ACM HOSTS EVENING REGISTRATION FOR FALL SEMESTER, OFFERS CONVENIENT ONLINE OPTIONS:
Special Dates and Times for Cumberland and Bedford County

CUMBERLAND, MD (July 27, 2018) – Allegany College of Maryland is making it easier to enroll in fall semester classes by extending registration hours at its Cumberland and Everett campuses.

Located in the College Center building on the Cumberland campus, the Advising Center will offer extended registration hours Monday through Thursday from 4 to 6 p.m. from Aug. 1 to Aug. 16. The Bedford County Campus in Everett, PA will host extended registration hours on Aug. 8 from 4 to 8 p.m. Academic advisors will be on-hand to meet with students.

New students are required to meet with an academic advisor prior to registration.

Extended hours are especially convenient for students who work during the day and may have difficulty leaving work to register for classes. Regular business hours are 8 a.m. to 4 p.m. Monday through Friday.

Online registration for returning students is available at allegany.edu. All students with questions regarding registration or the college are encouraged to chat online with ACM's Information Center staff. Students may also contact the Advising Center to schedule a virtual advising appointment at their convenience using GoToMeeting (a face-to-face meeting via the Internet).
