies or weather-related closings to registered cell phones (via text messaging) or to email addresses. To sign up, visit www.allegany.edu/SAFE. The eSAFE registry is purged every August. Those wanting to continue receiving notifications must re-enroll every August. A reminder notification is sent in July by the eSAFE system of the need to re-enroll in August.

A flip chart of the College’s emergency procedures is available from the Security Office.

Reporting Policy on Days of Inclement Weather

When classes are delayed or cancelled due to inclement weather, all faculty, full-time or part-time, and regular hourly staff should abide by the public announcement unless otherwise specified. Notifications are made through eSAFE, the homepage of the College’s website, radio stations, television stations, and audio recording by dialing 301-784-5000 (Cumberland Campus), or 814-652-9528 (Bedford County Campus).

Whenever probable that a delay or cancellation is necessary, a decision will be made the evening before. Evening announcements will be transmitted to media outlets at approximately 8:30 p.m. Announcements for daytime classes will be transmitted to media outlets at approximately 5:15 a.m., and by 2:00 p.m. for classes beginning 4:00 p.m. or later.

When a delay is in effect, every reasonable effort should be made by each staff member to make the necessary travel arrangements to arrive on campus at the opening time within the bounds of safety. (Liberal leave, through use of employee-initiated vacation time, can be utilized when the employee cannot comply with this policy.) This same policy should be announced and followed by your students. Remember some students travel a distance to attend our college. Weather conditions vary across the tri-state region. Faculty using interactive Distance Learning should refer to the instructions provided in the Distance Learning faculty training session on how to handle course interruptions during inclement weather.

Employees should park their vehicles in any parking lot that has been cleared of snow or areas designated by the physical plant crew for staff parking. Precautions need to be taken on inclement weather days including wearing appropriate shoes, and walking and driving slowly around campus. Please remind your students to take the same precautions.

The complete reporting policy with listing of all media stations for public announcement is circulated by the Public Relations Office every October via e-mail. A full listing of media stations can be found online at www.allegany.edu/weather.

Obtaining a Parking Permit

Parking reserved for employees is plentiful and indicated by “Staff Parking” signs.

A parking permit tag is necessary. Parking permit applications are available in Human Resources office and will be distributed to new employees. Applications should be completed and submitted to the Business Office in the College Center. Parking permits should be hung on your rear-view mirror.

Handicapped parking is for use only by persons with authorized handicapped tags/stickers.

Loss of keys should be reported immediately to Physical Plant Director, at ext. 5261. All keys remain the property of Allegany College of Maryland and must be returned upon completion of official duties.
Obtaining a Photo ID, Employee Name Tag, & Business Cards

Allegany College of Maryland Employee name tags are available, by request, to the Human Resources Office. Photo IDs can be scheduled by contacting the Student Life Office at ext. 5205. Photos will be taken in room CC-41, the Diversity Center, on the ground floor of the College Center building on the Cumberland campus. The cost of the initial ID is free; a fee is charged for replacement IDs. Employee IDs must be turned in to Human Resources at end of employment.

Employees who need business cards can request them through ACM’s Design Print & Mail Services department. A standard template is followed, and one box of 420 cards is printed per order. The request form is located in SharePoint/Old Public Folders (under All College Folder/Forms/Desktop Publishing/Forms.) Complete the form and email it to publications@allegany.edu to start the process.

Purchase Orders/Check Requests

A document outlining purchasing procedures is available from the Finance Office at ext. 5222 or can be found in SharePoint/Old Public Folders (under All College Folder/Forms/Finance Dept). Many purchases, such as those for books, computer hardware or software, and learning resources for the Library must be coordinated with other offices. Please consult the purchasing procedures for complete information. Keep in mind that coordinating purchasing decisions with other offices often results in cost savings and greater efficiency for the College.

If you are a new secretary for a department and/or a budget manager, you will need to schedule training for the Datatel system (system used to generate purchasing requests) in order to be assigned a password. Contact the Fiscal Control Office at ext. 5222 to schedule a brief orientation of the Datatel system.

If you are not a secretary and/or a budget manager, you will need to contact the department secretary prior to making purchases or check requests.

Funds for each purchase must be designated in the department’s budget. Budgets are written in the fall of each year for the following fiscal year. The Finance Department sends notification of the schedule for writing budgets. Any purchases which deviate from the approved budget must have proper approval. Consult the Finance Department for further information.

All purchases exceeding $25,000 must go through a bid process. All furniture and equipment purchases exceeding $500 must be coordinated with the Director of Fiscal Affairs. All purchases using grant funds must be coordinated with the Director of Fiscal Affairs. Any purchases which deviate from the approved budget must have proper approval. Consult the Director of Fiscal Affairs for further information.

Upon receipt of any merchandise purchased with College or grant funds, the recipient is responsible for checking thoroughly the shipment to verify that the order is correct and received in good condition. You must accept goods through the Datatel system for payment and then send any invoices or delivery documentation to the Finance Office in a timely manner so that payment can be processed.

Requesting a College Vehicle through the Transportation Department

To request a car to attend off-campus meetings or to travel to the Pennsylvania campuses, complete a “Request for Transportation” form. This form can be found in SharePoint/Old Public Folders (under All College Folder/Forms/Transportation). Upon completing the request form, take it to your secretary or director for the appropriate signatures. The completed form must be submitted to Transportation for scheduling.

Note: Employees must first complete the prior paperwork through HR to verify they are an insured driver before they can drive a college vehicle.

Travel Reimbursement (Business-Related Expenses)

The College offers reimbursement for business-related travel expenses. Employees are expected to exercise prudent responsibility when committing College funds and keep expenses to a minimum. Travel costs are defined as expenses for transportation, lodging, meals, and related items incurred by the employee traveling on business for Allegany College of Maryland.

Travel must be business-related, budgeted, and pre-approved by the department head and Vice President. A copy of the agenda outlining dates and times of the conference must be attached to the reimbursement request. Please reference SharePoint/Old Public Folders (under All College Folder/Forms/Finance Department) for additional details.

Reimbursement requests are processed through the Fiscal Control Office, located in the College Center Building on the Cumberland Campus and is open Monday-Friday from 8:00 am to 4:00 pm (8:30 am to 4:30 pm September-May).

The complete guidelines for travel can be found in SharePoint/Old Public Folders (under All College Folder/Forms/Finance).
