Allegany College of Maryland
Information for Prospective Bidders
Bedford County Campus: HVAC Upgrades Phase II and Phase III

Allegany College of Maryland requests proposals to upgrade the HVAC system in the Bedford County Campus Building.

Prospective bidders should direct questions about the specifications to Adam Phipps, Maintenance Director, at 301-784-5262, or aphipps@allegany.edu

DESCRIPTION OF WORK TO BE PERFORMED:
Per the specifications, the awarded contractor will be expected to remove existing geothermal classroom unit ventilators, ceiling mounted fan coil, electric duct coil, and geothermal circulator pump and install new equipment called for per the specifications including, but not limited to, heat recovery units, thermostats, pumps, well field headers, and condensing units.

ADDITIONAL INFORMATION:
- The awarded contract must review and comply with the Pennsylvania Department of Education’s Construction Clauses, see below for more information.

PDE Construction Clause
- The awarded contractor MUST use State of Pennsylvania Department of Labor’s prevailing wages on this job.

Pre-bid Meeting:
- A **mandatory** pre-bid meeting is scheduled for **Wednesday, November 24\(^{th}\), 2021 at 10:00 AM** in the Conference Room at...

   Allegany College of Maryland – Bedford County Campus.
   18 N. River Ln.
   Everett, PA 15537

Sealed bids in duplicate should be delivered to:

**Bedford County Campus: HVAC Upgrades Phase II and Phase III**
Leah Pepple – Director of PA Advancement and Community Relations
Allegany College of Maryland
18 N. River Ln.
Everett, PA 15537

All bids must be received by Monday, January 3\(^{rd}\), 2022 at 10:00 AM

Award of the bid will be at a later date after an analysis of all proposals. Allegany College of Maryland reserves the right to reject any or all proposals and request other proposals.
Allegany College of Maryland reserves the right to accept any proposal it feels is in the best interest of the college.
Base Bid:

Using the description of work and quantities laid out in the drawings, specifications, and above, please provide a bid for the involved demolition, as well as the furnishing of labor, materials, and equipment required to install each system indicated on the drawings.

State the amount in US dollars to complete the full project.
