L

Bridgewater considers any student who has attended another post-secondary institution to be a transfer student. To be considered for admission, students must be in good academic (GPA of 2.2) and social standing. Students may be asked to submit high school transcripts and test scores. All students who have completed fewer than 26 college credits will be asked to provide ACT or SAT scores.

The maximum number of credits transferable from a community college is 68. Normally only courses in which the student has earned a C or better will transfer.

[Jackie Spicer](#), Bridgewater's Transfer Counselor, assists community college student in selecting appropriate courses for transfer. E-mail her by clicking on her name or call her at 800-759-8328 or 540-828-5689.

Contact your advisor, the [Student Success Center](#) at (301) 784-5551, or a Pennsylvania Student Services Office for additional information.

*Information listed on this Transfer Note is subject to change. Allegany College of Maryland is not responsible for any changes made by the transfer institution.*
