

Articulation Agreement between Allegany College of Maryland and Mount Aloysius College

This articulation agreement formally recognizes that Allegany College of Maryland (ACM) and Mount Aloysius College (MAC) are educational institutions committed to providing creative educational opportunities to currently enrolled and prospective students of their respective institutions. It is the intent of both institutions to encourage qualified students to enroll in the MAC bachelor of science degree in nursing. Both institutions recognize the value of such an endeavor in the retention of students at ACM. ACM students enrolled in Associate of Science degree in Nursing who desire to continue to work toward their Bachelor of Science degree in Nursing will be encouraged to complete their associate degree work at ACM and enroll in the MAC Bachelor of Science degree in Nursing. Further, both institutions recognize the value of this arrangement in supplying MAC with a convenient option for its graduates to complete both their associate's and bachelor's degrees in a timely manner.

ACM and MAC hereby establish an articulation agreement allowing ACM students to transfer to MAC according to the following provisions:

1. MAC will transfer ACM students who have completed an Associate of Science in Nursing with a minimum of (60)credit hours, exclusive of pre-college work (*e.g.*, developmental studies courses), and who have achieved a cumulative grade point average of not less than 2.0 (on a 4.0 scale) as calculated by ACM.
 - a. Transfer candidates that transfer 60 credits will be granted junior class status in the Bachelor of Science Degree in Nursing program at MAC.
 - b. Transfer candidates who have achieved a cumulative grade point average of 3.0 or higher (on a 4.0) will automatically receive acceptance into the Bachelor of Science Degree in Nursing program at MAC.
 - c. Transfer candidates must complete all degree requirements at MAC in order to receive the bachelor's degree, regardless of their class status upon matriculation at MAC. Depending upon the course work the student presents for transfer, fulfilling the requirements of the bachelor's degree may require more than 60 additional credit hours.

2. ACM agrees to advise students who may be interested in the MAC bachelor's program to take equivalent courses at ACM that will fulfill MAC's core requirements. The appendix of this agreement contains an Equivalency Chart outlining those ACM courses that will most efficiently meet the general education core requirements at MAC. ACM and MAC agree to evaluate on a regular basis the transfer equivalencies of core requirements in various general education areas to facilitate the smooth transfer the ACM students into the Bachelor of Science Degree in Nursing at MAC.

3. The transfer candidates must have earned a grade of “C” or better in order for course work to apply to the requirements in the Bachelor of Science Degree in Nursing at MAC.
4. Mount Aloysius College and Allegany College of Maryland agree to monitor the academic performance of students admitted under this agreement.

Additional Responsibilities of Allegany College of Maryland

- ACM agrees to allow MAC to recruit for its Bachelor of Science Degree in Nursing program on the ACM campuses in a manner that will facilitate the success of the academic programs at both institutions.
- ACM agrees to distribute materials related to MAC to interested students at ACM.
- ACM agrees to allow its faculty to apply for adjunct faculty status with MAC and to teach classes so long as such work does not hinder their faculty responsibilities at ACM.
- ACM agrees to offer courses fulfill the lower-level core requirements for the Bachelor of Science Degree in Nursing at MAC on a schedule that meets the needs of working adults.

Additional Responsibilities of Mount Aloysius College

- MAC will offer the classes for the Bachelor of Science Degree in Nursing on a schedule that meets the needs of the working adults.
- MAC will oversee the advertising, scheduling of classes, faculty recruitment and training, student recruitment, admissions, registration, academic advising, financial aid, and course evaluation functions of the program.
- MAC agrees to provide ACM with materials related to MAC.
- MAC will exercise due care in the use of ACM facilities in a manner in keeping with the institutional needs of ACM.
- MAC will advise prospective students currently enrolled at ACM to fulfill their lower-level core requirements through ACM.

Miscellaneous Stipulations

1. Through consultation between their presidents, chief academic officers and/or their designates, both institutions may choose by common consent to modify some terms of this agreement in a manner that is in the best interests of their respective institutions without voiding the remainder of the terms of this agreement.
2. This agreement may be terminated by either party after a ninety day written notification of the other party.
