ACM 2020 Top Online LPN to RN Program
For the second year in a row, ACM has received the #1 ranking as the 2020 Top Online LPN to RN Program in the nation. In July of 2019 we were notified of our first-place ranking. There are five LPN to RN programs nationwide. They are North Dakota State University, Sampson Community College in North Carolina, University of Arkansas and Western Kentucky University. The ranking is conducted by registerednursing.org and is based on a number of factors including NCLEX-RN pass rates, program attributes, tuition costs, etc. The rankings and methodology can be found at https://www.registerednursing.org/lpn-to-rn/

COVID-19 Command Team
Dr. Bambara reported that as ACM winds down the semester, the work of the COVID-19 Command Team has slowed down considerably. In addition to weekly reports that Team Lead Korey Layman sends, ACM has done some additional messaging to the College community reminding them of the important safety protocols. Dr. Bambara emailed a detailed message to the College community on Friday, Melinda
Duckworth also sent a message to employees outlining reporting procedures over the holiday. Dr. Hoffman has done the same for students. The reports as of December 10, 2020 are:

Advertising for the spring semester began October 27, 2020 and will continue into January 2021. Promotions include digital/static/video/radio, billboards, newspapers, local radio, and television.

The format is different this time with seven working groups, each attached to the seven standards. There are two team leads and between five and seven people for each working group. Ms. Gallion and Mr. Harrah are developing the design document with a working statement of how the self-study will look. This document is to be submitted by the end of the semester with approval by Dr. Sean McKitrick from Middle States. Teams will begin working in the spring of 2021 through the fall of 2022. The report is to be submitted spring of 2023. The visit is to be conducted in April 2023 with a final decision made shortly thereafter. Mr. Leonard asked about participation from the Trustees. Mr. Harrah said updates will be provided during board meetings on an every-other-month basis.

Acceptance of FY2020 College Audit
The Board of Trustees Finance Committee received a favorable audit report presented by Turnbull Hoover and Kahl. On a motion by Ms. Belt, second by Ms. Buck, the Trustees accepted the audit report. Mr.
Leonard thanked Ms. Kilduff and her team for their hard work during the audit. Dr. Bambara noted that Ms. Kilduff and her staff overcame challenges. Mr. Turnbull was also complimentary of the work done by Ms. Kilduff and her team. Mr. Turnbull just received supplementary instructions for reporting CARES Act information.

**ACM 10-Year Roof Work Timeline**
Ms. Kilduff reviewed the timeline for roof projects with the largest expenditures that are not supplemented by outside funding. Tremco conducted roof scans to determine their conditions. Ms. Kilduff is developing an internal document to help organize roof replacement projects and determine funding sources.

Ms. Kilduff said since ACM paid the contractor, she submitted a request to the State of Maryland Department of General Services for reimbursement for the Western Regional Corrections Training Center. Mr. Leonard thanked Ms. Kilduff and her staff for their efforts in completing this project.

**Bid Approval for Critical Allied Health Simulation Equipment Project**
The Trustees approved the $81,600 single bid received from Anatomage Inc., to acquire an Anatomage Virtual Anatomy Dissection Table for a critical Allied Health simulation equipment project to support allied health training at ACM. Training, a one-year warranty, and shipping are included in the total price. Funding sources for this project are provided by the Appalachian Regional Commission with matching funds provided by Perkins. The Trustees approved the bid recommendation to purchase the equipment following a motion by Ms. Belt and a second by Mr. Ronan.

**FY2020 Allegany Opportunity Scholarship Video**
Mr. Jones showed a video that included numerous students who were appreciative of the scholarships they received as well as the benefits expressed by a local employer as a result of the students' training. Students range in age from 18 to 58. Taxpayers see a return of $1.60 on every dollar invested.

**FY2021 Salary Scales Update**
Ms. Duckworth reported the salary scales did not change in July because the funding was reduced. Adjustments will be made January 1, 2021, to only the part-time pay scale to slightly above minimum wage. Full-time faculty and staff salary scales were not changed. ACM has a 35-hour workweek.

New salary scales are effective January 1 and will increase by $0.75 for every step/level due to an increase in the Maryland minimum wage for Salary Scales ST-H (hourly) and ST-NC (staff non-classified).

Other scales were not changed (remain the same as FY20) for Faculty Overload/Part-time Teaching, Faculty Summer Teaching Scales (Tier change to “10-month Full-time ACM Faculty”), and Faculty NC Non-Classified.

**Sick and Safe Leave Policy Changes**
Ms. Duckworth explained the current sick and safe leave policy provides all sick and safe leave hours to full-time employees in full on July 1 of each year. Human Resources will be moving to a new HR/Payroll platform to increase efficiencies in the office. With the current system, employees are using more sick leave than what they have. The new platform uses an accrual system for sick and safe leave. Most of the current employees will not be affected by the new system. Current employees will have to adjust to the new system that takes effect July 1. With the transition to the new payroll system, and in an effort to create efficiencies in the HR office, the revised Sick and Safe Leave policy will move to accruing sick and safe leave hours each pay period during the payroll process as opposed to doing a manual entry and eliminate employees using sick leave they have not earned.
For all new hires, they will begin accruing sick and safe leave starting with their first pay, at 6 hours per pay period after approval of this revised policy. For all current full-time employees, they will begin accruing 6 hours per pay on July 1, 2021. The Trustees approved the revised Sick and Safe Leave Policy (03.06.001) on a motion by Ms. Lapp, and second by Ms. Buckel.

Mr. Leonard thanked everyone for attending, wished them happy holidays, and encouraged everyone to stay safe.

Mr. Ronan gave a brief update on UPMC. ACM students are volunteering for UPMC to help relieve the pressure and free up frontline workers. Mr. Ronan noted the assistance from ACM has been tremendous, considering the pressure and challenges on staff. The assistance from ACM has been invaluable.

The Trustees went into Executive Session at 5:05 pm following a motion and second by Ms. Belt and Mr. Ronan, respectively to discuss personnel matters [Article § 3-305(b) (1)], covered under the Maryland Open Meetings Act. If necessary, action may be taken in Public Session as a result of items discussed in Executive Session.

On a motion and second by Ms. Belt and Mr. Ronan, the Trustees returned to Public Session at 5:26 pm to act on the personnel items discussed in Executive Session.

**Faculty Appointments**

Dr. Hoffman presented the credentials of the following faculty:

Cassie Doty, Assistant Professor of Biology, Tenure Track

Hannah Mullan, Instructor of Nursing, Tenure Track

The Trustees approved the three faculty appointments on a motion and second by Mr. Ronan and Ms. Belt, respectively.
