This determination is made based on the overall quality of the application including factors such as program/major, compliance with expectations, criminal/disciplinary background, quality of interactions with staff, ability to demonstrate independent living, ability to follow directions and be engaged in the application and housing process, and more. Campus Safety/Special Police also reviews the application and conducts a public court records search. If a criminal history is disclosed or found during this review, the application must submit additional information. Residence Life Staff can advance, advance with conditions or deny an application. You will be notified via email. If Residence Life approves your application, it will be advanced to the College’s Finance Department for financial approval (Step Four).

4 **STEP FOUR: FINANCIAL APPROVAL:**

This can be the longest step in the application review process. You cannot be offered a Student Housing Contract unless/until you are financially approved. If you are financially approved, you will be sent an email indicating whether you are approved on financial aid, credit (based on your guarantor’s credit score) or a combination of both. If you are approved on credit, you will be responsible for making monthly payments to Willowbrook Woods due on the first of the month. You will also need to pay a $400 security deposit after you are offered a contract.

5 **STEP FIVE: CONTRACT:**

If you are financially approved, you may* be offered a contract. It will be sent to your student email from willowbrookwoods@allegany.edu. The contract must be signed by the applicant, signed by the guarantor, and returned right away. When we have your signed contract, we will execute the contract; at this point, your space is reserved.

*Late applications will depend on what we have available and when classes begin.

We reserve the right to rescind contract offers under certain circumstances. If we cannot offer a contract or if we rescind the offer, the Business Office will refund the security deposit. If you change your mind and decide not to come, the deposit is forfeited as a cancellation fee. Written notice is required. Contact the Business Office about any eligible refunds. (Call 301-784-5227 or email businessoffice@allegany.edu)

Applicants who are placed on the waiting list will be contacted if we are able to offer a contract.

**Remember: A SPACE AT WILLOWBROOK WOODS IS NOT GUARANTEED.**

If you are not offered a contract – for any reason, you will need to decide whether to seek off-campus housing or to withdraw from the College before the first day of classes.

Room assignments are made close to the move-in date. Students are notified via email of the assignment unless your application was late or a last minute change of assignment is needed. Room assignments are made based upon the information you provided in your Roommate Matching Form and the community needs. Your room assignment is not guaranteed until your arrival, as changes may occur as necessary.

EXPECTATIONS OF APPLICANTS AND RESIDENTS

The application to live in Willowbrook Woods is designed (1) to help us get to know you so we can choose the students who will be independent, responsible members of the living/learning community and (2) to help you prepare for what it is like here* if you are offered a contract. Read each statement below carefully as you will be held to these standard expectations during and after the application process. We reserve the right to deny a contract to any applicant who demonstrates an inability or unwillingness to meet these expectations.

*Housing is not guaranteed for any applicant.

ALL STUDENTS MUST KNOW HOW TO:

- greet people courteously / mind their manners
- follow directions
- get themselves up for school/work every day
- make and follow a budget (see page 17 of the application packet)
- purchase their own groceries and cook their own meals
- clean up after themselves and keep their living quarters clean
- dispose of trash properly
- do their own laundry
- care for themselves if they become sick (including how to get to a doctor and get medication)
- obtain transportation (bus, cab, ride-share) to get where they need to go if they do not have a vehicle or don’t drive.

ALL STUDENTS MUST HANDLE SITUATIONS APPROPRIATELY, SPECIFICALLY:

- you will attend all classes.
- if you have free time from studying, you will get involved on campus: join student organizations, participate in campus activities, and/or find healthy & fun things to do.
- you will ask if you have questions or need help.
- if you disagree with someone or get angry about something, you will try to resolve it peacefully and maturely.
- if you feel you have been disrespected, stay calm and rise above it.
- if you hear gossip, you will be supportive of the person being targeted.
- if someone is making so much noise that you can’t sleep or read or hear the TV, you will calmly go speak to that person and ask them to lower the volume.
- if something is stolen from you, you will report it to the proper authorities – not retaliate or steal it back.
- if someone is drinking or using drugs in your presence, you will ask them to stop and leave the area. We are a dry, clean, and clear campus.
- you will never put your hands on someone else without their consent.
- if you See Something, Say Something and if you have information about an incident and/or are asked for help by College Officials, you will cooperate fully. We reject the “snitches gets stitches” mentality!
- when you meet new people, you will get acquainted in public areas and only invite them into your apartment after they have become trusted friends.
- you are ready to meet and make friends with people who are different from you (eg., race, ethnicity, nationality, language, age, veteran status, gender/gender identity, sexual orientation, disability, religion).

In college, you have more control over your choices and have a higher level of responsibility. All students should want to live in a community where people look out for each other, are kind to each other, and treat one another with respect. If you don’t think you can be a valuable, contributing member of our community, request an off-campus housing list from the Office of Student & Legal Affairs.

I have read, I understand, and I agree to meet these expectations.

What is Meningococcal Disease?
Meningococcal disease is a rare, but life threatening illness, caused by the bacterium, Neisseria meningitidis. It is a leading cause of bacterial meningitis (an infection of the brain and spinal cord coverings) in the United States. The most severe form of the disease is meningococcemia, infection of the bloodstream by this bacterium.

Deaths from meningococcal disease have occurred among Maryland college students in recent years. Students living in residence halls are at an increased risk. The Maryland Depart of Health and Mental Hygiene encourages meningococcal vaccination of higher education students.

About the vaccine:
Meningococcal vaccine can be effective in preventing four types of meningococcal disease. The vaccine is not effective in preventing all types of the disease, but it does help to protect many people who might become sick if they don’t get the vaccine. Drugs such as penicillin can be used to treat meningococcal infection. Still, about one out every ten people who get the disease dies from it, and many others are affected for life.

A vaccine, like any medicine, is capable of causing serious problems, such as severe allergic reaction. People should not get meningococcal vaccine if they have ever had a serious allergic reaction to a previous dose of meningococcal vaccine. Some people who get meningococcal vaccine have mild side effects, such as redness or pain where the shot was given (which is usually under the skin of the upper arm). A small percentage of people who receive the vaccine develop a fever. The vaccine may be given to pregnant women.

Meningococcal vaccine is available in some school health centers, travel clinics, some county health departments and the offices of some health providers.

MENINGOCOCCAL DISEASE FACT SHEET:

- Neisseria meningitides (the meningococcus) is a bacterium (germ) that can cause serious infections.
- The meningococcus causes meningitis, an infection of the covering of the brain and spinal cord. It also causes serious infections of the blood (meningococcemia) and of other normally sterile body sites (e.g. joints). These infections may lead to death.
- The meningococcus is spread by droplets or by direct contact
- The meningococci are sprayed into the air through sneezing and coughing. Many people may carry the bacteria in their noses and throats, and they will not become ill – they are healthy carriers. These carriers can spread the germ to other people.

Symptoms to Look For:

- High fever
- Nausea and vomiting
- Severe headache
- Stiffness and pains in the neck, shoulders and back
- Skin rash of small bright red spots

Symptoms occur within 2-10 days (usually 3-4) days after the person has been exposed. Symptoms often begin suddenly.

See a doctor immediately for treatment

- People who think they may have an infection due to the meningococcus should see a doctor immediately. Treatment with an antibiotic should be started right away to stop the infection from causing brain damage or death. Lab tests are needed to prove what kind of infection a person has.
- People in close contact with a case may need an antibiotic
- Check with your doctor or your local health department for advice. Preventative treatment with certain antibiotics is recommended and should not be delayed. Your doctor or health department will decide which medicine is best in your situation.

People in close contact may include:

- Somebody who lives in the same house
- A person who has contact with the patient’s mouth or nose secretions, such as through kissing, sharing cigarettes, or using the same eating and drinking utensils, glasses and plates.
- A person who has done medical treatments like giving mouth-to-mouth resuscitation on the patient or intubating or suctioning the patient.
- Children sharing toys, such as in group day care centers, family child care homes or in nurseries

A vaccine is available to prevent some types of meningococcal disease

The vaccine protects against groups A, C, Y and W-135. Check with your doctor or your local health department to see if you should get the vaccine.

WAIVER & CONSENT TO AGE 18 REQUIREMENT (2023-2024)

Willowbrook Woods is a living/learning community that is generally restricted to adults – meaning that residents should be 18 years old at move-in. The purpose of this rule is to protect minors who are recognized by laws and society as more vulnerable than adults and who lack the resources and options of adults. Minors’ freedoms and responsibilities are restricted in countless ways every day. Because of Willowbrook Woods unique qualities, we prioritize offering contracts to legal adults; however, where appropriate, exceptions may be made.

APPLICANT’S NAME:

Will you be 18 years old by 8/18/2023 for Fall 2023 Semester OR 1/14/24 for Spring 2024 Semester?

If so, STOP. Your application is done.

If not, you and your parent/legal guardian must sign the Waiver & Consent below accepting full responsibility for your safety and wellbeing in the event of a medical, security, behavioral, or other emergency and releasing Willowbrook Woods/Allegany College of Maryland from all responsibility and liability.

By signing this Waiver & Consent, both the applicant (minor) and his/her parent/legal guardian agree to the following terms:

1. We understand that residents are college students – often experiencing life away from home for the first time. Housing Staff has rules/procedures to promote health & safety; however, residents will not be directly supervised at all times. They have a high degree of freedom and privacy. Each resident is responsible for his/her own actions – including due diligence to protect his/her personal safety and property. Residents of any age should be emotionally mature enough to function independently. All residents (regardless of age) are required to follow all Willowbrook Woods/Allegany College of Maryland policies and procedures including (but not limited to) contract requirements.

2. We understand that it is our private responsibility to provide for the minor’s daily living needs including food, toiletries, clothing, and other necessities.

3. We understand that it is our private responsibility to manage the minor’s health needs and medical emergencies (if any) and that Willowbrook Woods/Allegany College of Maryland does not provide any medical planning, treatment, transportation, or services. (Housing Staff will call 911 in a medical emergency and then notify us as circumstances warrant.)

4. We understand that unforeseen emergencies (ie., fire and natural disasters) can occur in any environment. Willowbrook Woods/Allegany College of Maryland will be diligent in providing a healthy and safe living/learning environment, but we understand that not all people or circumstances can be controlled. If a minor is negatively affected by an emergency, Housing Staff will notify us as circumstances warrant.

5. We have read and understand the Willowbrook Woods application, the Code of Student Conduct and the Housing Guide. If the minor is offered a contract, we understand that if the minor is removed from Willowbrook Woods for any reason (including – but not limited to – misconduct, failure to maintain full time credit status, failure to pay housing fees), it is the responsibility of the parent/legal guardian to make arrangements for the minor to stay off-campus or to return home. That responsibility could include the parent/legal guardian’s coming to campus – regardless of the hour or weather conditions – to pick up the minor and take him/her to an alternate location within four (4) hours. Willowbrook Woods/Allegany College of Maryland will not pay any related expenses, and housing fees remain due whether the minor is in Willowbrook Woods or not.

(Note: If the parent/legal guardian chooses to send a designee (eg., another relative), it is the responsibility of the parent/legal guardian to notify Housing Staff and/or Campus Security in advance and in writing (via fax or email) who will be picking up the minor; without this verified permission from the parent/legal guardian, Willowbrook Woods/Allegany College of Maryland will not release the minor to anyone but the parent/legal guardian whose signature is below and may be required to contact the local Department of Social Services.)

*We prioritize the safety of the entire Willowbrook Woods community and, therefore, occasionally find it necessary to suspend resident(s) who present a danger to other residents or staff. Suspended residents are given a list of temporary housing options – some of which would be unavailable to minors (eg., hotels and local emergency shelters only admit legal adults).

6. We understand that residents under the age of 18 cannot receive and will not be given preferential treatment in room assignments, conflict mediation, emergency responses, suspensions, sanctions, or any other official action taken by any College official. Residents are sometimes compelled to attend meetings with staff, change room assignments, accept new roommates, or otherwise comply with decisions that Housing Staff makes for the best interest of the entire community.

7. Housing Staff will not disclose protected student information to any third party (including parent/guardian) without a properly executed release by the student (some legal exceptions apply); even with a release, Housing Staff is not obligated to share information – particularly regarding disciplinary or academic matters.

8. We release Willowbrook Woods/Allegany College of Maryland from any and all liability where housing and college policies, procedures, and protocols are being followed/applied.

9. We understand that submitting this document does not guarantee housing. This waiver and consent is part of the application packet, and the application will be subject to review like all other applications. Housing Staff reserves the right to deny any application.

WE HAVE READ THIS DOCUMENT IN ITS ENTIRETY. WE UNDERSTAND ALL CONTENTS AND AGREE TO THE TERMS DETAILED ABOVE. NON-COMPLIANCE WITH THE TERMS COULD RESULT IN DISCIPLINARY ACTION BEING INITIATED AGAINST THE STUDENT.
