RE: Presidential Search Update (Progress Report #4)

On behalf of the Board of Trustees, I would like to provide a brief update to let you know that we are on schedule with our national search to identify the next President of Allegany College of Maryland (ACM).

I would like to take this opportunity to thank everyone who attended the forums and participated in the online survey through which participants had opportunities to discuss the qualities and qualifications ACM is seeking in our next President. Your feedback was insightful and valuable, and your contributions informed the development of the Presidential Profile.

The Presidential Search Committee met on May 20 for orientation and training. During this session the Committee provided excellent feedback on the draft Presidential Profile. Later that same day, on May 20, the Board reviewed and finalized the Presidential Profile. Detailed information about the search process and the Presidential Profile is posted on the ACM presidential search webpage:
