INTRODUCTION TO ALLEGANY COLLEGE *of* MARYLAND

Allegany College of Maryland, founded in 1961, is a publicly supported co-educational community college providing numerous career, technical, transfer, general education, and continuing education programs. Our students receive Associates Degrees, Certificates, Letters of Recognition, and Transfer Credits; many students pursue specific credit and non-credit classes for career development and personal enrichment.

The College consists of two campuses: the main campus in Cumberland, Maryland and the Bedford County campus in Everett, Pennsylvania (established in 1990). The College also manages multiple teaching sites including the Bedford County Technical Center; the Gateway Center in downtown Cumberland which houses the Culinary Arts, Hotel & Restaurant Management, and the Hospitality Management programs; Garrett County Memorial Hospital in Oakland, Maryland which graduates a cohort of twenty registered nurses every other year; the Somerset Education Site which continues to offer early college; and Western Maryland Works (ie, Makerspace) in LaVale, Maryland which offers extensive industrial and technology training. Also, the College offers a wide variety of online and distance learning classes/programs, as well as extensive early college opportunities in local high schools.

The mission of the Allegany College of Maryland Center for Continuing Education and Workforce Development cultivates lifelong learners by providing superior, flexible and relevant workforce education, professional development training and personal enrichment opportunities to enhance economic

advancement and quality of life for our students, partners, and communities.

With opportunities offered at both Bedford County and Cumberland campus locations, Continuing Education Department gives countless options through customized contract trainings, open enrollment courses, professional conferences, certification and licensure courses, and job entry and advancement trainings.

The College is approved for operation by the Maryland Higher Education Commission in Annapolis (Maryland) and is accredited by the Commission on Higher Education, Middle States Association of Colleges & Schools in Philadelphia (Pennsylvania). Local governance is provided by the College's Board of Trustees – appointed members of the local community (Allegany County, Maryland); Allegany College of Maryland is proud to have a highly engaged and inspired Board membership: Kim Leonard (Chair), Jane Belt (Vice Chair), Mirjhana Buck, Linda Buckel, Eugene Frazier, Michele Martz, and James R. Pyles.

This Student Handbook details the many opportunities, services, policies, and procedures that make Allegany College of Maryland the quality institution it has always been and will continue to be.

Allegany College of Maryland is a community resource, proud to contribute to the growth of Allegany County and the Tri-State Area, through the development of Pennsylvania Campus in Bedford County.

Allegany College of Maryland is a tobacco free environment. Violators are subject to discipline which might include censure, restitution, probation, suspension, dismissal, or expulsion. In addition, some of the financial aid programs made available through Allegany College of Maryland or through the State of Maryland require certification that the student recipient remain drug free and avoid the unlawful use of alcohol. Conviction of an alcohol or drug violation in a court or under the College Code of Student Conduct could mean loss of valuable financial aid or scholarships. All college students are encouraged to become familiar with the Code of Student Conduct, the College Drug/Alcohol Abuse Policy, Heroin and Opioid Prevention Awareness Policy, and the College Tobacco Use Policy, each of these policies are found in this Student Handbook. If help is needed, the College's Alcohol and Drug Abuse Resource Manual and additional information/resources can be obtained from the Office of the Dean of Student & Legal Affairs or from the College's website at www.allegany.edu/drugs-and-alcohol. Students and employees at the Pennsylvania campus may contact the Bedford County Campus Student Services Office for resources specific to Bedford County.

ALLEGANY COLLEGE OF MARYLAND | STUDENT & LEGAL AFFAIRS EXPECTATIONS

Our Mission: *We deliver diverse and relevant education centered around student success in a supportive and engaging community.*

EXPECTATION #1: Attend Class. Go to each of your classes each time it meets. Be on time, and stay for the entire class session. If you must miss class because of illness or emergency, check your course syllabus to know the instructor's attendance policy. Make up any missed work promptly. (It is vitally important that you read each course syllabus! It contains what you need to know to be successful in that class; it also tells you what each individual instructor's expectations are.)

EXPECTATION #2 Do the Work. It is true that for every hour you spend in class you should study two hours outside of class. (If you are taking 12 credits, you should be studying/doing homework 24 hours each week.) Read each assignment. Turn in your homework when it is due.

EXPECTATION #3: Ask for Help. If you are having problems with a class or an assignment, help is available. See the instructor. Go to the Student Success Center for a tutor. Form a study group with classmates. Meet with your advisor. But don't wait until it is too late! Waiting until the final weeks of a semester is unlikely to help.

EXPECTATION #4: Read the Handbook. The Student Handbook is full of useful information to help you negotiate the often-roiling waters of college life. It also details the responsibilities of campus citizenship. (Ignorance of the rules is NOT an excuse for breaking them.) The answer to virtually any question you have about Allegany College of Maryland is in this Handbook.

EXPECTATION #5: Respect Others. One of the College's Core Values is Respect. Showing respect means many things, including being courteous in the classroom, hallway, library, cafeteria, courtyard, parking lot – anyplace you encounter other people. Respect also means treating others as you would like to be treated; insulting, humiliating, judging, or ignoring another person hurts feelings. Shouting and cursing are always inappropriate in a learning environment.

EXPECTATION #6: Be Responsible. We trust that you meet all obligations that are part of attending college. As an adult, you must learn to read all notices given to you, mailed to you, or posted for you to read, to show up for work study assignments, to pay your bills on time, and to manage problems/issues yourself without demanding special treatment or immediate gratification.

College is about more than merely attending classes and getting grades. College is about finding and creating opportunities to grow. It is about learning independence, making your own decisions, and becoming a community citizen. We are here to help you learn those things, too.

We promise to treat you with respect, to give you quality education, to act with integrity, to provide you with opportunities to learn and to grow as a person, and to promote wellness in mind, body, and spirit. That's our part. You must do yours.

A. ORIENTATION

All incoming first semester students are strongly encouraged to participate in a new student orientation program. Orientation programs are held at the Bedford County and Cumberland campuses for the Fall and Spring semesters. These Orientation Programs inform incoming students about academic, social, and safety policies/services as well as provide opportunities to engage with College staff, faculty, and other students. Participation in Orientation is critical to student success and reaching academic goals.

1. Cumberland Campus

Multiple in-person and Zoom-only orientation sessions are schedule for each semester; dates are provided online and via email. New students register online for the session that is most convenient for them. Guests are welcome.

In addition to the New Student Orientation, Willowbrook Woods residents must participate in mandatory Willowbrook Woods Orientation immediately following move-in.

One orientation session is scheduled for each semester; the date and time is provided online and via email. New students register online to attend the session. Guests are welcome.

3. Online, Garrett, and other students

Regardless of where/how classes are taken, any ACM student is welcome to travel to either campus to attend a “live” session; since that may not be possible, online students should complete an online orientation session prior to the end of their first semester of attendance” with online students may register for one of the Zoom-only sessions provided by the Cumberland campus or access and complete an online Orientation module via Brightspace.

4. Specific Academic Majors/Programs of Study

Some academic majors/programs have their own, unique orientation programs that address content specific to that area of study; students are notified separately of any requirements by authorized personnel in the academic major/program.

B. STUDENT PHOTO IDENTIFICATION (ID) CARDS

Students at all physical locations/instructional sites are required to obtain an official Allegany College of Maryland Photo ID by the end of the second week of classes of their first semester of attendance and must display or be able to immediately produce their College-issued photo ID card upon request by an authorized College official. This policy does not apply to the following ACM students: those taking exclusively online, remote or virtual classes, or early college students taking courses exclusively in local high schools.

C. HEALTH & WELLBEING

While Allegany College of Maryland offers a variety of resources related to student health/wellness, the College does not offer a clinic or other on-campus medical care. Students are encouraged to review the following important information about resources to promote student health and wellbeing.

1. Medical Care

Allegany College of Maryland does not operate its own health center. Since ACM is a community college, many students already have a local doctor, dentist, or other medical provider, but for other students, the College maintains a list of local health care providers (ie., clinics) to which students may be referred for general or specific medical issues. Allegany College of Maryland does not endorse or recommend any of these health care providers. The list is provided simply as an informational service. It is the student's responsibility to choose his/her own provider and to pay for all medical services. Additionally, each county in our service region has a Health Department which provides numerous medical services/programs. The Cumberland campus is next-door to the Allegany County Health Department and across the street from the hospital: UPMC-WM students are encouraged to utilize urgent care centers for non-emergencies. Students who do not have medical insurance through employee, parent, or other source can inquire about insurance from the state's exchange: <https://www.marylandhealthconnection.gov/>.

2. Medical Emergencies

Sixteen departments throughout the College (or each building of the main campus of Allegany College of Maryland) have a First Aid Kit that is purchased, maintained, and kept current by Campus Safety/Special Police. If you are in need of minor attention (i.e. scrapes, cuts, bee stings, etc.) please go to a faculty/staff office and someone can assist you in locating the closest First Aid Kit. For medical emergencies, call 911.

There are thirteen Automated External Defibrillator (AED) located throughout the Cumberland Campus (Allied Health/Dental, Auto Tech, CE building, College Center, Gym (including travel device), Humanities, Learning Commons, science, Tech Building, WCI Building), Bedford Campus, Makerspace/Western Maryland Works.

**Narcan is in AED storage cases located at the CC, Gym, AH wellness, CE, Tech, and WCI.*

For medical emergencies call 911. Allegany College of Maryland will call 911 for all medical emergencies.

UPMC-WM's Emergency Department is located across the street from the Cumberland Campus.

If you are in need of minor attention at the Bedford County Campus, please go to a faculty/staff office and someone can assist you in locating a First Aid Kit.

3. Public Health Emergencies

Allegany College of Maryland complies with local, state, and national public health directives in the event of any public health emergency. The Covid-19 pandemic is an example of the College's implementing safety/mitigation protocols in response to a public health emergency. When such an emergency occurs, the College will provide information to students, faculty, and staff about the emergency, changes to classes/services/operations, campus requirements, and personal health/wellness guidance. Links to local, state, and national public health resources will be provided, and the College will follow best practices to the greatest extent possible – with everyone's health and safety our top priority. Persons who have questions about any public health emergency, what is required, what has changed, or anything else should check www.allegany.edu, check their ACM email, and/or contact a College Official for help. See the Infectious Disease Policy below.

4. INFECTIOUS DISEASE/CONDITION POLICY

BACKGROUND AND PURPOSE

Allegany College of Maryland is committed to providing healthy and safe teaching, learning, working, living, sporting, and leisure environments for all students, employees and visitors as described below. The College's priorities are both the wellbeing and recovery of any person who is ill and the protection of others from transmission of an infectious disease or condition – particularly those whose immunity to disease is already compromised. Therefore, the College has a responsibility to prevent and/or mitigate the risk of person-to-person transmission of diseases or conditions that pose a risk to others. The College will utilize public health guidance from federal, state, and local authorities and comply with any directives. The College also values the privacy of all persons and meets its legal responsibilities under federal and state privacy laws.

POLICY

I. POLICY STATEMENT

Persons who have been infected with or who have symptoms of an infectious disease or condition as defined in this policy may be restricted from campus and programs/activities while the person is contagious or presents a health risk to others. This policy does not apply to diseases or conditions which are not transmitted person-to-person through casual contact or which are not otherwise regarded as contagious.

II. SCOPE OF POLICY

This policy applies to all Allegany College of Maryland students, employees, volunteers, interns, vendors, visitors, parents, spectators, Trustees, and/or any person who is present on any College property for any purpose. College owned or managed property includes (but is not limited to) Cumberland campus, Bedford County Campus, Somerset County site, Gateway Center, Garrett site, Makerspace, and Willowbrook Woods. This policy also applies to any student or employee who is engaged in any college-sponsored or college-affiliated activity at an off-campus location including but not limited to sporting events, field trips, clinical/practicum course requirements, and conferences. This policy applies while using College owned or rented vehicles.

This policy does not apply to single family dwellings owned by the College and leased as private residences.

III. DEFINITIONS

Clery Notification: Federal law requires colleges to notify students and employees of health and safety emergencies. In a health emergency, the notification will alert the campus community or individual students/employees of a campus outbreak and/or exposure to a person who has been diagnosed or tested positive for a highly transmissible disease/condition. The purpose of the notification is to make those persons aware of the exposure, to provide information about what exposure means, and to advise what steps can be taken to mitigate the risk and to protect exposed persons and others.

Contact Tracing is how public health officials and/or designated College Officials identify persons who have been exposed to an infectious disease or condition.

Endemic is the amount of a particular disease that is usually present in a community. It's also called a baseline.

Epidemic is an increase — often sudden — in the number of cases of a disease above what is normally expected in that population or in a specific area.

FERPA is the Family Educational Rights and Privacy Act, a federal law regarding access to and privacy of student records as detailed in the College's FERPA policy.

HIPAA is the Health Insurance Portability and Accountability Act, a federal law regarding access to and privacy of patient/medical records.

Infectious Diseases and Conditions can also be known as Communicable Diseases which can significantly threaten the health and safety of the College community. There are 4 distinct groups covered by this policy.

Group A: Highly infectious diseases and conditions which transmit person-to-person via casual contact are threats to the health and safety of the College community. Any person who is symptomatic and/or actively contagious with a known infection of a condition listed in Group A should seek immediate treatment and shall be restricted from the College. See Restricted. For purposes of this policy, they include:

- Cholera
- Diphtheria
- Meningitis (viral and bacterial)
- Measles
- Mumps
- Pertussis
- Rubella
- Rubeola
- Smallpox
- Tuberculosis

Group B: Other, less infectious diseases and conditions which transmit person-to-person via casual contact are can be a threat to the health and safety of the College community. Any person who is symptomatic and/or actively contagious with a known infection of a condition listed in Group B should seek immediate treatment and – depending on the unique circumstances – may be restricted from the College. See Restricted. For purposes of this policy, they include:

- Influenza
- Mononucleosis
- Pneumonia

- Methicillin-resistant *Staphylococcus aureus* (MRSA)
- Norovirus
- Covid-19*
*NOTE: asymptomatic persons are bound by this policy and restrictions.
- Hepatitis A
- Sexually-transmitted infections (STIs)
- Varicella (chicken pox)
- MPOX (formerly known as “monkeypox”)

Group C: Bloodborne pathogens which transmit person-to-person can be a threat to the health and safety of the College community. Any person who is symptomatic or actively contagious with a known infection of a condition listed in Group C should seek immediate treatment and – depending on the unique circumstances – may be restricted from the College. See Restricted. For purposes of this policy, they include:

- Hepatitis B
- Hepatitis C
- Hepatitis D
- HIV

Any separate policy specific to bloodborne pathogens that is developed in the future will take precedence over this section and will work in tandem with this policy.

Group D: Any disease or condition identified by the Centers for Disease Control or other recognized public health agency as highly transmissible person-to-person via casual contact including illnesses which qualify as an epidemic or pandemic. Such diseases and conditions shall be addressed as directed by authorized public health authorities, and persons who are infected and/or symptomatic are subject to restrictions as appropriate. See Restricted.

Isolation separates sick people with a contagious disease from people who are not sick. Persons directed to isolate are restricted from the College. See Restricted.

Outbreak is a sudden increase in occurrences of a disease when cases are in excess of normal expectancy for [a limited] location or season – similar to epidemic. An outbreak can be declared an epidemic when the disease spreads rapidly to many people.

Pandemic is an epidemic that has spread over several countries or continents and affects many people.

Quarantine separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick. Persons directed to quarantine are restricted from the College. See Restricted.

Restricted means a person is not permitted to be physically present on campus, to participate in any in-person College-sponsored or College-affiliated activities, or to use College vehicles until they are cleared by an authorized public health official, qualified health care provider, or designated College Official. A person can be *partially* Restricted from designated College locations or activities if indicated by their unique circumstances such as a less infectious disease/condition or sufficient mitigation measures. Full Restriction or Partial Restriction details will be communicated to the person. Written verification that a restricted person has been cleared may be required. College directives regarding when a person may or may not be on campus will be the final word even if a restricted person has been cleared by another authority.

5. Tobacco/Smoking

Effective 8/19/2013, ACM is a smoke-free and tobacco-free college. Smoking and the use of any tobacco or tobacco substitute product (including but not limited to vapor products) is strictly prohibited on ACM property. See the Code of Student Conduct (Section 8 of this Handbook) for details.

6. Alcohol, Drugs and Other Intoxicants

ACM has clear policies about the use and possession of alcohol and drugs (including any other intoxicant or mind-altering substance). Allegany College of Maryland prohibits the possession and use of drugs and alcohol on all college property and in all college-affiliated activities without the express permission of the College President.

Marijuana

Allegany College of Maryland bans the unlawful possession, use, and distribution of illicit drugs and/or alcohol. This ban includes marijuana/weed/cannabis in all forms, including medical cannabis. Although the state of Maryland has legalized Marijuana for medical and/or recreational use, Marijuana remains **illegal at the federal level**. Allegany College of Maryland receives federal funds such as financial aid, student loans, and federal grants. For this reason, ACM must comply with federal laws and regulations. Failure to comply puts ACM at risk of losing federal funds. **Therefore, marijuana/weed/cannabis, in any form, including medical marijuana, is NOT PERMITTED on campus*, nor can anyone be impaired by any substance while on ACM campuses* or teaching sites*.**

** Cumberland Campus, Bedford County Campus, Bedford County Technical Center, Willowbrook Woods, The Gateway Center, Western Maryland Works, ACM sponsored events (activities both on and off campus), and Public Space (parking lots, fields, shops, buildings, parks, sporting events, theaters, bars, etc.).*

Students concerned about their marijuana use are encouraged to reach out to the Director of Student Support or Student Support Coordinator; support, guidance, and community resources for treatment can be provided. Connect by calling 301.784.5206 or stopping by CC12, located on the ground floor of the College Center.

Detailed information about alcohol, drugs, harmful medical/health effects, and legal consequences of illegal use/consumption can be located in the [Alcohol & Drug Abuse Resource Manual](#). Three policies that address student alcohol/drug activity at ACM include: the Code of Student Conduct (Section Ten of this handbook), [Drug & Alcohol Policy](#), and [Heroin & Opioid Policy](#).

Drug use, abuse, and addiction are serious issues. The life-threatening dangers associated with heroin and opioids particularly prompted a 2017 law: All new, full time students are required by Maryland law to participate in heroin/opioid training; this training is provided via D2L/Brightspace, and all incoming students must complete the training before the end of their first semester.. The college urges everyone to be informed and offers educational resources (including treatment information) at <https://www.allegany.edu/drug-and-alcohol-information/index.html> .

Additionally, all Maryland colleges are required to obtain and store Naloxone or other overdose-reversing medication to be used in an overdose emergency situation. Allegany College of Maryland's Campus Security/Public Safety officers as well as other designated employees are trained to recognize the symptoms of an overdose and to administer Naloxone or other overdose-reversing medication.

Always call 911 in an overdose emergency.

If you have any questions or concerns or if you need help, contact the Campus Safety/Special Police by email at dlancaster@allegany.edu or by phone at 301-784-5699 **or** the Office of Student & Legal Affairs by email at rconner@allegany.edu, or by phone at 301-784-5206.

- D. Mind-Body Skills** - ACM has a decades-long partnership with the Washington, DC-based Center for Mind-Body Medicine (CMBM). CMBM works around the globe to share their proven stress-relief model and more than 20 ACM faculty and staff have been trained to facilitate the Center's signature **Mind-Body Skills Groups**. CMBM's signature model of self-care and group support provides easy to learn, evidence-based skills ('mind-body skills') to recognize and mitigate the negative impacts of anxiety and stress on the mind and body. Skills include meditation, breathwork, biofeedback, movement, creative expression, guided imagery and more. Students have several options to learn these transformative skills: a one credit course (IHLT101) or through free Mind-Body Skills Groups, shorter experiential workshops. The CMBM model has consistently received positive feedback from students and groups or workshops are available in person, or on ZOOM.

Mind-Body Skills Groups and workshops provide an opportunity for students to gain an increased understanding about what triggers their stress and how chronic stress can negatively impact wellbeing. Both groups and workshops are offered periodically by employees trained directly by CMBM. They are generally free of charge thanks to support from the ACM Foundation.

ACM also offers a one-credit course **IHLT101 Mind-Body Skills for Health and Wellness**, that incorporates many CMBM tools and is open to all students. The course is taught over the semester or as a 2-day weekend class. Many ACM faculty have also incorporated these student success skills into their program curriculum, so you may have an opportunity to sample Mind-Body Skills many times throughout your time at ACM. We hope you do! For more information about workshops and group, please contact the ACM Resilience Institute at resilience@allegany.edu. For information about IHLT101 (1-credit course), please contact srohrbaugh@allegany.edu.

D. RESIDENCY

POLICY

"Residency" is a legal designation that dictates the tuition that shall be charged to an individual credit student. Residency shall be designated for each full time, part time, and dually enrolled student. Each Allegany College of Maryland student shall have one residency classification. Allegany College of Maryland shall classify each incoming student as in-county, out-of-county, or out-of state for tuition purposes and shall create a process whereby the student may request a change in residency classification or appeal a current classification. This classification and process shall fully comply with the Annotated Code of Maryland and COMAR (including terms and definitions where applicable). Students who are under the age of eighteen years or who are financially dependent upon another person shall be classified in accordance with the residency of the parent, legal guardian, or person upon whom s/he is financially dependent. This policy applies to all Allegany College of Maryland students regardless of which campus or instruction site the student primarily attends.

A student's residency shall be classified upon enrollment at Allegany College of Maryland by the Office of Admission & Registration; this classification shall be determined using information provided by the student on his/her admissions application. This classification upon enrollment creates a rebuttable presumption, and the classification remains in effect as long as the student remains enrolled at the College unless/until the student's domicile changes. If the student disagrees with the classification or if the student's domicile changes, the student may petition for a change in residency and has the burden of showing by clear and convincing evidence that the classification is inaccurate. Petitions to change the residency classification shall be made to the Office of Student & Legal Affairs and must be submitted before the end of the semester for which the change is requested; the student shall be required to submit the necessary documentation with the petition to change residency.

To be eligible for a change in residency, the student must satisfy the following criteria:

- 1.) That the student's domicile or the domicile of the person upon whom the student is financially dependent is located in the locality being claimed; and
- 2.) That the student or the person upon whom the student is financially dependent has maintained this domicile for three months prior to the start of the semester for which the change is requested; unless
- 3.) The student or the person upon whom the student is financially dependent qualifies for an exception or special provision.

After reviewing all the information and any documents provided by the student, the Vice President of Student & Legal Affairs shall determine whether the residency criteria being requested has been met; the decision shall be made in writing and communicated to the student in person, in writing, or electronically. Any student who wishes to appeal this decision may petition the Student Services Appeal Committee via existing committee procedures; the committee's decision is final.

Any student who provides incomplete, false, and/or misleading information related to residency may have his/her residency classification reverted to its original classification and may be subject to disciplinary action pursuant to the Code of Student Conduct. If a reduced tuition rate was obtained as a result of the incomplete, false, and/or misleading information provided, the College reserves the right to retroactively adjust the correct tuition rate for each semester affected.

The Offices of Admissions & Registration and Student & Legal Affairs shall create procedures to implement this policy as it applies to their specific responsibilities. The procedures must be consistent, and all residency determinations must be documented and stored for no less than five years.

Students are required to notify the College of any address change.
The definitions noted below apply to this policy.

A student on academic probation may not hold appointive or elective offices in any student organization. During the period of probation and unless the grade point average was at least 1.50 for the preceding semester, a student may not perform any task in an extracurricular activity which requires more than three hours during any one week. For students at Bedford County Campus, contact the student services office for more information about the specific services, activities, and events organized at this location.

2. Orientation

All incoming first semester students are strongly encouraged to participate in an orientation program. See page 15 for more information.

3. Student Government Association

At Allegany College of Maryland, the Student Government Association (SGA) functions as the governing organization of the student body. It acts on behalf of the students and serves as a liaison between the student body and College administration. Additionally, SGA allocates student activity funds, coordinates campus social/educational activities, and approves new campus student organizations. Student activities are developed according to student interest and available resources. SGA also funds a wide variety of clubs and organizations, including many of those listed in Section 4.

Students are welcome to attend any Student Government Association meeting (which is held weekly) and may contact any SGA member or the Director of Student & Residence Life with ideas for new activities. Students interested in volunteering to help with student activities should contact the Director of Student & Residence Life. Any student of Allegany College of Maryland who plans to seek office or serve on the Student Government Association must be enrolled in at least one course at the Cumberland campus, attempt and successfully complete a minimum of six (6) credit hours per semester, maintain a cumulative grade point average of 2.5 or higher, and must not be on academic or disciplinary probation.

During the Spring semester, current students enrolled in at least one course at the Cumberland campus are sent information that details the qualifications to join SGA and are encouraged to apply if they meet those qualifications for the following academic year term. Once the deadline for applications has passed, the Advisor determines eligibility as defined above. Up to 15 students may serve on SGA in any given year. If there are less than 15 qualified applicants, the Advisor extends offers to serve to those students. Should there be more than 15 qualified applicants, the applicants' names will be placed on a ballot and students will have the opportunity to vote to determine the 15 representatives. The Advisor will notify the selected students and extend offers to serve. Should positions still be available at the beginning of the Fall or Spring semesters, the Advisor may extend the opportunity for nominations over the Summer and into the first 2 weeks of the Fall and/or Spring semester. First semester students may be considered for appointment if there are not 15 members currently serving. They may petition the SGA and must be voted on by simple majority of the current SGA membership. At the end of their first semester, they must have completed at least 6 credit hours and earned a GPA of 2.5 or higher to continue to serve on SGA during the Spring semester.

4. Student Clubs/Organizations

SGA recognizes and funds a wide variety of student organizations/clubs. Clubs are listed below as either "nonacademic," which means that they are open to all students, regardless of the student's program of study or "academic," which means that membership is based on the student being enrolled in that specific program of study. New groups are welcomed, too!

If your interest(s) are not reflected in the list below, you could start a new student club/organization. Interested students should see section 5 for the club recognition process, or contact, Erin Yokum, Director of Student and Residence Life, at her office in the college center, room CC-12, or by email at eyokum@allegany.edu.

A student on academic probation may not hold appointive or elective offices in any student organization. During the period of probation and unless the grade point average was at least 1.50 for the preceding semester, a student may not perform any task in an extracurricular activity which requires more than three hours during any one week.

5. Procedures for Recognition of Student Organizations

Holding an Interest Meeting

Any student with an interest/hobby/passion not reflected in the above list of student clubs/organizations is strongly encouraged to explore forming a new student group by following these steps.

First, submit a Proposed New Student Club/Organization Interest Meeting Request Form to the Director of Student & Residence Life. This form must identify at least one (1) current ACM student in good standing (not on academic or disciplinary probation, continued academic or disciplinary probation, or suspended) and the signature of an ACM faculty or staff member to serve as the proposed organization's advisor. The Director of Student & Residence Life will review the request and can authorize an interest meeting (or multiple meetings if requested on the form). Permission to hold an interest meeting does NOT give the group official recognition by the College or the SGA.

Next, the student(s) and the designated advisor will reserve a campus room, schedule the interest meeting, and promote the meeting to fellow students. All such meetings must be open to any interested student. See "Student Communication and Publications" below for information about how to publicize the interest meeting.

Next, at the interest meeting, the organizers explain the intended group's purpose, solicit other interested students to join, select a group name (if not already selected), and start writing a constitution & by-laws to govern the group's activities. By the conclusion of the interest meeting(s), the organizers should decide if they are prepared to apply for recognition as an ACM Student club/organization.

Applying for Recognition as an ACM Student Club/Organization

The following is the process for becoming a Recognized Student Club/Organization by Allegany College of Maryland:

1. Submit the Application for Recognition as a New Student Club/Organization to the Director of Student and Residence Life. The Application for Recognition as a New Student Club/Organization contains the following information:
 - a. the Name & Purpose of the Organization;
 - b. the Constitution & By-laws for the Organization, which will govern the Organization's operations;
 - c. the Officers for the Organization;
 - d. the names, student ID#s, and email addresses of all proposed members who are current ACM students in good standing at the College (a minimum of five (5) students is required);
 - e. the signature and contact information of the proposed ACM faculty or staff advisor;
 - f. the names of the ACM faculty and/or staff members that should have access to the Organization's College account in Self-Service; and
 - g. the information regarding national, state, or local affiliations with any group or persons not connected with the College, if applicable.
2. Once received, the Director of Student & Residence Life then presents the Application to the Student Government Association for consideration. The SGA shall consider and verify the Application and may request that the petitioners appear before them to provide information and answer questions regarding the proposed organization.
3. The SGA will then vote to either approve or deny the Application. **The name of the College may not be used by the organization until the organization has been officially recognized by the College.**
4. Once approved, the Organization is then considered to be officially recognized by the College and may begin to conduct business as such. A Club Account will be created through the Finance Office, which the Organization will then use to account for any monies raised/spent by the Organization.

5. If denied, the SGA will notify the petitioners of the reasons that the proposed Club/Organization was denied. The students that proposed the new student Club/Organization may then make any changes necessary and resubmit their Application if desired.
6. Any changes to the Club/Organization's Constitution and/or By-Laws **MUST** be approved by the SGA.

Privileges of Official Recognition

Official recognition by the College grants the following privileges to College Student Clubs/Organizations, subject to College procedures and regulations:

- the use of College facilities rent free;
- the use of a College Account to deposit all funds for the Organization;
- the right to request a funding allocation from the SGA;
- the right to publicize events on campus (see Policy on Student Publications and Sales);
- the right to establish dues and money-raising projects within the limits of College rules and regulations.

Maintaining Recognition

At the beginning of each Fall and Spring semester, the club/organization must submit to the Director of Student & Residence Life, a Member Update Form, which contains an updated list of club/organization members and officers, as well as the signature of the club/organization's advisor. Any changes to the club/organization's Constitution/By-Laws or outside affiliations must also be filed with the Director of Student & Residence Life.

"Students may join any club/organization at any time during a semester; the club/organization officer(s) are responsible for maintaining an accurate roster of all members for submission at the start of the next semester."

Student Club/Organization Status

The College via the SGA (which bestows College recognition as detailed above) reserves the right to modify the recognition and status of a student club/organization. Any person with a concern about the operations/activities of an ACM student club/organization shall contact the Director of Student & Residence Life, who may request a written statement detailing the concern. Any modification by SGA must be done by majority vote in an open meeting to which the club/organization officers are invited; absent a showing of misconduct, SGA decisions are final.

Recognized/Active: the club/organization has submitted all the paperwork and been approved by the Student Government Association. At the beginning of each Fall and Spring semester, the club/organization must submit a Member Update Form to the Director of Student & Residence Life. The Member Update Form contains a list of all the student members, a list of officers, certification that there have been no changes to the Constitution/By-Laws, and the advisor's signature.

Probation: the club/organization has not submitted its Member Update Form for the semester. Probation status allows the club/organization to continue functioning with rights and privileges but serves as notice that the club/organization's status is in jeopardy.

Inactive: the club/organization has not submitted its Member Update Form 2 semesters in a row. Rights and privileges are suspended pending submission of a Member Update Form, at which time its status is restored to Recognized/Active.

Defunct: the club/organization has been designated as "Inactive" 2 semesters in a row, has lost all rights and privileges, and has lost all funds accrued. (Any funds in the club/organization's account will be transferred to the SGA.) The club/organization must reapply for recognition following the same process described above.

Suspended: the club/organization violated ACM policy or SGA rules/procedures. Rights and privileges are suspended pending submission of an action plan addressing the violations and appropriate corrective action.

Revoked: the club/organization has engaged in improper fundraising/sales (see below) or has violated other ACM policies or SGA procedures while on probation or suspension. Revocation means the club/organization has lost all rights and privileges and has lost all funds accrued. (Any funds in the club/organization's account

will be transferred to the SGA.) The club/organization must reapply for recognition following the same process described above.

6. Student Communication (General Information)

Students have multiple venues for communicating with other students, faculty, and staff. Aside from face-to-face conversations, students may receive and/or issue information via Self-Service, the College website (www.allegany.edu), email, telephone, student newsletter(s), bulletin boards, fliers/notices, D2L/Brightspace, social media, and faculty-staff mailboxes. (NOTE: with the exception of Willowbrook Woods residents, students do not have mailboxes on campus.) When engaging in verbal or written communication, all students are bound by relevant ACM policies such as the Student Communication Policy, Technology Resource Policy, First Amendment Policy, Code of Student Conduct, and other policies contained elsewhere in this Student Handbook. Federal, state, and local laws also apply (eg. copyright).

Communications related to an academic course should be managed as directed by the particular instructor and/or course syllabus. *See Student Communication Policy (Section H).

7. Student Publications

ACM events, programs, activities, and publications may be promoted by a student club/organization via some/all of the tools listed above. Such materials must identify the authorized club/organization before being communicated on or off-campus. Whenever possible, ACM events, programs, activities, and publications should utilize the College's Desktop and Print Shop services.

Non-ACM events, programs, activities, and publications (eg., fliers) must be approved by the College's Advancement/Public Relations Office which has discretion to determine whether the item(s) may be promoted, consistent with other ACM policies/procedures. All such notices/fliers/posters must be stamped by that Office; generally, they are approved unless they conflict with College policy/procedure, conflict with the College's interest in promoting an educational atmosphere, contain obscenity, promote illegal activity, or endanger the safety/security of persons or property. (Exception: for handbill distribution, political signs, religious tract dissemination, and the like, refer to the First Amendment Policy and the Office of Student & Legal Affairs.)

Business solicitations and commercial sales are not permitted on campus.

Authorized notices/fliers/posters may be posted on designated bulletin boards throughout the campus; anyone wishing to post a notice on a special purpose bulletin board (eg., faculty office boards) must obtain the proper College Official's permission. Notices/fliers/posters may not be hung on walls, windows, or other areas without advance permission from the proper College Official (often the Physical Plant Director). The person/entity posting notices/fliers/posters is responsible for removing the materials immediately following the event, program, or activity being promoted.

The College reserves the right to refuse any promotional endeavors. Any person who disputes a decision by the College to refuse or restrict campus communication and publication may challenge that decision via the Employee Complaint Policy, First Amendment Policy, or similar recourse.

8. Fundraising and Sales *The College-wide Solicitation Policy applies to all campus organizations including student clubs and all fundraising and sales. In accordance with the Solicitation Policy and in summary, students may engage in fundraising...Code of Student Conduct. The entire policy may be found under O. Solicitation Policy and online at <https://www.allegany.edu/student-and-legal-affairs/index.html>*

Students may engage in fundraising or sales of goods/services only in the following circumstances:

- Student club/organization – with approval by the Director of Student & Residence Life
- Charitable organization / cause directly affiliated with student(s) for a specific, identified purpose – with approval by the Director of Student & Residence Life
- One-time sale/lease of personal property
- Special or unique situations – with approval by the College President

All funds raised by student clubs/organizations must be for a designated (and approved) club/organization purpose; all funds must be deposited into an approved ACM account; no funds may be dispersed for the personal benefit of any club/organization member; and all financial transactions must be conducted in compliance with guidelines established by the Director of Student & Residence Life in consultation with the Finance Department.

Business solicitations and commercial sales are not permitted on campus.

NOTE: Financial Aid accounts in the Campus Store are for the direct educational expenses of the student whose name is on the account or for whom a Financial Aid refund is anticipated. Misappropriation of those dollars for any other purpose is not permitted.

Student clubs/organizations who violate these provisions are subject to the suspension or revocation of their privileges and/or recognition status. Any student who violates these provisions is subject to disciplinary action under the Code of Student Conduct.

F. FIRST AMENDMENT SPEECH & EXPRESSION POLICY

BACKGROUND AND PURPOSE

Allegany College of Maryland honors the United States Constitution and recognizes its responsibility as a public institution to protect the rights articulated in the First Amendment: freedom of speech, religion, assembly and association within the context of its educational mission and without preferential treatment. This policy highlights how persons can exercise their speech and expressive rights with reasonable time, place, and manner restrictions free from discrimination or unconstitutional content-based restrictions by the institution. Allegany College of Maryland values the exchange of ideas and encourages all students, employees, and community members to value the principles of free speech and expression – including speech and expression with which an individual might disagree, which is controversial, or which an individual might find personally offensive.

V. TIME, PLACE AND MANNER RESTRICTIONS

In order to maintain healthy, safe, and orderly learning as well as institutional operations, the College adopts the following reasonable time, place, and manner restrictions on protected expressive activity:

- Participants must comply with health/safety directives from authorized College Officials or local officials.

VI. INSTITUTIONAL REQUIREMENTS, PERMISSIONS, AND PROHIBITIONS

The College must

- Approve a planned event request event/activity unless the expressive activity event violates College policy, presents an imminent, credible threat to the community, or is deemed unhealthy/unsafe pursuant to risk management assessment; if the event/activity request is denied, the College must notify the sponsor(s), provide the reasoning, and provide an opportunity to appeal.

The College may

- Prevent or cancel any activity/event if there is an imminent and credible threat to the community that cannot otherwise be mitigated.
- Take action during any event if protests or counter-speakers undermine the rights of speakers or their sponsors. The College will not allow a lawful First Amendment activity to be interfered with by others. Reasonable steps will be taken to preserve the speech/expressive rights of all persons.
- Charge facility rental fee – as long as the fee and process are consistent for all persons/groups
- Assess other fees/costs as necessary. Examples include restitution for damaged property.

The College may not

- Make decisions based on the content of any speech/expressive activity related to:
 - > First Amendment activities/events
 - > Student club/organization funding
 - > Facility use or rental
 - > Funding, grants, procurement, and/or

G. FIRST AMENDMENT RELIGIOUS FREEDOM POLICY

BACKGROUND AND PURPOSE

Allegany College of Maryland honors the United States Constitution and recognizes its responsibility as a public institution to protect the rights articulated in the First Amendment: freedom of speech, religion, assembly and association within the context of its educational mission and without preferential treatment. Allegany College of Maryland honors the religious heritage of all persons and encourages all students, employees, and community members to value the principles of religious freedom – including showing respect to persons whose religious beliefs and practices differ from their own. Allegany College of Maryland complies with Title VI of the Civil Rights Act of 1964 which protects students from discrimination based on a student's actual or perceived ancestry/ethnicity or citizenship/residency in a country with a dominant religion or distinct religious identity; Maryland complies with Title VII of the Civil Rights Act of 1964 which protects employees from discrimination based on religion. Allegany College of Maryland adheres to its own non-discrimination statement. This policy codifies the College's compliance, implements 2023 legislated requirements in Maryland (Accommodations at Public Institutions for Religious Beliefs), and highlights how persons can exercise their religious rights with reasonable time, place, and manner restrictions free from discrimination or unconstitutional content-based restrictions by the institution. This policy is a companion to the First Amendment Speech & Expression Policy.

Non-Discrimination Statement as Required by Federal Directive effective 2/28/25

Allegany College of Maryland does not discriminate on the basis of federally protected classes of race, color, national origin, religion, sex, age, disability, and veteran/military status in matters affecting employment or in providing access to programs and activities. Allegany College of Maryland recognizes and complies with additional protections for employees and/or pursuant to state law.

POLICY**I. SCOPE OF THE POLICY**

This policy applies to constitutionally protected religious activity as defined herein. This policy applies to all students, faculty, staff, and any person lawfully on College property which includes all campuses, instructional sites, and any property owned or managed by Allegany College of Maryland including – but not limited to – buildings, parking lots, access roads, vehicles, and fields/lawns. II. POLICY STATEMENT

Allegany College of Maryland shall not interfere with the rights of persons lawfully on campus to engage in constitutionally protected religious activity subject to reasonable time, place, and manner restrictions. No constitutionally protected religious activity shall be restricted based on content or viewpoint nor will the College discriminate based on religion. Harassment by any person of another person based on religion is prohibited; retaliation is prohibited. The College will provide dedicated space on the main Cumberland, Maryland campus for individual students and employees to engage in protected religious activity and, when requested, the College will provide reasonable accommodations for individual students and employees. Distributing religious materials, expressing religious beliefs on campus, holding a rally, and similar forms of protected speech/expression are subject to the companion First Amendment Speech & Expression Policy which applies to both planned and spontaneous events/activities.

III. DEFINITIONS

For purposes of this policy, the following words/phrases are defined as

- A. Protected religious activity: Events, practices, and observances that are covered by the First Amendment, federal laws, and Maryland law. H. STUDENT COMMUNICATION POLICY

Background

Allegany College of Maryland must have efficient and timely methods of communicating with students. The advancement of technology facilitates communication while simultaneously saving money. These advances permit information to be shared quickly and easily for the benefit of students and the College generally; the College is committed to promoting effective communication campus-wide.

Allegany College of Maryland recognizes importance, frequency, and ease of students' communication with fellow students, College officials, and members of the public. Allegany College of Maryland also recognizes the widespread use of the internet and electronic devices to interact with other people through text, images, and sound. While these media have numerous positive benefits for students, technology carries risks such as:

- interference with orderly academic endeavors,
- inappropriate disclosure of confidential information,
- inappropriate disclosure of personal information and/or photographs,
- inappropriate and/or unauthorized publication(s),
- dilution of professional, academic relationships,

- damage to the College's reputation in the community,
- damage to personal relationships,
- violations of the Code of Student Conduct,
- violations of local, state, and federal laws such as copyright or trademark infringement,
- civil liability for torts such as defamation,
- violations of website rules / terms of service, and
- jeopardizing future employment.

POLICY

Whenever possible, Allegany College of Maryland will communicate with students electronically. Examples include email, E-safe, college website, other internet presence, and student portal; this policy shall apply to new technological methods of communication as they are developed and adopted. The College will provide the necessary infrastructure for appropriate tools. (See Technology Resources Policy for details.) Such methods of communication shall constitute official communication by the College and may replace paper communication wherever paper communication had previously been required and/or used.

** All College employees are strongly encouraged to use electronic means to communicate with students.

** All students are required to monitor their College electronic communication tools regularly and frequently; it is the students' responsibility to read all communications and to respond as necessary.

As members of the College and the larger community, students are expected to communicate with others using the means and manner consistent with the standards of an institution of higher education; Allegany College of Maryland is a place of learning, and activity which inhibits or interferes with learning or other College functions will not be permitted.

Students shall not use any means of communication to abuse, harass, threaten, bully, or otherwise harm any person. (See Code of Student Conduct for details.)

Students shall not use any means of communication to disrupt instruction, learning, or other College functions; likewise, priority shall be given to uses of electronic communications and/or technology which promote academics.

The personal use of the internet and/or electronic devices by students **outside the classroom or other learning sites** shall not be infringed; such **personal** use shall not constitute official College communication, and the College is not responsible for the content of students' personal communications. However, the College reserves the right to act upon personal student communications when such communication has a negative impact upon any official function of the College including instruction, health, safety, and public relations. Nothing in this policy shall be construed to restrict any person's right to avail themselves of civil remedies.

Students shall not use the College's logo(s), trademarks, letterhead, or other intellectual property without prior consent from the authorized College official. Students shall not create an internet presence or a publication that purports to be official or authorized by the College without prior consent from the authorized College official.

Related Allegany College of Maryland policies maintain their full force and purpose (eg., Technology Use Policy, First Amendment Policy, FERPA, HIPAA, career program curricula/handbooks, Code of Student Conduct, etc.).

Students who are interested in living on-campus must apply separately to Willowbrook Woods. The application, basic information, and the Housing Guide which details everything related to Willowbrook Woods is located online at <https://www.allegany.edu/student-housing/index.html>.

J. OFF-CAMPUS HOUSING

For students looking for living accommodations off campus, the Office of Student & Legal Affairs maintains a list of off-campus housing options. This list is a collection of off-campus, private housing from area landlords. The College maintains the list for convenience purposes and the College assumes no responsibility for the condition of housing listed and does not make inspections. The College is not involved in any way with the contractual relationship between the student and the landlord/manager. Upon request, the list is mailed (or emailed) to prospective students and/or can be picked up at the office. Students are also encouraged to check with the local newspaper and realtors for additional listings. For further information on off-campus housing, please contact the Student & Legal Affairs' office at 301-784-5206.

All College policies – including the Code of Student Conduct – apply both on and off campus.

K. CALENDAR OF EVENTS

A calendar of events is created and publicized on the calendar on the College's website under ACM Events. Students are encouraged to use the online calendar to plan their activities – recreational, sporting, and educational. Students are also notified of upcoming events sponsored by the Office of Student Life and the Student Government Association via their student email.

- Be on time for the bus you need; drivers cannot wait for you.

Never get into a vehicle unless you know it is a legitimate driver. Never get into a vehicle if the driver is under the influence of any intoxicating/mind-altering substance. Never accept a ride from someone you do not know. Be sure you know the cost of the ride and how to pay. Follow personal safety practices at all times.

N. ANIMALS ON CAMPUS POLICY

Created 2021, Approved by Board of Trustees 9/21/21, Implementation Date 10/01/21

Background and Purpose

Allegany College of Maryland has had a long-standing practice prohibiting animals from campus; campus signage prohibits dogs, and other institutional policies (i.e., the Code of Student Conduct 2006 and 2020 revisions as well as Willowbrook Woods Housing Guide) restrict animals. However, the College has not had a written, comprehensive policy addressing animals on campus and college owned/managed property until now. For purposes of ADA/504 compliance as well as campus safety, health, and efficient operations, a policy is needed. This policy closes that gap.

STANDARDS

I. SCOPE OF THE POLICY

This document applies to any property or facility owned or managed by Allegany College of Maryland and to all persons who enter such property.

II. POLICY STATEMENT

Allegany College of Maryland prohibits animals on college owned or managed property unless specifically exempted by law, this policy, or other policies/procedures. Permitted exemptions are:

- C. Fish in Willowbrook Woods;
- D. Police dogs conducting law enforcement business or as part of an educational program when accompanied by its designated law enforcement handler; and
- E. Special Requests which have been approved pursuant to Section VIII below.

 - 8. Animal may not be permitted to make excessive noise or other disturbances.
 - 9. Animal may not be aggressive or dangerous.
 - 10. Under no circumstances may a person abandon the animal on ACM property.
- B. Violations of these standards and/or operational procedures could result in the animal's removal and/or adverse action by the College in accordance with relevant policies/procedures. Exceptions may be made for police dogs engaged in lawful and necessary law enforcement activities as directed by their law enforcement handlers.
- C. Other persons with health/wellbeing restrictions will not be required to interact with an animal. Medical needs relative to any animal required or permitted on campus should be referred to the ADA/504 Coordinator.

IV. DEFINITIONS

Service Animal: a dog or miniature horse that has been individually trained to do work or to perform a specific task(s) for an individual with a documented disability. The task(s) must be directly related to the person's disability. The Service Animal must already have completed training to qualify as a Service Animal under this policy. Service Animals are permitted on college property.

Emotional Support Animal (ESA): an animal that provides therapeutic benefit for an individual with a documented mental or psychiatric disability to have equal opportunity to use and enjoy a dwelling. It is not a pet. ESAs are not, by law, service animals. Unlike a Service Animal, ESAs do not perform work or tasks under the Americans with Disabilities Act; ESAs alleviate or mitigate symptoms of the documented disability. There must be a relationship between the disability and the assistance or therapeutic benefit the animal provides in the dwelling. They are permitted only in Willowbrook Woods if approved pursuant to that policy and procedure. ESAs are not permitted on any other college property.

V. PERMITTED ACTS

- A. The following actions are permitted by individuals who have a service animal on campus property:
 - 1. To take the service animal wherever the individual is permitted to go. Any restricted access that applies to the person also applies to the service animal.

- B. The following actions are permitted by College Officials who encounter a service animal on campus property:
 - 1. To ask if the service animal is required because of a disability,
 - 2. To ask what work or task the service animal has been trained to perform
 - 3. To contact the ADA/504 Coordinator with any questions or concerns about the service animal.
- C. The following actions are permitted by individuals who have a law enforcement or military dog on campus property:
 - 1. To take the dog wherever the individual is permitted to go. Any restricted access that applies to the person also applies to the dog.
 - 2. To perform their duly assigned law enforcement or military duties.
 - 3. To provide information or to educate other persons about the dog's work.

VI. PROHIBITED ACTS

- A. The following actions are prohibited by individuals who have a service animal on campus property:

- 2. Do not harm the animal or interfere with the animal in any way.
- 3. Do not feed the animal.
- 4. Do not separate the person from their animal.
- 5. Do not inquire for details about the person's disabilities. The nature of the person's disability is a private matter.

VIII. SPECIAL REQUESTS

Other animals may be permitted on campus property upon the submission of a written request to the Office of Student & Legal Affairs no less than 7 business days in advance. The written request must state the reason for the request, a description of the animal(s) such as species and size, the specific date/time requested, a description of where the person and the animal(s) will be on campus property, a description of the planned activity, and proof of current vaccinations. Requests shall be considered on their merits and in consultation with appropriate College Official; decisions shall be entirely within the College's discretion to approve, modify, or deny. Approved requests are privileges, not rights. Access may be restricted to designated campus locations. Any animal(s) permitted on campus under this provision must comply with the Exemption Standards listed in III above. Any violation of the Exemption Standards or false information provided in the written request will result in the animals' immediate removal.

IX. WILDLIFE

Wild animals will be seen on campus. The policy does not apply to roaming wildlife over which no person has asserted ownership, custody, or control. Any person who has asserted ownership, custody, or control over a wild animal is subject to this policy and should consult federal, state, and local laws regarding such ownership, custody, or control. Persons who encounter wildlife on campus shall not handle the animals, harass the animals, or otherwise interfere with their presence on campus unless the animal is dangerous. Dangerous animals or wildlife should be reported to Campus Safety/Special Police and/or local authorities.

Allegany College of Maryland shall adopt necessary procedures to implement this policy.

XI. OTHER PROVISIONS

Application of this document may directly or indirectly require the application of other institutional policies; nothing in this document shall be construed to prohibit the application of related policies which include but are not limited to the policies listed here. If the application of this document conflicts with the application of another institutional document, the College will make a good faith effort to comply with all mandates. Related policies: Willowbrook Woods Animal Policy/Procedure, Code of Student Conduct, Non-Discrimination, Safety Risk Policy, HR policies, and relevant College policy regarding ADA/504 compliance.

XII. ADMINISTRATION OF POLICY

Dean of Student & Legal Affairs is responsible for the implementation, administration, and oversight of this policy in consultation with other College Officials and/or General Counsel as needed. Questions, concerns, and reports of non-compliance should be promptly reported to the Office of Student & Legal Affairs.

XIII. CHANGES

Substantive changes to this policy require approval by the Board of Trustees; editorial changes, title/position changes, and/or changes to its implementation procedures may be made as required by federal or state mandate and/or institutional need with timely notice to students and employees.

O. SOLICITATION POLICY

BACKGROUND AND PURPOSE

The College has not had a formal, college-wide policy addressing solicitation; it has had practices that have evolved over time to manage requests by persons/groups (college-affiliated and unaffiliated third parties) to solicit purchases, donations, memberships in organizations, and the like. The College's Student Handbook prohibits commercial activity on campus and details the process for student clubs/organizations to be created and to engage in fundraising. Questions often arise over whether third parties can sell products on campus, solicit customers on campus, and/or advertise on campus. Such questions also include which institutional office/official is responsible for managing such requests and any approved activities. There can sometimes be overlap with the College's First Amendment Speech and Expressive Activity Policy as well as other institutional policies and practices. The First Amendment policy clarifies what, when, and how constitutionally protected activities may occur on campus – both planned and spontaneous activities. The purpose of this policy is to create the structure and the oversight for commercial activity, business solicitation, advertising, charitable solicitation, institutional fundraising, job recruitment, military recruitment, memberships/unions, and similar activities.

II. POLICY STATEMENT

Allegany College of Maryland permits solicitation on property owned or managed by the College only as authorized by this policy and, where authorized, within the limits of reasonable time, place, and manner restrictions. Advance approval may be required. Official College groups such as student clubs/organizations, constituency groups, academic programs, and operational units/offices have greater flexibility to solicit on campus than external or unofficial groups. Unless required for an employee's job or for a student's class, no person may be compelled to participate in any solicitation activity.

This policy also covers the subject of access to and disclosure of computer-stored information, voice mail messages and e-mail messages (created, sent, or received) by Allegany College of Maryland's employees, and the College's rights and responsibilities in providing access to and control over its property. Technology resources and their uses are governed by college policy as well as federal, state and local laws. Individuals who inappropriately or illegally use college technology services and resources may suffer all applicable college and legal penalties for such misuse.

Access to and use of the College's technology resources are privileges granted solely to Allegany College of Maryland faculty, staff, students, and those with special accounts. These privileges can be modified, limited, extended, or revoked at the discretion of the college with or without prior warning or consent.

Scope

This policy and additional guidelines for using resources apply to the use of all technology resources at Allegany College of Maryland.

Policy

1.0 Governance of General Use

- 1.1 All College technology resources are designed and intended for academic and administrative use. Alternate uses may be restricted or prohibited at the discretion of the college, especially when these uses conflict with or interfere with academic and administrative functions.
- 1.2 College technology resources are not to be used to create any threatening, abusive, or disruptive messages. Allegany College of Maryland does not discriminate against any individual for reason of race, sex, color, religion, national/ethnic origin, age, veteran status, condition of disability, or sexual orientation. Allegany College of Maryland also has "Principles of Conduct" for all employees; among these principles are prohibitions on immoral/unethical conduct, offensive/brutal treatment of students and colleagues, and disparagement of colleagues. Finally, the College has a Sexual Harassment policy that prohibits – among other things – conduct that has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive work environment. The College's computers, Internet, email, and voice mail systems may not be used to violate these standards.

A user's attempt to disguise or otherwise obscure the identity of the credentials or resources he or she is using is prohibited. Attempts to gain unauthorized access to technology resources are prohibited.
- 2.3 All persons shall abide by the terms of all software licensing agreements and copyright laws. Unauthorized copying of copyrighted software is prohibited. - 3.3 Unauthorized attempts to uncover or exploit security loopholes are prohibited. If such a loophole is discovered, the user is required to report his or her findings to the Computer Services department.

These acts include, but are not limited to, sending mass mailings or chain letters, creating unnecessary multiple jobs or processes, obtaining unnecessary output, or printing or creating unnecessary network traffic.

- 4.3 The College maintains the right to, but does not regularly monitor voice mail or electronic mail messages. The College will, however, inspect the contents of computers, voice mail or electronic mail in the course of an investigation triggered by indications of unacceptable behavior or as necessary to locate needed information that is not more readily available by some other less intrusive means. The contents of computers, voice mail, and electronic mail, properly obtained for some legitimate business purpose, may be disclosed by Allegany College of Maryland. Allegany College of Maryland's President or his/her designee will grant or deny any request for access to the contents of an individual's computer, voice mail, or electronic mail prior to access being made without the individual's consent. E. PERSONAL ELECTRONIC ACCOUNT PRIVACY PROTECTION POLICY

Background and Purpose

The Maryland General Assembly passed legislation that became law which requires all institutions of higher education to adopt and implement policy to protect students' personal social media privacy. This policy prohibits certain acts by the College and grants rights of civil recovery and damages for violations of the policy. In short, the policy prevents College officials from requiring or requesting students to allow the College access to their personal social media.

Policy

I. SCOPE OF THE POLICY

This policy applies only to students' personal accounts and not to accounts created, owned, or managed by College or officials acting on its behalf. This policy's protections apply to current students, prospective students, and applicants to the College whether classes are taken for credit or non-credit. - Add any individual to his/her list of contacts associated with a personal electronic account; or
- Change the privacy setting associated with a personal electronic account; or

This policy does not create a duty requiring Allegany College of Maryland to search or monitor the activity of any personal electronic account;

This policy may not be construed to make Allegany College of Maryland liable for failing to request or require a student to grant access to, allow observation of, or disclose information that allows access to or observation of the individual's personal electronic account.

SECTION TWO:

REGISTRATION FOR COURSES AND ADDING/DROPPING COURSES

I. REGISTERING FOR COURSES

All students are expected to register for classes within the registration dates listed in the College calendar. Students are requested to make appointments with their advisors or the Advising Center prior to beginning the registration process. Registration Deadlines will vary for courses with beginning and ending dates different from the regular semester calendar.

II. ADDING A COURSE

Courses added during the first week of classes require permission of the instructor and the approval of the advisor. To Add a course(s), the student must prepare a Course Registration Form, have it signed by the advisor, and have it recorded in the Registration Office.

The College reserves the right to cancel a course in which there is insufficient enrollment.

III. DROPPING A COURSE

Course drop or withdraw process is available to the student on-line and in office prior to the first day of the semester. Once the semester begins, the process requires the student to complete the Course Registration Form and have it recorded in the Registration Office based on the below time-frame:

A course dropped or withdrawn prior to the first day of the semester or within the first 20% of the course will not be included on the student's transcript.

A course dropped or withdrawn after the 20% and before 60% of the course will be recorded with a "W" grade on the student's transcript.

A course may not be dropped by a student after 60% of the course.

A course dropped by the instructor after 60% of the course will be recorded with an "F" grade on the student's transcript.

Students indebted to the College at the time of withdrawal will be obligated to fulfill the financial obligation. Extenuating circumstances, such as illness, must be documented and will be reviewed individually.

IV. REPEATING A COURSE

Except where noted differently in the course descriptions, a student may take the same course for credit no more than three times. Additional attempts will require the approval of the Department Chair and instructor of the course. (For purposes of this section, "take" shall include courses in which the student receives a grade of A, B, C, D, F, W, R, or X).

To receive quality points for any course previously taken at Allegany College of Maryland, that course must be repeated and passed at this institution.

For Student Financial Aid the Department of Education regulations state that federal student aid funds can only be used to pay for one repeat of a previously passed course. Successful completion includes grades of "D" and above. This regulation must be followed even though our academic policy noted above allows some courses to be repeated for credit up to 3 times. Failed classes which are repeated will be paid for indefinitely.

VII. VETERAN'S SERVICES

The Office of Veteran Services serves the needs of individuals eligible for educational benefits through the Department of Veterans Affairs (VA). The Veteran Service's office is here to serve all veterans, military service members, veteran's dependents and others eligible for educational benefits with concerns or questions regarding benefits, enrollment certification or other matters relating to VA or educational benefits. The office is located in College Center, in the Advising Center on the Cumberland Campus. The Veteran Services phone number is 301-784-5209. It is prudent for new, re-entering or returning students, who are or may be eligible for VA benefits, to contact the Office of Veterans Services prior to registration to ensure that all necessary VA paper-work is properly initiated. Please keep in mind, eligibility for educational benefits is determined by the VA. Eligibility for VA educational benefits bears no relationship to an individual's indebtedness to Allegany College of Maryland.

According to Public Law 94-502, a veteran needs to consider the following:

1. Audited Courses ("R") - These courses do not result in credit being granted toward graduation. Because no credit toward an educational objective can be earned for such a course, it is not properly part of the student's approved educational program. Subsequently, no benefits can be earned for taking audited courses.
2. Nonpunitive Grades - At Allegany College of Maryland, nonpunitive grades are "W" and "X." These grades, whether upon completion of the course or at the time of withdrawal, have the effect of excluding the course from consideration in determining progress toward fulfillment of requirements for graduation. No credit toward graduation is granted for such a grade, nor is there any effect on other graduation factors imposed by school policy, such as grade point average. Courses in which "W" and "X" grades are received are equivalent to audited courses for purposes of advancement toward graduation.
 - a. The "W" Grade - A "W" grade (withdrawal grade) is granted to students up until the first week after mid-term. If you receive a "W" grade (for instance, going from twelve to nine credit hours; nine to six credit hours; or to six or less credit hours), the difference has to be repaid to the V.A. depending on the amount of benefits paid. However, if there are mitigating circumstances, this policy may be waived.
 - b. The "X" Grade - In relation to the "X" grade, veterans no longer have the opportunity to use the "X" grade. In the event you receive an "X" grade at the end of the semester, you have to repay the difference accrued between twelve or nine credit hours, or six or less credit hours. There are also a number of mitigating circumstances that can affect the recipient of an "X" grade.

3. Punitive (Failing) Grade - This is a grade assigned for pursuit of a course which indicated unacceptable course work and no credit granted toward graduation for that pursuit. Although this type of grade results in no credit, it is distinguished from a nonpunitive grade by the fact that it is considered in determining overall progress toward graduation in that a penalty is exacted in a school graduation requirement, such as a grade point average. A course for which a punitive failing grade is assigned is not equivalent to an audited course because the grade is computed into a graduation requirement.
4. Changes of Academic Status - All Veterans must report any changes of academic status to the Veterans Affairs Coordinator located in the Registration Office.

Allegany College of Maryland, which has a long history of helping military veterans transition to rewarding civilian careers, has recently opened a new Veteran's Center on campus that gives these students a place to call their own. The Veterans Center is located in the Humanities Building and features several Internet-linked computer stations, a seating lounge and a small kitchen.

SECTION THREE:

STUDENT FINANCIAL AID

I. INFORMATION AND POLICIES

By distributing funds according to need, Allegany College of Maryland's financial aid program makes it possible for the greater number of students, regardless of their financial circumstances, to continue their education. Currently, 89.2% of all enrolled students at Allegany College of Maryland receive some form of financial aid.

In addition to having its own funds, Allegany College of Maryland participates in most federal programs. Residents of Maryland, Pennsylvania and District of Columbia are also eligible to receive state scholarships from their respective states. Last year, Allegany College of Maryland disbursed more than \$17 million in funds from local, state, and federal programs.

Students applying for financial aid are considered for all programs for which they are eligible. The amount of financial aid awarded is generally a combination of grant, loan, and employment monies. The financial aid package is based on the financial need of the student and/or parents as determined by a federally mandated formula. Financial need is the difference between a college's cost of attendance (COA) and your family's ability to contribute to those costs, which is represented by the Student Aid Index (SAI).

Allegany College of Maryland's Office of Financial Aid complies with federal and state laws and regulations which can be subject to change; the Office will comply with mandated change in eligibility and awarding of financial aid. Students should contact a Financial Aid Office staff member if they have questions.

Financial Aid Sources

The college participates in a number of federal financial aid program, some of them highlighted below. In addition to these federal programs, you may apply for and qualify for state financial aid:

Maryland resident: www.mhec.maryland.gov- FAFSA completed by March 1
Pennsylvania resident go to www.pheaa.org- FAFSA completed by May 1

Federal Pell Grant - gift aid, not to be repaid; full-time, part-time (6-11 credits), and less than part-time (1-5 credits) students eligible.

Federal Supplemental Educational Opportunity Grant (FSEOG) - gift aid, not to be repaid; full-time and part-time (6 to 11 credits) students eligible.

Federal Work-Study (FWS) - Part-time employment on or off campus; pay rate is \$15.00/hour; full-time or part-time (6 to 11 credits) students eligible. Students employed in the America Reads Program receive \$17.00 per hour. Funds are also available for summer; and students must complete the summer work-study application which is available in the Student Financial Aid Office or on our website.

William D. Ford Federal Direct Loan Program – Subsidized Stafford Loan – A Federal Direct Subsidized Loan is a need-based student loan offered through the Federal Student Aid program. It's available to undergraduate student who demonstrate financial need as determined by their cost of attendance expected family contribution, and other financial aid received. A key benefit is that the government pays the interest on the loan while the borrower is in school at least half-time, during the grace period after leaving school, and during approved deferment periods.

William D. Ford Federal Direct Loan Program – Unsubsidized Stafford Loan – A Federal Direct Unsubsidized Loan is a type of federal student loan available to undergraduate, graduate, and professional students to help cover the costs of higher education.

Federal PLUS Loans (Parent Loan for Undergraduate Students) - A Federal Parent PLUS loan is a type of federal student loan that parents of dependent undergraduate students can borrow to help pay for their child's education. It's taken out in the parent's name and is based on their creditworthiness.

How to Apply

Students must complete the Free Application for Federal Student Aid (FAFSA). Parent borrowers (PLUS) must visit <https://studentaid.gov> to complete the parent loan application process. Students should apply for financial aid as soon after October 1 as possible for each academic year for which they will be enrolled, i.e., October 1, 2024 for 2025-2026 academic year. Applications received by March 1 for Fall semester and November 1 for Spring semester will be given first consideration for all types of financial assistance. The FAFSA completed on the web at <https://studentaid.gov>. Additional information, including the required forms, on student financial aid may be obtained by calling 301-784-5213, by visiting the Student Financial Aid Office located in the College Center Building, or by emailing studentfinancialaid@allegany.edu.

Satisfactory Academic Progress Policy (SAP)

Students must be making satisfactory academic progress in order to receive financial aid. SAP requires a minimum GPA, successful completion of 67% of courses, and program completion within 150% of program length. Copies of this policy may be obtained from the Student Financial Aid Office or on the ACM website at <https://www.allegany.edu/financial-aid/satisfactory-academic-progress.html> under "Student & Consumer Information." Students who fail to meet SAP risk termination, so students should always consult a Financial Aid Officer prior to dropping or not attending a class.

Refund Policy for Title IV Recipients

As required by the Higher Education Amendments of 1998, the Student Financial Aid Office will recalculate the Title IV federal financial aid eligibility for any student who officially or unofficially withdraws, drops out, or is dismissed from Allegany College of Maryland prior to completing 60% of the enrollment period.

Title IV Federal Financial Aid refers to the federal programs ACM participates in as authorized under the Higher Education Act of 1965 (as amended) and includes the following programs: Unsubsidized Federal Direct Student Loans, Subsidized Federal Direct Student Loans, Federal Direct PLUS Loans, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, and the Iraq/Afghanistan Service Grant.

A student's withdrawal date will be determined as:

- a. the date the student began the institutional withdrawal process or officially notified the institution of intent to withdraw; or
- b. the midpoint of the period for a student who leaves without notifying the institution; or
- c. the student's last date of attendance at a documented academically-related activity.

Recalculation of federal aid is based on the percent of earned aid which is determined by one of the following:

- a. If the day the student ceased attendance occurs on or before 60% of the enrollment period, the percentage of federal aid earned is equal to the percentage of the semester that was completed. Example: Student attends 40% of the semester, he/she earns 40% of the aid disbursed or that could be disbursed.
- b. If the student ceases attendance after completing 60% of the enrollment period, all federal aid is considered to have been earned.

The difference between the earned aid and the total aid that was disbursed or could have been disbursed is "unearned aid."

Unearned aid must be returned to the appropriate Title IV financial aid program. If the calculations determine that "unearned financial aid" has been credited to the student's billing account, the institution will return those funds to the appropriate federal program. However, the student will then be responsible to the institution for any outstanding charges that remain when funds are returned.

Calculations may also show that students are now ineligible for refunds of federal grants and/or loans that they have already received.

NOTE: Students who are responsible for returning “unearned financial aid funds” must make arrangements with the Business Office for prompt repayment of the funds.

Title IV Funds must be returned in the following order as required by law:

1. Unsubsidized Direct Stafford Loan (other than Plus)
2. Subsidized Direct Stafford Loan
3. Direct Plus Loan
4. Federal Pell Grant
5. Iraq/Afghanistan Service Grant
6. Federal Supplemental Educational Opportunity Grant

NOTE: Calculation worksheets and examples are available in the Student Financial Aid Office.

STUDENT FINANCIAL AID DISBURSEMENT PROCEDURE: Student Financial Aid refunds from our Billing Office will be made available to students after all tuition, fees, books, and Willowbrook Woods charges have been paid in full, meaning the first financial aid payment received by the Billing Office will pay for expenses until the account is paid in full. Students will need to budget accordingly.

In addition, students who plan to use financial aid funds to pay for Willowbrook Woods must have a completed and verified file before July 1 for the fall term.

Bedford County Campus: Representatives from the Student Financial Aid Office have regularly scheduled appointments at this campus. Please call the Bedford County Campus to make an appointment.

Placement tests are administered Monday through Friday by appointment. To schedule an assessment, call the Testing Lab at 301-784-5554 or schedule a time electronically on the College's website under placement testing. Students who live a distance from the College, may request a voucher (ticket) to take the test at another certified Accuplacer test site. The instructor will be notified in writing of the observed cheating and will be offered the option to review the recording. See the College's Policy Regarding Student Cheating in this Student Handbook for more information.
- Instructors using the Testing Lab to administer tests must complete a Test Administration Form. Special Instructions such as type of calculators, reason for testing, books, or aids allowed must be included. To provide greater security, instructors must provide a roster of students who will be taking the tests or indicate the students' names on the tests.

ACADEMIC INTEGRITY POLICY

Background and Purpose

Creating a culture of integrity and respect is at the core of a successful academic community. Allegany College of Maryland is dedicated to upholding ethical standards among students, faculty, and staff. Learning is the most important goal, and dishonest behaviors, such as cheating, undermine the rights of every individual to achieve that goal. With a collegewide commitment to honesty, trust, respect, and responsibility, learning at ACM maintains value and credibility.

Policy

I. SCOPE OF THE POLICY

To create a culture of academic integrity, members of the College must accept their individual duties and be held accountable to themselves and to each other.

Faculty members will

- explicitly prohibit cheating and/or reference that this policy will apply to the course from registration through grade finality;
- clearly communicate course expectations in the syllabus;
- outline and describe collaborative work and appropriate electronic or artificial intelligence tools;
- periodically review with students what constitutes plagiarism/cheating and consequences;
- minimize opportunities for cheating through assignment and test design;
- provide honest and valuable feedback;
- seek out conversations with students who are struggling to meet academic integrity expectations;
- champion fairness and impartiality.

Students will

- meet academic expectations;
- actively engage in their own learning;
- reject academic dishonesty;
- seek out assistance when needed, including asking for clarification before the use of electronic or artificial intelligence tools;
- submit original, authentic work.

II. POLICY STATEMENT

Academic dishonesty impedes authentic learning. This policy is designed to promote a culture of integrity, fairness, and responsibility among all members of the College. By keeping learning at the center, the policy affords many opportunities for reflection and growth to support students in navigating ethical dilemmas and developing the necessary skills to uphold academic integrity throughout their educational experiences.

Definitions

Cheating is defined as an act of conscious deception done in order to obtain an undeserved grade; or the aiding or abetting of deception in order to obtain an undeserved grade.

Examples of Cheating:

1. Cheating on an exam, either through electronic mediums, collaboration with other students, or notes, books, and/or crib sheets not sanctioned by the instructor;
2. obtaining information for use in a test, assignment, project, etc. by deceit or unauthorized means (using books with answers or teacher's guides; using unauthorized screenshots and photographs);
3. exchanging information or copying from another's work during examinations or assignments;
4. collaborating with others on assignments unless sanctioned by the instructor;
5. plagiarism: submitting, as one's own work, work or parts of work actually created by another;
 - a. the inclusion in one's own work of a passage, graphs, charts, videos, sounds, or images created by another person without giving due credit; i.e., quoting or paraphrasing without proper citation of source;

- b. buying a written document or projects in part or in whole to submit as one's own assignment;
 - c. generating an assignment in part or in whole using artificial intelligence tools that are not sanctioned by the instructor to submit as one's own assignment;
 - d. presenting data from another person's work without giving credit or citing source;
- 6. fabricating data and/or sources in one's work;
 - 7. submitting work previously presented in another course unless sanctioned by the instructor;
 - 8. using electronic tools or devices that are not sanctioned by the instructor; e.g., using translation devices in a foreign language course; using mathematics problem-solvers such as Photomath; using generative AI in Photoshop;
 - 9. using personal technology devices to facilitate cheating;
 - 10. knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student enrolled in the course;

III. ARTIFICIAL INTELLIGENCE

Allegany College of Maryland recognizes the complexity of the use of artificial intelligence tools in higher education. Large language models, such as ChatGPT, can support humans in the completion of many tasks. However, these models are unreliable and ethically problematic without careful human supervision. Instructors at ACM may choose to utilize artificial intelligence tools in their courses to guide students in the ethical and accurate use of generative artificial intelligence. Other instructors may choose to prohibit the use of generative artificial intelligence in their courses altogether. As with other types of cheating, defined above, faculty and students have a responsibility to communicate clearly and be accountable for the use of artificial intelligence tools in the classroom. AI Use statements are included in all syllabi.

IV. ADMINISTRATION OF POLICY

Academic integrity violations often stem from misunderstandings, pressure, or a lack of knowledge about academic expectations and, therefore, should be addressed as learning experiences through which students can develop the skills and understanding needed to uphold integrity in the future. If cheating and/or plagiarism occurs or is believed to occur, instructors have the discretion to determine the most appropriate sanction and will follow the Academic Integrity Infraction Procedures which highlight educational responses to academic integrity violations as well as sanctions for repeated or more severe instances of academic dishonesty.

V. STUDENT RIGHTS

If an instructor completes the Academic Integrity Violation Form, students will receive a copy.

Students have the right to pursue Academic Grievance Procedure (see Academic Grievance Procedures) should they have a concern with an instructor's determination of an academic integrity violation.

VI. CHANGES

Substantive changes to this policy require approval by the Board of Trustees; editorial changes, title/position changes, and/or changes to its implementation procedures may be made as required by federal or state mandate and/or institutional need with timely notice to students and employees.

Adopted date 07/01/2025

Revised Date (if applicable)

Approved by Board of Trustees 06/16/2025

Implementation Date 07/01/2025

Type of Policy: Mandated or Optional

VI. ACADEMIC GRIEVANCE PROCEDURE

A student having a concern with a faculty member of an academic nature arising from participation in a credit class should follow this process:

1. Review the course syllabus and Academic Regulations.

Review the requirements and/or performance standards. Please take a few moments to make sure your concern is a valid one and is not based on inaccurate or incomplete information. Any person with a complaint about how an employee has conducted himself/herself in word or deed in his/her capacity as an employee of the College shall schedule a time to meet and discuss the complaint/concern with the particular employee. Informal resolution of concerns is permitted at this stage. If, however, the person does not feel his/her complaint has been redressed OR feels uncomfortable speaking privately with the employee, s/he should speak with the employee's immediate supervisor. The supervisor shall request a written account of the incident(s) and then identify the nature of the complaint to assess what action is needed.

OPTIONS THAT **MUST** BE CONSIDERED INCLUDE

- **notification** of the employee about whom the complaint is made;
- the possibility of misinformation or **miscommunication**.
- **review** of existing college policy/ies (e.g., academic grievance, sexual harassment, etc.) with immediate referral to the designated College official,

- a **meeting** with the employee about whom the complaint is made;
- a mediated/facilitated **meeting** with the complainant and the employee;
- further **investigation** by the supervisor;
- **no action** because the complaint has no basis in fact, insufficient information is available, the matter has otherwise been resolved, or the employee acted correctly (which should be explained to the complainant); and
- **discipline** of the employee if warranted. (See the Employee Handbook's disciplinary policy for details on this process.)

The supervisor's finding(s)/action(s) shall be communicated - as privacy laws permit - to the complainant in writing. If the complainant is dissatisfied with the outcome, s/he may take the complaint to that person's supervisor and so on. The President's decision is final. All actions and/or findings shall be internally documented, including justification; however only disciplinary findings shall be noted in the employee's personnel file.

III. FINANCIAL AID APPEALS

Students whose financial aid is termination for not meeting the federally required standards of Satisfactory Academic Progress may appeal. The Financial Aid Termination Appeal Committee reviews petitions from current and former credit students who have extenuating, documented circumstances that were unexpected in nature and beyond the student's control but which affected the students' ability to successfully make Satisfactory Academic Progress. The Financial Aid Termination Appeal Committee does not hear other grievances or appeals which have recourse through alternative institutional procedures.

The committee must comply with federal financial aid standards and regulations; students must follow Committee procedures including submitting the proper petition and required documentation in a timely manner. (A published information sheet includes deadlines for submitting appeals, committee meeting dates, directions for submitting appeals, and any special instructions.) Students are required to meet with an academic advisor to create an Academic Compliance Plan which is submitted with the appeal. Students submit their appeals to the Office of Student & Legal Affairs by the deadline; deadlines may be extended and exceptions to deadlines may be made for good cause or emergencies. The committee shall determine what constitutes good cause and emergencies. Appeals are provided to the Committee which reviews and makes decisions for each petition. The committee may vote to approve or deny a petition. Incomplete petitions may be denied. If the committee holds appeal meetings to consider petitions, the petitioning student has the right, but shall not be required, to attend when his/her petition is being reviewed; the petitioning student may not be present when the committee deliberates on the merits of the petition. Third parties are not permitted in committee meetings or deliberations.

The Financial Aid Termination Appeal Committee's decisions are final.

SAFETY AND SECURITY

Allegany College of Maryland is committed to ensuring a safe environment for students, faculty, staff and visitors. The college's Campus Safety/Special Police (CS/CP) Department has primary responsibility for serving the safety and security needs of the campus community. Campus buildings and facilities are patrolled and inspected regularly to ensure a safe and comfortable academic environment. Every effort is made to fulfill any request for service. The CS/SP Department realizes security is also an individual responsibility and strives to educate the campus community about personal and public safety. The CS/SP Department works closely with the administration, student affairs, housing, and staff of the physical plant to ensure a safe environment. In addition, the CS/SP Department works closely with the Cumberland Police and Fire Departments to promote personal safety.

The CS/SP Department and the Office of Student Affairs ensures full disclosure of campus security information in compliance with the legal requirements of the Jeanne Clery Act. Personal Safety

Allegany College of Maryland welcomes thousands of students and visitors to its campuses each year to enroll in credit and non-credit classes, to enjoy athletic and cultural events, to use recreation facilities, to conduct research in the Library, to dine in the cafeteria, to attend meetings, and much more. College faculty and staff are committed to making each campus environment functional and safe. Campus security is highly capable of handling many emergencies and has direct communication with the Cumberland City Police. Maintenance personnel are vigilant to correct any obstructions or damages to College property. Nevertheless, given the high volume of traffic and the extensive hours of operation, accidents and acts of misconduct are inevitable.

Happily, Allegany College of Maryland has a low rate of both accidents and crime. We strive to keep it that way, and we emphasize prevention as an essential tool for everyone's personal safety.

Please observe the following practices whenever you are on campus:

- Always be aware of your surroundings.
- Avoid walking in areas that are isolated, poorly lit, unpaved, or containing debris/equipment.
- Do not walk alone at night. Walk in groups or call Security for an escort to your car.
- Do not leave populated areas with someone you do not know extremely well.
- If you feel uncomfortable or suspicious of a person or situation, get away!
- Do not leave your personal property unattended at any time, in any location.
- Keep a separate record of valuables (including serial numbers).
- Always lock your car, locker, and apartment door.
- Protect personal information such as social security number, locker combination, PIN numbers, etc.
- Make sure someone (a friend or relative) knows your schedule and travel habits.
- Evacuate buildings if you hear a fire alarm OR are directed by an official.
- Report dangerous situations, accidents, and crimes immediately to Police, or Security.

If there has been an accident with injuries, call 911 and Security (ext. 5555).

If there has been an accident without injuries, call Security*.

If there has been a crime with injuries, call 911 and Security (ext. 5555).

Criminal Activity

The College strives to maintain a safe environment for students to learn, for faculty to teach, and for administration and staff to work by (1) having policies and procedures which may prevent crime, (2) reporting crimes to local law enforcement and assisting with those investigations, (3) initiating disciplinary action for any crimes committed by students, and (4) banning unsafe persons from campus. If you are the victim of a crime or if you have information about the commission of a crime, please report the crime immediately.

- Always call 911 in an emergency
- Campus Security at (301)784-5555
- Campus Safety and Special Police at (301)784-5699
- You may also report by contacting the Office of Student Affairs at (301) 784-5206
- You can report anonymously on the Campus Security web page at www.allegany.edu

In the event of an active shooter on campus, the College will make every effort to issue alerts, warnings, and information to keep students, staff, and visitors safe. According to the Maryland State Police, who have provided direct training to College officials, an active shooter situation is when one or more suspects participate in an ongoing, random, or systematic shooting spree demonstrating their intent to continuously harm others. ACM adopts the nationally accepted run/hide/fight protocol. Evacuate if it is safe to do so; if you cannot safely escape, barricade yourself and hide. If you are discovered, defend yourself. The best advice to help us prevent an active shooter or other danger is to be vigilant and SEE SOMETHING / SAY SOMETHING! Report anything suspicious or concerning to a College official or to the police, and let the authorities take the appropriate action. Read safety communications from the College, and attend any training/informational opportunities. Sign-up for e-Safe (details above). Follow all laws, rules, policies, and procedures; they exist to help keep you safe. If the worst happens, your goal is to SURVIVE. Always follow directions from College and law enforcement officials.

This decision will be made on a case-by-case basis in light of circumstances; factors to consider include the nature of the crime, the continuing danger to the community, and the possible risk of compromising law enforcement efforts. The warning shall be intended to reach the entire campus community as soon as possible after the threat becomes known. The warning shall be issued by the following means: e-SAFE, allusers email, posted notices, telephone calls using the College's Emergency Management Plan Daytime Communication Tree, and/or the local media as appropriate.
- Devise emergency response, notification, and testing policy

Reports should be made immediately; if not, then such reports should be made as soon after the crime as possible. The College strongly supports reporting **all** crimes to the police, and ACM has Memoranda of Understanding with our key local law enforcement partners. Reports should also be made to the College via the Office of Campus Safety/Special Police. All reports shall be documented with appropriate follow-up as determined by the Dean of Student & Legal Affairs or other designated personnel.

SECTION TEN: CODE OF STUDENT CONDUCT

I. PHILOSOPHY

Allegany College of Maryland, hereinafter referred to as “the College,” provides services and resources to provide a safe learning environment and to promote responsible citizenship by its students. Students enrolling at the College assume an obligation to conduct themselves in a manner compatible with the College’s function as an educational institution and community partner. Each student is presumed to have fundamental knowledge of proper conduct. Each student is likewise expected to follow all federal, state, and local laws as well as all College policies. Furthermore, each student shall be presumed to have read the Code of Student Conduct; ignorance of its provisions shall not be a defense to violating them. The actions/behaviors prohibited this Code of Student Conduct are not exhaustive, since every possible action/behavior cannot be foreseen by College officials, and the College reserves the right to supplement the standards of conduct at any time with notice to the students. The Code of Student Conduct is an administrative process; proceedings non-legal in nature and are, therefore, not subject to the same rules, procedures, and standards of proof as legal proceedings. The College shall provide notice of this Code of Student Conduct to students. Any questions about the Code may be addressed to the Dean of Student & Legal Affairs.

II. AUTHORITY

Allegany College of Maryland’s Board of Trustees adopts the Code of Student Conduct

III. JURISDICTION

The Code of Student Conduct applies to any Allegany College of Maryland student enrolled in any course which offers college credit at any campus or instructional site of Allegany College of Maryland. Courses include on-campus, online, blended, and early college. Jurisdiction begins when the student enrolls/registers in a qualifying course and ends when the student graduates, formally withdraws from the College, transfers to another institution, or has failed to enroll/register in a qualifying course in the next sequential Fall or Spring semester. Jurisdiction continues between semesters including Summer terms if a student enrolls/registers in a qualifying course in the next sequential Fall or Spring semester. Jurisdiction includes on-campus and off-campus conduct. The provisions of the Code of Student Conduct apply equally and consistently to all students.

Jurisdiction applies to students who have a disability. If not already receiving accommodations for their disability, students are urged to contact Academic Access & Disability Resources and/or the ADA/504 Coordinator. Approved accommodations will be honored in the disciplinary process, and an appropriate individualized assessment will be made to determine whether the disability shall be a consideration in the investigation, findings, and/or any sanction imposed if a student is found responsible.

Jurisdictional Exceptions:

- The Code of Student Conduct does not apply to misconduct allegedly committed by persons taking course(s) which is completely non-credit. Whether the person will be permitted to remain enrolled or to be on campus will be determined on a case-by-case basis pursuant to the Safety Risk Policy and in consultation with Continuing Education and Workforce Development personnel.
- The Code of Student Conduct does not apply to misconduct allegedly committed by persons incarcerated in any facility who are taking courses for whole or partial college credit. The person will be referred to the appropriate correctional authority. Whether the inmate will be permitted to remain enrolled or to be on

campus will be determined on a case-by-case basis pursuant to the Safety Risk Policy and in consultation with the correctional authority.

- The Code of Student Conduct can be applied independently of or in tandem with an investigation of an alleged violation of the College's Title IX policy, since there may be alleged misconduct that includes provisions of both institutional policies. As necessary and appropriate, the procedures for either or both policies will be applied during investigations, hearings, and appeals.

Application of this policy may directly or indirectly require the application of other institutional policies; nothing in this policy shall be construed to prohibit the application of related policies which include, but are not limited to the policies listed here. If the application of this policy conflicts with the application of another institutional policy, the College will make a good faith effort to comply with all mandates, and the College will comply with any court order(s); however, the Code of Student Conduct shall take precedence unless otherwise required by law. Related policies: Title IX Policy, Non-Discrimination Policy, Admissions Policy, HR policies, Technology Resources Policy, Personal Electronic Account Privacy Protection Policy, Safety Risk Policy, FERPA Policy, and First Amendment Policy.

IV. REPORTING MISCONDUCT AND CRIMES

Any person with information about misconduct should report it promptly to Campus Safety/Special Police, the Dean of Student & Legal Affairs, or other College Official. Allegany College of Maryland employees are required to report certain acts or suspected misconduct pursuant to federal or state law including child abuse. Reports should be made immediately or as soon after an incident as possible. Reports may be made anonymously. Reports made more than thirty days after the incident or made anonymously will be accepted, but the College reserves the right to close such reports without action if there is insufficient information to investigate fully and fairly. The College will assist any person needing assistance to make a report or complaint. **The College strongly encourages any person who is a victim of or who witnesses any crime to contact law enforcement / call 911 immediately.** The College reserves the right to report crimes to local law enforcement and/or to pursue criminal charges or other legal remedies for acts of misconduct committed against the College.

Investigations of alleged violations of the Code of Student Conduct are independent of any alleged crime being investigated by law enforcement or prosecuted in court. The College's proceedings are not dependent upon any proceeding or outcome in a criminal matter. Likewise, the College's proceedings are not dependent upon any proceeding or outcome in a civil matter.

Additionally, students should be aware of any obligation to report a criminal charge to his/her academic program if required and be aware of the effect a criminal matter may have upon the student's eligibility for a particular program, other educational opportunities such as clinical/intern experiences, licensure, future employment, financial aid, and/or on-campus housing.

V. ENFORCEMENT

The Office of Student & Legal Affairs is responsible for the implementing of the Code of Student Conduct in collaboration with Campus Safety/Special Police and other designated College Officials. Reports of alleged misconduct are reported or forwarded to the Dean of Student & Legal Affairs or Designee who determines if the matter will be addressed informally or formally. Informal resolution may include measures such as written warnings, mediation, alternate dispute resolution and/or restorative justice; informal resolution is permitted only if there is no safety risk to any person. Formal disciplinary procedures are detailed below. Additional processes including but not limited to wording of notices, forms, timelines, and compliance deadlines shall be implemented by the Dean of Student & Legal Affairs or Designee. Procedures shall have the full enforcement authority of this Code of Student Conduct.

VI. DEFINITIONS

See Definitions / Accompanying Procedure

Violations of ACM's Standards of Conduct detailed in Section VI include acts defined by Maryland law, the Maryland Attorney General, Maryland Higher Education Commission, the U.S. Department of Education Clery Handbook, other state or federal resources, and/or prior editions of the Code of Student Conduct. This section provides several additional definitions.

- **Appeal Officer:** a College supervisor who reviews appeal petitions and, when appropriate, conducts appeal interviews.
- **Campus:** Refers to any property owned or managed by Allegany College of Maryland including but not limited to the Cumberland campus, Bedford County campus, Gateway Center, instructional sites, Willowbrook Woods, College buildings, parking lots, vehicles, and fields/lawns.
- **Child:** Any person under the age of eighteen who is not enrolled/registered in a qualifying course.
- **Hearing Officer:** a College Official who has been trained to conduct disciplinary investigations and to preside over disciplinary matters.
- **Investigation:** the process for responding to an alleged violation of the Code of Student Conduct and/or Title IX policy. It is a general term that includes intake, fact-finding, and hearings.
- **Ombudsman:** a neutral third party who is a member of the College staff appointed by the President, who does not advocate for any position or outcome, but who is well-versed in the Code of Student Conduct. The Ombudsman may meet with accused students (as requested) to prepare for the hearing and may attend the hearing.

VII. DISCIPLINARY PROCEDURES

The College will create and apply procedures to implement this Code of Student Conduct. Procedures shall include student notification, hearing protocols, due process requirements, student rights and responsibilities, standard of proof, sanctions, and appeal protocols.

Disciplinary matters arising from an alleged Title IX violation shall follow Title IX procedures which may differ from the Code of Student Conduct procedures. Parties to such matters will be given information regarding the applicable procedures. Disciplinary matters that include both Title IX allegations and non-Title IX allegations – whenever that determination is made during the process – may follow a mix of procedures. Students will be notified regarding applicable procedures.

These procedures apply to acts of suspected/alleged misconduct which were determined to be addressed formally. Upon receiving a report of alleged violation of the Code of Student Conduct, the Dean of Student & Legal Affairs shall determine if an informal resolution is appropriate for the circumstances; if not, the Dean shall assign the matter to an appropriate Hearing Officer(s) who shall complete a full, thorough, impartial, and fair investigation.

- Investigation:** The investigation may include interviewing the complainant, interviewing the accused, interviewing witnesses, reviewing reports, reviewing students' written statements, and reviewing other documents, video, recordings, or any information available to the Hearing Officer(s). The investigation will be properly documented. Confidentiality will be observed. The investigation may be conducted with the assistance of Campus Security/Public Safety or other relevant College Officials.
- Notice:** Students accused of misconduct will be given written notice of the incident which prompted disciplinary action, the Code of Student Conduct provision(s) allegedly violated, and their rights/responsibilities. Additional notice may be waived in limited circumstances: the accused student gives provably false information during the investigation and/or additional violations which directly related to the original matter(s) are discovered during the investigation.

C. Hearings and interviews: Any student who is notified about a disciplinary matter is expected to schedule a meeting with the Hearing Officer(s). It is the student's responsibility to schedule his/her hearing or interview. Failure to schedule and attend could result in decision without student's input, and such decisions are final. Each student meets separately with the Hearing Officer(s). All hearings and interviews are closed and shall be conducted in private, and students may not be accompanied by any 3rd party except an Ombudsman. Hearings may not be recorded by either party unless both parties agree in writing; the person who requested the recording shall be responsible for having the hearing transcribed by a third party approved by both parties; copies of transcript shall be provided to both parties at the requestor's expense.

D. Respondent Student Rights:

F. Campus Suspension: When a reported violation involves violence and/or a reasonable concern that an imminent risk to individual or campus safety exists, the Dean of Student & Legal Affairs may request an Order of Immediate Interim Suspension from the College President. Such an Order requires that the accused student immediately leave College grounds and is prohibited from being on campus pending an investigation of the incident(s) unless/until authorized by the Dean of Student & Legal Affairs or Director of Campus Security/Public Safety or unless/until the Order is lifted. The student may request an emergency hearing with the Dean of Student & Legal Affairs to challenge the Order within three business days.

G. Housing Suspension: Willowbrook Woods residents who are accused of conduct violations that necessitate their temporary removal from on-campus housing for safety reasons may be suspended by either the Director of Residence Life or the Dean of Student & Legal Affairs pending an investigation of the incident(s). These residents will be responsible for finding temporary accommodations and

transportation to/from campus. The resident may request an emergency hearing with the Director of Residence Life or the Dean of Student & Legal Affairs to challenge the suspension.

- H. Standard of Proof: The standard to be applied in making decisions is preponderance of the evidence (i.e., it is more likely than not that the accused student committed the violation(s) as alleged). No student shall be presumed responsible when a matter is referred for disciplinary action; only if the standard of proof has been met may a student be found responsible.
- I. Outcome: At the conclusion of an investigation, the Hearing Officer(s) will provide written notification to the accused student summarizing the investigation and noting the findings:
- Responsible
 - Not Responsible
 - Taken Under Advisement for a specific period of time (with or without conditions)
 - Closed without a Finding
 - Referred to a different process
 - Other resolution.
- J. Sanction(s): if the accused student is found responsible, the Hearing Officer will assign an appropriate sanction after considering relevant factors.
- Possible sanctions include:
1. Censure: A written reprimand placed in the student's disciplinary file.
 2. Probation / Probation with Special Conditions: A period of time when the student's conduct will be more closely monitored for compliance with all rules, regulations, policies, and laws. Specific terms and/or conditions that are intended to promote safety, to compensate any victim, to deter this or any student from a similar course of conduct, or to educate the student may be imposed
 3. Campus Suspension: A period of time when the student may not be on campus for any reason without prior authorization. A suspended student may be permitted to complete coursework at the discretion of his/her instructors. Students who are suspended from campus are also suspended from Willowbrook Woods.
 4. Willowbrook Woods Suspension: A period of time when the student who has a contract for on-campus housing may not be on Willowbrook Woods property for any reason without prior authorization.
 5. Dismissal: The student is separated from the College for an indefinite period of time and may be readmitted only with written approval from the College President. The student will be administratively withdrawn from all classes and is not permitted to complete a course, program of study, or degree. A dismissed student shall not be permitted on campus for any reason without prior authorization, may not complete any coursework after the effective date of the dismissal, and may not graduate or participate in any commencement activities. His/her transcript may have a notation of disciplinary dismissal. Students who are dismissed from the College are also expelled from Willowbrook Woods.
 6. Expulsion (Willowbrook Woods residents only): The resident is removed from housing for the remainder of the contract term and may not be on housing property without prior authorization.
- K. Appeal: A student who has been found responsible/in violation of the Code of Student Conduct may petition to appeal the Hearing Officer's decision. The appeal petition must state eligible grounds for appeal and must be submitted to the Hearing Officer, along with any supporting documentation or supplemental materials, within 15 calendar days of the date of the decision being appealed.
- Eligible grounds to petition for an appeal are limited to:
1. Discovery of new information that was previously unavailable that could have made a difference.
 2. Discovery of proof of actual innocence that was previously unavailable.
 3. Proof of misconduct by the Hearing Officer.
 4. Due process requirements were not met (i.e., student was denied written notice of the allegations, an opportunity to be heard, an opportunity to provide information/witness names, written decision and/or other established procedures).

5. Sanction is substantially disproportionate to the severity of the violation considering the relevant aggravating and/or mitigating factors.

Upon receipt, the Hearing Officer has discretion to modify his/her decision on the merits of the petition or other relevant circumstances; any changes shall be communicated in writing to the student. If the Hearing Officer declines to modify the decision, s/he will promptly notify the Appeal Officer and forward the petition, a copy of the relevant records, and a written response to the petition. The Appeal Officer shall be the Hearing Officer's immediate supervisor. The Appeal Officer shall determine if the appeal petition satisfies the criteria to be considered; merely being dissatisfied with the outcome is insufficient. Such allegations must be supported by reference to specific evidence not by vague claims or assertions. The Appeal Officer will issue a written notification whether the petition has merit or not. If the petition has merit, the appeal may proceed to a hearing. The appealing student has the right to a hearing with the Appeal Officer to present information about the student's grounds for appeal. The appeal hearing is not a de novo review; its scope is limited to the issue(s) stated in the appeal petition. The Appeal Officer may also meet with the Hearing Officer, meet with relevant witnesses, and review investigation materials. At the conclusion of these proceedings, the Appeal Officer will issue a written notification of findings; the original decision may be affirmed, modified, or reversed. Decisions by the Appeal Officer may be appealed to next level supervisor using the same petition process. Decisions by the President are final.

- L. Nothing shall be noted in a student's College record about a disciplinary matter unless the student has been found responsible. Those records shall be preserved in the Office of Student & Legal Affairs or other secure location and are subject to privacy law and college policy. Students may review their records upon request. Information shall not be shared with any third party without a properly executed and authenticated FERPA release, but the College reserves the right not to disclose disciplinary information to any third party except by court order or other legal process. See the College's FERPA policy. Certain disciplinary information may be released without the student's consent including but not limited to Title IX cases and drug/alcohol violations (findings may be released to parent or guardian per federal law). Records may not be expunged.

It is the responsibility of every person to ensure his/her actions do not compromise the health and safety of any person or the campus community. Hazing compromises both health and safety; it has been prohibited at Allegany College of Maryland pursuant to the Code of Student Conduct beginning in 2008 when behaviors that constitute hazing were listed (eg., assault, bullying, vandalism); in 2020, hazing was added as a specific violation. This policy is created independently to comply with the federal **Stop Campus Hazing Act** passed in 118th Congress and signed into law by the President on 12/24/24.

POLICY

I. SCOPE OF THE POLICY

This policy applies to all Allegany College of Maryland students, employees, volunteers, interns, vendors, visitors, parents, spectators, Trustees, and/or any person who is present on any College property for any purpose. SECTION FOURTEEN: COMMON QUESTIONS ABOUT ACM

QUESTIONS RELATING TO ACADEMICS

1. What does it mean to be a full-time student?

Students are considered to be “full-time” if they enroll in twelve or more credit hours a semester. (Section N of the Academic Regulations.) Students taking fewer than 12 credit hours in a semester are classified as “part-time.” Full-time classification may be important for various types of insurance for students who are financially dependent upon parents or others.

2. What is a credit hour?

An institution shall award one semester hour of credit for:

1. A minimum of fifteen (15) hours of instruction of fifty (50) minutes each of actual class time;
2. A minimum of thirty (30) hours of fifty (50) minutes each of supervised laboratory or studio time;
3. A minimum of forty-five (45) hours of fifty (50) minutes each of instructional situations such as practica, internships, or clinicals.

For example, if you are enrolled in a three-credit hour, lecture course, you will spend 150 minutes or 2.5 hours per week in the class for a 15-week semester.

3. What is a program of study?

A program of study (sometimes called a major) leads to a degree or certificate. Completion of the courses in a particular program of study is one of the requirements for graduation. The College Catalog lists various programs of study and required courses/electives for each program.

4. How much time must I spend for a course in addition to time spent in the classroom (homework, class preparation, etc.)?

Study skills experts advise students should spend at least 2 hours in outside work for every hour spent in the classroom. Therefore, students enrolled in 12 credit hours will be spending 24 hours in study outside the classroom for their courses. However, it is important to realize that courses vary in both the degree of difficulty and the policies of the instructor.

5. Does the College have an attendance policy?

Yes. The attendance policy is found at Section R of the Academic Regulations. Individual instructors may vary from the general expectation that students attend every class session except in cases of emergency. Instructors may drop or withdraw a student from a course when they believe that student cannot successfully complete the course in the time remaining.

6. How do I interpret my grade report?

The meaning of letter grades received in both mid-semester and final grade reports can be found in Section H of the Academic Regulations.

7. What grades are assigned if I stop coming to classes during a semester or summer term?

Nonattendance may result in “F” grades being recorded in any or all courses in which the student is enrolled. Under certain circumstances, “F” grades can be avoided by following withdrawal procedures set forth in Section R of the Academic Regulations. Students are encouraged to follow withdrawal procedures to avoid the academic penalty of “F” grades should the student resume an educational program.

8. What is a quality point on my grade report?

At the end of each semester or summer term, you will be given a letter grade by your instructor for each course in which you're enrolled. Each letter grade is worth so many "quality points" per semester hour. The quality points assigned for letter grades are explained in Section H of the Academic Regulations.

Since "A" work is of higher quality than "B" through "F" work, the "A" carries more quality points. Each quality point value is multiplied by the credit hours for the course. Example: Attaining a "C" in English 101, a three-credit course, earns two quality points per credit hour, or a total of six quality points for the class.

9. How do I compute my semester quality point average?

Academic performance for a semester or term is expressed as quality point average or grade point average. The semester or term quality point average (QPA) will be computed by the College and will appear on your grade report and transcript. In general, it is calculated by determining the quality points for each course (quality points earned via the grade assigned by the instructor times the number of credit hours of the course); adding the quality points for each course and then dividing by the number of credit hours taken during that semester or term. Complete information about quality point averages can be found in Section J of the Academic Regulations. An example calculation for a 17 credit hour semester follows:

	Semester Hours	Grade	Quality Points of Grade	# of Quality Points per Course <small>(col. 1 x col. 3)</small>
English	3	A	4	12
History 103	3	F	0	0
Automotive Technology 101	4	B	3	12
Automotive Technology 102	4	C	2	8
Physical Education 105	1	D	1	1
Automotive Technology 105	2	A	4	8
TOTAL	17			41

Compute the semester quality point average by dividing the total number of quality points for all courses by the total number of semester hours. Therefore, in the example above:

$$\text{Semester quality point average} = \frac{41}{17} = 2.4117 \text{ or } 2.41 \text{ (to the nearest hundredth)}$$

10. What is the difference between semester quality point average and cumulative quality point average?

At the end of each semester or term, your grade report will show two types of quality point or grade point averages: the semester quality point average and the cumulative grade point average. If this is your first semester at Allegany College of Maryland, the semester and cumulative quality point average will be the same.

A semester quality point average, or grade point average, is the total number of quality points earned in a semester divided by the total of credit hours attempted.

A cumulative quality point average is the total number of quality points earned in all semesters or terms attended divided by the total number of credit hours attempted in all semesters or terms of attendance.

11. What academic honors and programs exist for outstanding students?**HONORS PROGRAM**

Graduates of accredited high schools and transfer students who have achieved a grade point average of 3.50 or above have an exciting and challenging opportunity available to them at Allegany College of Maryland. The Allegany College of Maryland Honors Program includes honors-by-contract courses and special activities, such as receptions, conferences, cultural affairs, and travel. Since the Honors Program is not a separate curriculum, the student may major in any Allegany College of Maryland one-year or two-year program and still participate in the Honors Program.

Students who are members of the Honors Program and are enrolled in Honors course(s) will be eligible for a reimbursement of one-half of the in-county tuition for that course(s) paid by the Allegany College of Maryland Foundation. Students in the Honors Program are required to complete a minimum of 12 hours of honors courses with a grade of "B" or better, must maintain a 3.5 GPA, and must provide three hours of service to the college or the community per semester. Please contact Melody Gaschler, Honors Director, located in Room 182 of the College Center for additional information and application process.

NOTE: If total scholarship awards exceed the overall semester cost to attend the college, the Honors Program tuition payment will be reduced and will thus be less than 50% of the in-county semester tuition.

DEAN'S LIST

To be eligible for the Dean's List, a student must have a semester grade point average of 3.80 or higher for course work totaling 5 or more semester hours.

To be eligible for the Honors List, a student must have a semester grade point average of 3.30 but less than 3.80 for course work totaling 5 or more semester hours.

GRADUATION HONORS

Students receiving an associate degree or a certificate under one of the several certificate programs will be graduated Summa Cum Laude if their cumulative grade point average is at least 3.80. Those whose cumulative grade point average is between 3.51 and 3.79, inclusive, will be graduated Magna Cum Laude. Those students whose cumulative grade point average is between 3.30 and 3.50, inclusive, will be graduated Cum Laude.

12. When is a student placed on academic probation or suspended academically?

Students are expected to maintain a quality point or grade point average that will indicate a level of achievement that qualifies them for graduation when other requirements are met. Sections K, L, and M of the Academic Regulations explain the conditions for being placed on academic probation or suspension for poor scholarship and the consequences of each.

13. What is a prerequisite?

A prerequisite is a course which is basic to others which follow in a given discipline or department. A course for which there is a prerequisite cannot be taken until the prerequisite is satisfactorily completed.

Example: General Biology I is a "prerequisite" for General Biology II, and a student cannot enroll in General Biology II without having passed General Biology I.

Prerequisites are designated in the course descriptions of the College Catalog. Be sure to check the Catalog before putting together a schedule of classes.

14. What is an elective?

The designation of "elective" in a curriculum means that the student may make a choice. If the curriculum or major lists just the word "elective," it means that the student may select any course or courses which equal the required number of credit hours. If the curriculum or major lists the word "elective" followed by a designation such as social science, humanities, natural science, or other restriction, the choice is limited to courses fitting the designation.

Lists of courses which will satisfy restrictions such as arts and humanities, mathematics and biological/physical sciences, physical activities, English composition, social and behavioral sciences, and interdisciplinary and emerging issues may be found in the College catalog.

15. What are the minimum requirements for graduation?

Students who complete the course requirements set forth in a program of study may be eligible for graduation. (The College also offers letters of recognition.) But, eligibility for graduation entails more than mere completion of a list of courses in a program of study. Even an overdue library book with an unpaid fine can keep a student from graduating. A complete listing of graduation requirements can be found in Section F of the Academic Regulations. Regulation F4 explains the graduation application process.

16. What is the role of an academic advisor?

Allegany College of Maryland has a program of academic advising designed to ensure that the student is aware of the comprehensive educational opportunities offered, and that they acquire the knowledge and skills needed for continued studies or entry into a career field. Students are assigned an academic advisor who is familiar with the academic information necessary for that student to successfully reach educational goals.

Allegany College of Maryland plays a critical role in raising higher education levels in the tri-state area and offers expanded efforts to guide students toward their academic goals. With the award of a U.S. Department of Education-supported grant, funded through its Strengthening Institutions Program, the College's Advising Center offers enhanced academic advising services to students to boost their chances for success by consolidating academic advising services in one location for greater access and more consistent delivery. The Advising Center allows the College to take a systematic approach to advising through additional personnel and improved facilities. This one-stop advising services center located in the College Center includes a wide range of academic advising, career planning, supportive counseling, educational coaching and mentoring services.

Though students remain ultimately responsible for meeting graduation requirements, students are encouraged to consult with their academic advisor as part of the registration process for each semester or term.

Academic advisors can also provide information about College resources and programs and career fields and can answer general questions about College policies and protocols.

17. What do I do if an instructor does not show up for class?

If an instructor does not appear in class within ten minutes after the scheduled starting time, a member of the class should go to the instructor's office. If the instructor is not in his/her office, a student should go to Senior Vice President of Instructional and Student Affairs' Office on the main campus or to the Student Services Office on the Bedford County Campus. If the instructor cannot be located by these methods, students may consider the class cancelled.

18. Do I need to let the College know if I change my address or phone number?

Yes. Students should take immediate steps to notify the Registration Office at any campus of changes in local or permanent address changes, telephone number changes, and e-mail address changes. The College's registration data system is used by instructors to contact students and by various administrative units of the College.

19. What services are available to students from the Dental Hygiene Department?

Low cost dental hygiene care is available for Allegany College of Maryland students at the main campus dental hygiene clinic. The cost is \$30.00 with a current College ID card. Dental hygiene students perform the services, directly supervised by licensed dentists and dental hygiene instructors. Services include medical and dental history, oral inspection to include cancer screening, blood pressure evaluation, cleaning of teeth, fluoride therapy, and individualized instruction on self-care of teeth and gums and nutrition, and dental X-rays. All students are encouraged to utilize this service.

Appointments are necessary. Contact the Dental Hygiene Department in the Allied Health Building at 301-784-5540.

20. How do I obtain a locker on the main campus?

Student lockers are located in three buildings on the main campus: College Center, Humanities, and Science. Students should inquire at the Office of Student Life in the College Center Building (CC-12).

Lockers are reassigned during the fall semester of each year on a first-come, first-serve basis. Returning students may request the same locker for a second year by notifying the Office of Student Life at the end of the spring semester. There is no charge for lockers.

At the end of the Spring semester, please remove all of your belongings and your lock from the locker. All lockers will be completely emptied prior to the start of each fall semester. Items left in the locker as of the end of the summer semester will be discarded. ACM assumes no responsibility for personal property or identifying information abandoned in the locker.

21. Can students cash personal checks on campus?

Yes. Students may write a personal check for up to \$15.00, and have it cashed at a cashier's desk at the main campus only. Two-party checks are not accepted. Personal checks are not accepted during the last month of any semester, or during summer term.

Students should note there is a fee for all dishonored ("bad") checks.

22. Is there public transportation available for the main campus?

The Allegany County Transit Authority (ATA) provides bus service to the main campus Monday through Friday. Schedules are available at www.alleganygov.org/1634/Bus-Schedule-Details or by calling the ATA at 301-722-6360. Passes can be purchased in the Campus Store. See page 44 of this Student Handbook for detailed information.

Several taxi companies serve the greater Cumberland area and these can be contacted by telephone.

23. How can I keep informed about the College after I graduate or transfer?

Allegany College of Maryland invites all graduates and former students to continue their connection to the college by joining our Alumni Association. Membership in the Alumni Association is open to all graduates, as well as students who have completed one credit or noncredit class. Under the leadership of our association officers, we are able to offer certain benefits and organized activities for alumni. The annual business meeting of the Alumni Association is open to all members. For more information on alumni activities, please visit the College's website at www.allegany.edu/alumni.

24. What services are available to students from the Massage Therapy Program?

All students are eligible to receive a one-hour massage per semester from the therapeutic massage student clinic. The cost is \$15. The massage therapy students offer relaxing Swedish massage, deep tissue massage, myofascial release work, as well as Reiki. Modalities vary depending on the semester. Appointments are necessary. Contact the Massage Therapy student clinic in the Allied Health Building in room AH 154A or by phone at 301-784-5598. Students are encouraged to utilize this service.

Call 911 for immediate help by police and/or ambulance. then call Campus Security at (301) 784-5555. If you do not want to take these steps, please get help and tell someone you trust.
