Families First Coronavirus Response Act (FFCRA) Policy

Statement of Policy

It is the policy of Allegany College of Maryland (ACM) to comply with the requirements of the Federal Families First Coronavirus Response Act (FFCRA). The FFCRA provides employees with Emergency Paid Sick Leave (EPSL) and Emergency Paid Family and Medical Leave (EFMLA) for specified reasons related to COVID-19. This policy will apply from April 1, 2020 through December 31, 2020.

A. Two Types of Leave Covered Under FFCRA

1) Emergency Paid Sick Leave

Emergency paid sick leave will be available for an employee who is unable to report to work or work remotely because:

1. The employee is subject to a federal, state, or local quarantine or isolation order related to COVID-19;
2. The employee has been advised by a health care provider to self-quarantine related to COVID-19;
3. The employee is experiencing symptoms of COVID-19 and is seeking a medical diagnosis;
4. The employee is caring for an individual subject (or advised) to quarantine or remain in isolation;
5. The employee is caring for his or her child whose school or place of care is closed, or childcare provider is unavailable, related to COVID-19; or
6. The employee is experiencing any other substantially-similar condition specified by the U.S. Department of Health and Human Services.

Eligibility for EPSL

All employees, regardless of their tenure with ACM, who have full-time or part-time status are eligible to receive this benefit.

Paid Benefits for EPSL

Eligible employees will receive up to two (2) weeks of paid sick leave.

- Full-time employees (scheduled to work 35 or more hours per week): 80 hours at their regular rate of pay, subject to the caps and reasons noted below.
- Part-time employees (scheduled to work less than 35 hours per week): the number of hours that the employee works, on average, over a two (2) week period, subject to the caps and reasons noted below.

Payments are capped at $511 per day ($5,110 in total) for dealing with an employee’s own illness or quarantine (reasons 1, 2 and 3 above). Employees who are caring for an individual affected by COVID-19 and those whose children's schools or childcare providers have closed (reasons 4, 5 and 6 above) will receive up to two-thirds of their pay, and that benefit is limited to $200 per day ($2,000 in total).

Return to Work Following EPSL

Employees are required to follow guidelines established by the Centers for Disease Control and Prevention as it relates to ceasing home isolation practices.
2) Emergency Family Medical Leave Act Expansion

Employees will be entitled to take up to 12 weeks of job-protected leave if an employee is unable to report to work or work remotely because the employee is caring for his or her son or daughter because the child’s school or place of care has been closed or his or her childcare provider is unavailable due to COVID-19 related reasons.

Eligibility for EFMLA
Under this policy, all full-time and part-time ACM employees who have been employed for at least 30 days prior to taking the leave are eligible for leave.

Paid Benefits for EFMLA
The EFMLA provides for a combination of unpaid and paid leave.

- The first 10 days of EFMLA are unpaid. An employee may choose to use any existing and accrued paid benefit (i.e. vacation, sick pay) during the 10-day unpaid period, or the 10 days may be paid under emergency paid sick leave (as noted above), if taken for a qualifying reason.
- After 10 days of unpaid leave, ACM employees may use up to 10 weeks of job-protected leave at two-thirds their usual pay. Part-time employees are entitled to be paid two-thirds of their usual pay based on the average number of hours worked for the six (6) months prior to taking the leave.
- The cap of the paid leave entitlement for employees is $200 per day ($10,000 in the aggregate).

B. Notification of the need for FFCRA Leave
Employees should request emergency paid leave as soon as possible once the need for the leave arises by notifying their immediate supervisor or human resources and indicating the specific qualifying reason and date of requested leave. If an employee is incapacitated, the employee’s representative must provide verbal notice as described above as soon as possible. Calling in “sick” does not qualify as adequate notice. An employee must provide sufficient information about the reason for an absence so that ACM can determine that protection and benefits may exist under this policy.

C. Insurance benefit continuation during FFCRA Leave
Coverage under group health insurance will continue while an employee is on leave, but employees must continue to pay their usual portion of the premium. Other employment benefits such as life insurance, dental insurance, vision insurance, supplemental accident and critical illness insurance will also be continued during the leave, as long as the employee continues to pay any required contribution. Payment arrangements will be discussed with individuals upon their request for leave.

D. Certification for FFCRA Leave
Generally, ACM will require certification to verify the qualifying reason for the leave. Employees should be prepared to provide documentation such as a copy of any quarantine or isolation order, a written note by a health care provider advising self-quarantine, or a notice of closure of school or childcare provider (i.e. email, notification on website, or news article).

ACM understands that requesting healthcare provider documentation may place additional burdens on our medical community during this pandemic, therefore if an employee is unable to obtain this documentation, at a minimum, the name, address, and phone number of your treating healthcare provider must be provided. ACM also reserves the right to request additional documentation completed by your healthcare provider or childcare provider (as applicable) in situations where there is reason to believe an employee is fraudulently attempting to obtain leave or paid benefits.
E. Intermittent Leave
For employees working on the premises, intermittent leave will only be permitted for the qualifying reason related to caring for their minor child whose school or place of care is closed, or childcare provider is unavailable.

For employees working remotely, intermittent leave will be permitted if the employee is unable to work his or her normal schedule of hours. The employee and ACM will come to an agreement on a schedule that provides for the least amount of disruption to an employee’s job. For EFLMA purposes, the total amount of leave taken should not exceed the 12 weeks as defined earlier in this policy.

F. Rights upon return from FFCRA Leave
An employee who takes leave under this policy may be reinstated to the same or an equivalent position upon completion of the leave. If an employee has exhausted all leave under this policy and is still unable to return to work, the situation will be reviewed on a case-by-case basis to determine what rights and protections might exist.

The law provides that an employee has no greater rights upon a return from leave than the individual would have had if s/he had continued to work. Therefore, an employee may be affected by a layoff, reorganization, furlough, change in job duties or other change in employment if the action would have occurred had the employee remained actively at work.
