

Articulation Agreement

Between the Automotive Technology program

Allegany College of Maryland

and the Bachelor of Science in Automotive Technology Management at

The Pennsylvania College of Technology

I. PURPOSE

The agreement between Allegany College of MD and The Pennsylvania College of Technology establishes a mechanism for graduates of Allegany College of MD to complete the requirements for the Bachelor of Science degree in Automotive Technology Management at The Pennsylvania College of Technology.

II. GOALS

- 1. To provide a well defined mechanism for graduates of the Automotive Technology program, at Allegany College of MD to acquire a baccalaureate degree in Automotive Technology Management.**
- 2. To recruit associate degree Automotive Technology program graduate students whose career goals include acquisition of a baccalaureate degree in Automotive Technology Management.**

**III. ARTICULATED COURSES WITHIN THE
Automotive Technology program**

Allegheny College of Maryland

Pennsylvania College of Technology

Automotive Technology 101 (Internal Combustion Engines I)	4	Elective	Directed Transportation Technology	46
Automotive Technology 103 (Automotive Electricity I)	4			
Automotive Technology 105 (Related Technical Automotive)	2			
Automotive 114 (Automotive Brakes I)	2			
Automotive Technology 201 (Automotive Transmissions)	4			
Automotive Technology 215 (Steering and Suspension)	4			
Automotive Technology 204 (Body Repair and Refinishing)	4			
Automotive Technology 102 (Internal Combustion Engines II)	4			
Automotive Technology 104 (Automotive Fuel Systems)	3			
Automotive Technology 106 (Automotive Ignition Systems)	2			
Automotive Technology 115 (Automotive Brakes II)	2			
Automotive Technology 216 (Automotive Electricity II)	4			
Automotive Technology 203 (Engine Testing)	4			
Automotive Technology 206 (Air Conditioning)	2			

IV. ADMISSION PROCEDURES

Students seeking admission to The Pennsylvania College of Technology Baccalaureate of Science in Automotive Technology Management (BAU) may apply at the beginning of their final year in Automotive Technology program. Requirements for admission follow:

- 1. Completed application with official transcripts of all college work.**
- 2. Grade of "C" or better required to transfer credit.**

The attached Articulation Agreement between the Automotive Technology program, at Allegany College of Maryland and the Bachelor of Science in Automotive Technology Management program at The Pennsylvania College of Technology has been reviewed and approved. A representative from each institution will inform the other party of any curriculum changes which will then be revised to re-establish this agreement.
