

Project Name: Western Maryland Works Weld Fume Extractor Project

EMMA number: BPM048754

Pre-Bid: Wednesday March 12th, 2025 at 10 AM

Bids Due: Friday April 4th, 2025 at 12 PM

Description: Allegany College of Maryland requests proposals to demolish and remove existing weld fume extraction systems in the welding labs found at the Western Maryland Works Building. After successful demolition and removal of existing equipment the contractor shall install two new weld hood fume extractor systems. This includes the ductwork, compressed air systems, power and control wiring, and general construction to allow for the hanging and support of all of these components.

Maryland prevailing wage rates can be found here: <https://labor.maryland.gov/labor/prev/> - under the "Hot Documents" section at the top of the page and then the link "Revised Prevailing Rates - January 30, 2025".

Sealed bids in duplicate should be delivered to:

Western Maryland Works Weld Fume Extractor Project

Sherry Buffenmyer – Director of Fiscal Affairs
