**ACM HOSTS JUNE RESOURCE EVENTS FOR ALL IMPACTED BY VERSO CLOSING**

CUMBERLAND, Md. (May 15, 2019) – Allegany College of Maryland will host resource events for those individuals impacted by the recent closing of the Verso Luke Mill in early June.

During the two-hour sessions, ACM faculty and staff will help former mill workers, contractors and business owners or employees update their resumes, navigate online job applications and explore in-demand jobs. Attendees will have the opportunity to learn about career training and academic options, meet with program representatives and gain an understanding of the college financial aid process.

Individuals may attend one or all of the resource events. Dates and times include June 2 from 2:00 to 4:00 p.m., June 4 from 9:00 a.m. to 11:00 a.m., June 5 from 11 a.m. to 2:00 p.m. and June 6 from 3:00 p.m. to 5:00 p.m. The events will be in the College Center at ACM's Cumberland campus.

“Beginning again after a job loss is never easy. ACM joins our regional community in mobilizing assistance for those impacted by the Verso Luke Mill closing,” said Dr. Kurt Hoffman, ACM senior vice president of Instruction and Student Affairs.
