(Applicant will be notified via student email [i.e., student@student.allegany.edu].)

Submit all application materials to: willowbrookwoods@allegany.edu, or send to Willowbrook Woods, 12401 Willowbrook Road SE, Cumberland, MD 21502-2596

Past residents should determine if they are eligible to return before submitting an application.

Email willowbrookwoods@allegany.edu or call (301) 784-5638 if you have questions or need information about how to complete/submit the application.

*Submitting all of the required items does not guarantee a contract. See Steps 3, 4, and 5 on the next page.

3 STEP THREE: QUALITATIVE REVIEW:

After the application is complete, Residence Life Staff reviews the application and assesses if the applicant would be a welcome addition to the living and learning community of Willowbrook Woods. This determination is made based on the overall quality of the application including factors such as program/major, compliance with expectations, criminal/disciplinary background, quality of interactions with staff, ability to demonstrate independent living, ability to follow directions and be engaged in the application and housing process, and more. Campus Safety/Special Police

also reviews the application and conducts a public court records search. If a criminal history is disclosed or found during this review, the application must submit additional information. Residence Life Staff can advance, advance with conditions or deny an application. You will be notified via email. If Residence Life approves your application, it will be advanced to the College's Finance Department for financial approval (Step Four).

4 STEP FOUR: FINANCIAL APPROVAL:

This can be the longest step in the application review process. You cannot be offered a Student Housing Contract unless/until you are financially approved. IF you are financially approved, you will be sent an email indicating whether you are approved on financial aid, credit (based on your guarantor's credit score) or a combination of both. IF you are approved on credit, you will be responsible for making monthly payments to Willowbrook Woods due on the first of the month. Fall Payments are August thru November and Spring payments are January thru April. Any financial aid you receive will be applied to Willowbrook Woods after your tuition and course fees are paid. You will also need to pay a \$400 security deposit after you are offered a contract.

International Students. If you are an International Student, you are not eligible for Federal Financial Aid. If your guarantor does not live in the United States (which means we cannot run a credit check), the only way you will be financially approved is if you pay your Housing Fees in advance each semester. Before you can be offered a contract, you must have all your visa-related requirements satisfied and should be enrolled at ACM. Remember that your guarantor is also responsible for meeting your daily living needs – wherever they may live.

5 STEP FIVE: CONTRACT:

If you are financially approved, you may* be offered a contract. It will be sent to your student email from willowbrookwoods@allegany.edu . The contract must be signed by the applicant, signed by the guarantor, and returned right away. When we have your signed contract, we will execute the contract; at this point, your space is reserved.

*Late applications will depend on what we have available and when classes begin.

No contract will be offered after Saturday of Fall move-in weekend or first day of classes of Spring semester unless the student is only awaiting financial approval and is actively engaged in classes and is enrolled full-time.

We reserve the right to rescind contract offers under certain circumstances. If we cannot offer a contract or if we rescind the offer, the Business Office will refund the security deposit. If you change your mind and decide not to come, the deposit is forfeited as a cancellation fee. Written notice is required. Contact the Business Office about any eligible refunds. (Call 301-784-5227 or email businessoffice@allegany.edu)

Applicants who are placed on the waiting list will be contacted if we are able to offer a contract.

Remember: A SPACE AT WILLOWBROOK WOODS IS NOT GUARANTEED.

If you are not offered a contract – for any reason, you will need to decide whether to seek off-campus housing or to withdraw from the College before the first day of classes. An off-campus housing list of local landlords is available upon request.

Room assignments are made close to the move-in date. Students are notified via email of the assignment unless your application was late or a last minute change of assignment is needed. Room assignments are made based upon the information you provided in your Roommate Matching Form and the community needs. Your room assignment is not guaranteed until your arrival, as changes may occur as necessary.

FREQUENTLY ASKED QUESTIONS

1. When is my application due?

July 31, 2026. *(Spring only applications are due by 11/30/26.)*

2. Do I pay the deposit when I submit my application?

No. *You must pay the application fee with the Business Office when you apply. You only pay the Security Deposit if/when you are offered a contract.*

3. Am I required to have a guarantor?

Yes. *All applicants must have a guarantor regardless of your age, employment, marital status, or any other personal factor. Applicants who are in foster care or who have an agency that will pay their housing fees may submit a letter on agency letterhead making the commitment to function as a guarantor.*

4. Once I submit my application, do I have housing?

Not at that step. There is a review process that must happen first. Submitting the application does not guarantee you will have housing.

5. How do I find out if I have housing?

You will be notified via your ACM student email at each step of the process, so you should check your ACM student email daily.

6. What do I do if I have a disability?

Willowbrook Woods is fully compliant with the Americans with Disabilities Act and Section 504. Disability accommodations must be requested in the office of Academic Access and Disability Resources. For timely consideration and implementation of approved accommodations, requests should be made in writing no less than two weeks before needed. For detailed information about services, the helpful personnel, and how to request accommodations, see <https://www.allegany.edu/academic-access-and-disability-resources/index.html>.

Please be advised, there is no right to on-campus housing as an accommodation for any disability. Additionally, applicants who are unable to demonstrate the essential functions to live independently may be denied; if an applicant requires a Personal Care Assistant, the PCA will also need to submit the Student Housing Information Sheet (subject to approval) and enter a housing contract – including payment of all housing fees – if the PCA is approved.

7. If I am offered a contract, when do I get to move-in?

If you are offered a student housing contract you will receive information on how to schedule your move-in day and time. Contracted residents must move-in during the dates/times available and are not permitted to move in other dates unless you are required to be here early for an academic program or a sports team activity; if you must be here early, you must submit a separate request for a supplemental contract with verification from the ACM program or coach.

8. If I am offered a contract, when will I find out who my roommates are?

Roommate information will be sent to your student.allegany.edu email after August 1st. We will send you this information as soon as possible.

9. If I have a criminal record, can I live in Willowbrook Woods?

All applicants to Willowbrook Woods are required to disclose any disciplinary, criminal background, or court orders (including ALL charges/arrests regardless of outcome or pending status) on their applications. Failure to do so could result in your being denied a Student Housing Contract, and/or disciplinary action by the College for false statement. If you have a disciplinary or criminal record, Staff will review the information and decide whether you can be offered a contract. If not, your application will be denied, and you could be banned from Willowbrook Woods.

10. What happens if I am not offered a housing contract?

Consider off-campus options; a courtesy listing is available by contacting Student & Legal Affairs at 301-784-5206. If you choose not to attend ACM, you must withdraw by 4:00pm on the last business day before classes begin. Contact Admissions/Registration at 301-784-5199 for assistance. Failure to withdraw from classes can result in you having a bill for tuition / fees.

EXPECTATIONS OF APPLICANTS AND RESIDENTS

APPLICANT'S NAME: _____

The application to live in Willowbrook Woods is designed (1) *to help us* get to know you so we can choose the students who will be independent, responsible members of the living/learning community and (2) *to help you* prepare for what it is like here if* you are offered a contract. Read each statement below carefully as you will be held to these standard expectations during and after the application process. We reserve the right to deny a contract to any applicant who demonstrates an inability or unwillingness to meet these expectations.

MENINGITIS VACCINATION OR WAIVER

APPLICANT'S NAME: _____

To live on campus, all applicants must read this important information about the greater public health risks of highly contagious and dangerous illnesses that are unique to congregate living environments – such as on-campus housing – because of routine proximity to others. Students who live in Willowbrook Woods have a high risk of exposure to both meningitis and other contagious illnesses. Vaccinations are extremely effective in preventing serious illness, hospitalization, and death. Vaccines are extremely safe, and vaccinated persons also have lower chance of transmitting the virus to others. Therefore, we encourage all Willowbrook Woods residents to be fully vaccinated prior to move-in. All applicants are strongly urged to be informed and to consult with their primary care provider about illnesses and their respective vaccines. All students are required to comply with the College's Infectious Disease and Condition Policy. Please make safe and informed choices.

What is Meningococcal Disease?

Meningitis is rare but can be life threatening. There are different forms of meningitis (including Meningococcal Disease) with different causes and treatments. It is highly contagious. From the CDC: Meningitis is an inflammation (swelling) of the protective membranes covering the brain and spinal cord. A bacterial or viral infection of the fluid surrounding the brain and spinal cord usually causes the swelling.

More and detailed information is available here:

WAIVER & CONSENT TO AGE 18 REQUIREMENT (2026-2027)

Willowbrook Woods is a living/learning community that is generally restricted to adults – meaning that residents should be 18 years old at move-in. The purpose of this rule is to protect minors who are recognized by laws and society as more vulnerable than adults and who lack the resources and options of adults. Minors’ freedoms and responsibilities are restricted in countless ways every day. Because of Willowbrook Woods unique qualities, we prioritize offering contracts to legal adults; however, where appropriate, exceptions may be made.

APPLICANT’S NAME: _____

Will you be 18 years old by 8/14/26
 If so, **STOP**. Your application is done.

If not, you and your parent/legal guardian must sign the Waiver & Consent below accepting full responsibility for your safety and wellbeing in the event of a medical, security, behavioral, or other emergency and releasing Willowbrook Woods/Allegany College of Maryland from all responsibility and liability.

By signing this Waiver & Consent, both the applicant (minor) and his/her parent/legal guardian agree to the following terms:

- We understand that residents are college students – often experiencing life away from home for the first time. Housing Staff has rules/procedures to promote health & safety; however, residents will not be directly supervised at all times. They have a high degree of freedom and privacy. Each resident is responsible for his/her own actions – including due diligence to protect his/her personal safety and property. Residents of any age should be emotionally mature enough to function independently. **All residents (regardless of age) are required to follow all Willowbrook Woods/Allegany College of Maryland policies and procedures including (but not limited to) contract requirements.**
- We understand that it is our private responsibility to provide for the minor’s daily living needs including food, toiletries, clothing, and other necessities.
- We understand that it is our private responsibility to manage the minor’s health needs and medical emergencies (if any) and that Willowbrook Woods/Allegany College of Maryland does not provide any medical planning, treatment, transportation, or services. (Housing Staff will call 911 in a medical emergency and then notify us as circumstances warrant.)
- We understand that unforeseen emergencies (ie., fire and natural disasters) can occur in any environment; Willowbrook Woods/Allegany College of Maryland will be diligent in providing a healthy and safe living/learning environment, but we understand that not all people or circumstances can be controlled. If a minor is negatively affected by an emergency, Housing Staff will notify us as circumstances warrant.
- We have read and understand the Willowbrook Woods application, the Code of Student Conduct and the Housing Guide. If the minor is offered a contract, **we understand that if the minor is removed from Willowbrook Woods for any reason (including – but not limited to – misconduct, failure to maintain full time credit status, failure to pay housing fees), it is the responsibility of the parent/legal guardian to make arrangements for the minor to stay off-campus or to return home.** That responsibility could include the parent/legal guardian’s coming to campus – regardless of the hour or weather conditions – to pick up the minor and take him/her to an alternate location within four (4) hours. Willowbrook Woods/Allegany College of Maryland will not pay any related expenses, and housing fees remain due whether the minor is in Willowbrook Woods or not.
(NOTE: If the parent/legal guardian chooses to send a designee (eg., another relative), it is the responsibility of the parent/legal guardian to notify Housing Staff and/or Campus Security *in advance and in writing (via fax or email)* who will be picking up the minor; without this verified permission from the parent/legal guardian, Willowbrook Woods/Allegany College of Maryland will not release the minor to anyone but the parent/legal guardian whose signature is below and may be required to contact the local Department of Social Services.)
*We prioritize the safety of the entire Willowbrook Woods community and, therefore, occasionally find it necessary to suspend resident(s) who present a danger to other residents or staff. Suspended residents are given a list of temporary housing options – some of which would be unavailable to minors (eg., hotels and local emergency shelters only admit legal adults).
- We understand that residents under the age of 18 cannot receive and will not be given preferential treatment in room assignments, conflict mediation, emergency responses, suspensions, sanctions, or any other official action taken by any College official. Residents are sometimes compelled to attend meetings with staff, change room assignments, accept new roommates, or otherwise comply with decisions that Housing Staff makes for the best interest of the entire community.
- Housing Staff will not disclose protected student information to any third party (including parent/guardian) without a properly executed release by the student (some legal exceptions apply); even with a release, Housing Staff is not obligated to share information – particularly regarding disciplinary or academic matters.
- We release Willowbrook Woods/Allegany College of Maryland from any and all liability where housing and college policies, procedures, and protocols are being followed/applied.
- We understand that submitting this document does not guarantee housing. This waiver and consent is part of the application packet, and the application will be subject to review like all other applications. Housing Staff reserves the right to deny any application.

WE HAVE READ THIS DOCUMENT IN ITS ENTIRETY. WE UNDERSTAND ALL CONTENTS AND AGREE TO THE TERMS DETAILED ABOVE. NON-COMPLIANCE WITH THE TERMS COULD RESULT IN DISCIPLINARY ACTION BEING INITIATED AGAINST THE STUDENT.
