TRANSFER ADMISSION REQUIREMENTS

Salisbury University determines transfer admission based upon the following criteria:

A. Fewer than 30 credits of transferable credits, as determined by TU.

1. Cumulative GPA from all college transcripts must be a minimum of **3.0** on a 4.0 scale
2. Official transcripts from all colleges/universities attended sent to the TU Admissions Office.
3. High school transcripts and SAT scores sent to TU Admissions Office.

B. 30 to 55 transferable credits, as determined by TU.

1. Cumulative GPA must be a minimum of **2.75**.
2. Official transcripts from all colleges/universities attended must be sent to TU Admissions Office.

C. 56 or more credits, as determined by TU. Students with 56 or more credits will be given priority admission.

1. Cumulative GPA must be a minimum of **2.00**.
2. Official transcripts from all colleges/universities attended must be sent to TU Admissions Office.

GUARANTEED ADMISSION

If you're a graduate of a Maryland public community college and in good academic standing with at least 56 transferable credits, transfer students receive admission priority at Towson University.

Associate in Arts (A.A.) degree holders from a Maryland Community College are guaranteed admission (as space permits) if they meet the following criteria:

- minimum 2.0 GPA on a 4.0 scale
- no record of attending an institution of higher education after earning an A.A. from a Maryland community college
- apply by the application deadline

Guaranteed admission applies to admission to the university only and does not guarantee admission to competitive majors. Students who plan to pursue a competitive major must contact that department for specific screening procedures and GPA requirements for entrance into the major.

Students who have earned less than 56 transferable credits or are transferring from an institution other than a Maryland community college will be admitted based upon their combined cumulative GPA, amount of transferable credits and space availability

A.A.T. Degree (Associate of Arts in Teaching)

Maryland public community college students who have earned A.A.T. degrees (Associate of Arts Degree in Teaching) will be awarded 64 credits in transfer “without further review,” in accordance with MHEC policy. Community college students should contact the appropriate education department chair at their institution for specific details and program deadlines. Course work for students who do not complete all requirements of the AAT degree will be applied toward Towson’s GenEd/Core Curriculum and major requirements on a course-by-course basis.

MAXIMUM TRANSFERABLE CREDITS

Up to 64 credits may be accepted for transfer credit from 2-year or community colleges.

SELECTION OF TRANSFERABLE CREDITS

Allegany College of Maryland works closely with Towson University to advise students in the selection of courses for transfer. Refer to the following resources for information:

- [ARTSYS](#), the Articulation System for Maryland Colleges and Universities, provides course equivalencies for most ACM courses and lists of Recommended Transfer Programs for transfer to TU.
- Transfer advisors are available in Cumberland Campus Student Success Center and Bedford Student Services Office
- Towson University staff visit the Cumberland Campus annually.

APPLICATION PROCESS

Students applying for the fall semester should apply between October 1 and January 15. For spring admission, students should apply between October 1 and October 15. Deadlines may be extended until student spaces are filled.

1. Complete your application and submit with the application fee.
2. If interested, apply to the [Honors College](#) no later than December 1.
3. Official transcripts must be sent directly from every college you attended.
4. If you have earned less than 30 transferable college credits by the application deadline, a final high school transcript and A test scores are also required.
5. A resume is optional. It can be uploaded with your application.
6. A Towson, many majors are selective. If interested in one of the [Screened Majors](#), determine any additional requirements for the major you wish to study.

SUGGESTED GENERAL EDUCATION COURSES

For students who do not plan to complete an A.A. or A.S. before transferring the following is a suggested list of Allegany College of Maryland courses that will satisfy the lower-level General Education Requirements of TU. Consult your advisor, the ACM Advising Center, the [Student Success Center](#), Bedford Campus Student Services Offices or [ARTSYS](#) for additional courses.

English Composition (2) Area Three credits, one course	English 101
